**Shire of Yalgoo comment:** The Shire is not aware of any proposals for the land identified.

2. Are there any future proposals for any adjoining land which may impact on the proposed transfer of the land identified?

3. Are there any proposed planning scheme amendments which may affect the land identified? If so, in what time frame?

## 14.3 LATE ITEM-MELANGATA BAITING RACK AND ASSOCIATED STATIONS

Applicant: Melangata Baiting Rack and associated stations

Date: 24/03/2022

Reporting Officer: Chief Executive Officer Ian Holland

Disclosure of Interest: NIL

Attachments: Dog Control Letter

## **SUMMARY**

That Council considers providing funding to the Melangata Baiting Rack so that they can carry out a second Wild Dog Baiting Day for Yalgoo Pastoral Stations in the first half of 2022 followed by a September Meekatharra Regional Biosecurity Association baiting day (MRBA).

## **COMMENT**

Administration discussed the possibility of funding dog control activities at the 2021 baiting day. Correspondence was received from Edah and Melangata Stations suggesting an April baiting day and whether the Shire would consider funding it through funds put aside for Wild Dog Control Grants.

The attached letter was circulated to pastoral stations in the last mail run and no other requests were received.

Through the applicant, interest has been show by approximately 7 stations. With this level of involvement it is suggested that a similar amount of meat is purchased compared to the MRBA process. Indicatively the cost for the Melangata rack should be between \$2000-\$4000 dollars. A fixed figure will be provided by the MRBA that reflects this one rack out of their 7 supplied sites.

It is recommended that the CEO liase with the MRBA on meat supply up to the maximum of \$4000 from the Wild Dog Control Account or work with Edah and Melangata Stations to source competitive quotes for a similar quantity of meat to past baiting days.

#### Comment

The findings identified during the Audit of the Shire of Yalgoo Financial Statements for the year ended 30 June 2020 are stated in the Management letter, together with the response provided by the Chief Executive Officer under the heading of "Management Comment". Refer attachment.

## **Management's Comments:**

The management responses are detailed in the Auditors Management Letter attached.

The Independent Auditors Report identified the following material matters to be addressed by the Shire of Yalgoo.

- (i) The following material matters indicating non-compliance with Part 6 of the *Local Government Act 1995*, the Local Government (Financial Management) Regulations 1996 or applicable financial controls of any other written law were identified during the course of my audit:
- a. Changes made to the supplier, employee, debtors and fixed assets masterfiles were not independently reviewed and authorised. This increased the risk of unauthorised changes to key information, although our audit sampling did not identify any.
- b. For 13 out of 26 purchases sampled there was no purchase order raised. Additionally, 11 out of 13 of the purchase orders sampled were dated after the dates of the corresponding supplier invoices. Further, for 22 out of 26 payments sampled the creditor batch listing were not consistently signed as evidence of independent review and 21 out of 26 physical bank authorisation forms were not consistently signed by two authorities prior to payment. Additionally, for 7 out of 26 purchases sampled there was insufficient documentation to confirm if sufficient quotes had been obtained. These practices increase the risk of fraud or favoritism of suppliers, not obtaining value for money in procurement, and inappropriate or unnecessary purchases.
- c. All daily banking reconciliations sampled (being 21 instances) were either not completed or not signed by the preparer or reviewer. This increases the risk of errors and omissions relating to cash remaining undetected.
- d. From our review of the financial policy manual there were numerous instances identified where policies were out of date, required further work or did not reflect current practices. Without approved policies and procedures, this may lead to errors, fraud or non-compliance.
- e. Management has not updated the asset management plan and long-term financial plan since 2013. As a result the Asset Renewal Funding Ratio for all years presented in the annual financial report as required by section 50(1)(c) of the Local Government (Financial Management) Regulations 1996 is not able to be supported by verifiable information or reasonable assumptions.
- f. Our payroll testing identified that office employee timesheets are not independently reviewed and signed off. This could result in errors in the payroll or incorrect amounts being paid.

- g. Our sampling identified that for 8 out of 12 months of the year, there were not receipts or invoices to support expenditure incurred on the purchasing cards. This could result in unauthorised expenditure by the Shire.
- h. Reconciliations for Trust accounts, investments, fixed assets, sundry debtors, sundry creditors, rates debtors and rates valuations were not maintained by the Shire for the full year. With key balance sheet accounts not being reconciled to the general ledger on a regular basis there is an increased risk that errors or imbalances will not be detected on a timely basis, which in turn could lead to misstatements in the Shire's financial reporting.
- i. Accounting journal entries were processed with no evidence of independent review and approval by a senior staff member for 90% of the journals sampled. Additionally, adequate supporting documentation or commentary was not retained to support journal entries in 80% of the journals sampled. Accounting journals can represent significant adjustments to previously approved accounting transactions and, should therefore be independently reviewed and approved with evidence of this review being retained.
- (ii) As a result of the matters described in the Basis for Disclaimer of Opinion section of my report, I am not able to report that:
  - a. All required information and explanations were obtained by me.
  - b. All audit procedures were satisfactorily completed.
  - c. The Asset Consumption Ratio included in the annual financial report was supported by verifiable information and reasonable assumptions.

#### Management Comment:

The shire of Yalgoo is addressing the issues raised and has engaged additional staff to ensure better management processes are implemented and timely performance of various duties and obligations.

#### **OFFICERS RECOMMENDATION – A2022-03-04**

That the Audit Committee recommends to Council

- 1.) Receive the Report on the Audit Management Letter for the financial year ended 30 June 2020.
- 2.) Subject to (1) above forward a copy of the Report to the Minister for Local Government, Sport and Cultural Industries and publish it on the Shires' official website.

Moved: Cr Raul Valenzuela Seconded: Cr Gail Simpson

#### INDEPENDENT AUDITOR'S REPORT

## To the Councillors of the Shire of Yalgoo

## Report on the Audit of the Financial Report 2020

## Disclaimer of Opinion

I was engaged to audit the annual financial report of the Shire of Yalgoo (the Shire) which comprises the Statement of Financial Position as at 30 June 2020, and the Statement of Comprehensive Income by Nature or Type, Statement of Comprehensive Income by Program, Statement of Changes in Equity, Statement of Cash Flows and Rate Setting Statement for the year then ended, as well as notes comprising a summary of significant accounting policies and other explanatory information, and the Statement by the Chief Executive Officer.

I do not express an opinion on the accompanying financial report of the Shire. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of our report, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial report.

## Basis for Disclaimer of Opinion

I have been unable to obtain sufficient appropriate audit evidence on the books and records of the Shire. This lack of evidence arises from numerous significant deficiencies in the internal controls implemented by the Shire and in some cases the necessary records not being maintained.

As a result of this matter, I was unable to determine whether any adjustments might have been found necessary in respect of the elements making up the Statement of Financial Position as at 30 June 2020, and the Statement of Comprehensive Income by Nature or Type, Statement of Comprehensive Income by Program, Statement of Changes in Equity, Statement of Cash Flows and Rate Setting Statement for the year then ended, and related notes and disclosures thereto, and the Statement by the Chief Executive Officer.

Responsibilities of the Chief Executive Officer and Council for the Financial Report
The Chief Executive Officer (CEO) of the Shire is responsible for the preparation and fair
presentation of the annual financial report in accordance with the requirements of the Act, the
Regulations and, to the extent that they are not inconsistent with the Act, Australian Accounting
Standards. The CEO is also responsible for such internal control as the CEO determines is
necessary to enable the preparation of the annual financial report that is free from material
misstatement, whether due to fraud or error.

In preparing the annual financial report, the CEO is responsible for assessing the Shire's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the State Government has made decisions affecting the continued existence of the Shire.

The Council is responsible for overseeing the Shire's financial reporting process.

## Auditor's Responsibility for the Audit of the Financial Report

The objectives of my audit are to conduct an audit of the Shire's financial report in accordance with Australian Auditing Standards and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion section of my report, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial report.

I am independent of the Shire in accordance with the *Auditor General Act 2006* and the relevant ethical requirements of the Accounting Professional and Ethical Standard Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to my audit of the annual financial report. I have also fulfilled my other ethical responsibilities in accordance with the Code.

## Report on Other Legal and Regulatory Requirements

In accordance with the Local Government (Audit) Regulations 1996 I report that:

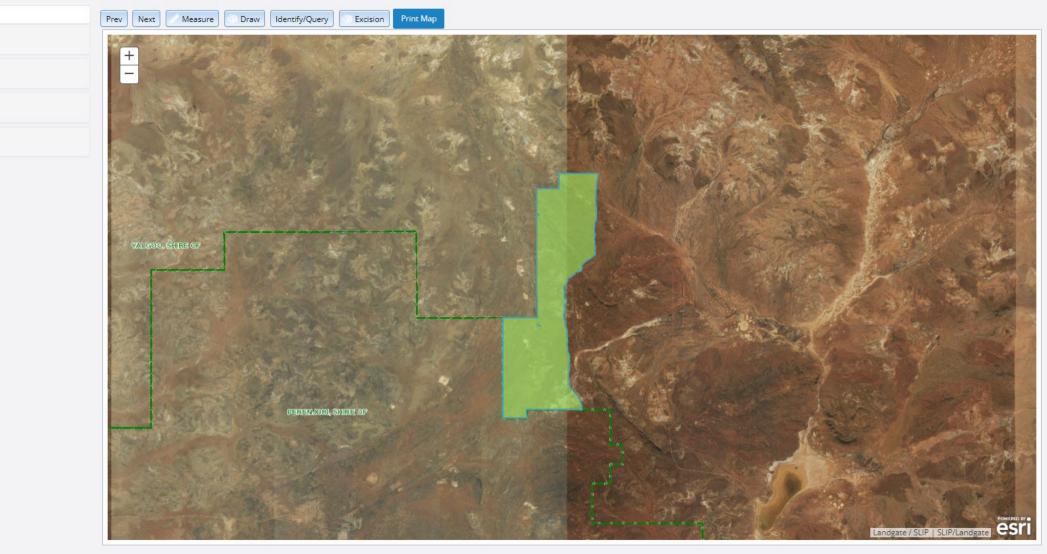

- (i) The following material matters indicating non-compliance with Part 6 of the *Local Government Act 1995*, the Local Government (Financial Management) Regulations 1996 or applicable financial controls of any other written law were identified during the course of my audit:
  - a. Changes made to the supplier, employee, debtors and fixed assets masterfiles were not independently reviewed and authorised. This increased the risk of unauthorised changes to key information, although our audit sampling did not identify any.

Dear Pastoralists and Interested Parties

## RE: Wild Dog Control in the Yalgoo Shire

Due to limited uptake of funds budgeted for opportunistic shooting of Wild Dogs it was resolved by Council to consider a Wild Dog Eradication Grant.

Interest has been shown from a number of stations in using this financial years wild dog bounty budget to supplement a second baiting day.

Support for this proposal can be directed to Edah or Melangata Stations.

Should any other stations or dog control enterprise wish to suggest another use for these funds in full or partially please provide me with a written request with a description and monetary amount not more than \$10,000. Joint projects will be given priority and any allocation if any will be at the full discretion of Council.

Requests should be received prior to Wednesday the 23<sup>rd</sup> March 2022 at the Shire Office or to <a href="mailto:ceo@yalgoo.wa.gov.au">ceo@yalgoo.wa.gov.au</a>

Yours sincerely

Ian Holland Chief Executive Officer Shire of Yalgoo
