MANE STORY 25

Dust and dresses at Yalgoo races

And they're off and racing at Yalgoo. Pictures: Kylie Rowe

■ Kylie Rowe

Saturday, April 5, was not only an important day for all West Australian voters, it was the day of the very popular Yalgoo Race meeting.

The weather was sultry and thunderstorms made for dark and occasionally dusty conditions, especially as the much-anticipated Yalgoo Cup was run.

A crowd of about 500 people gathered at the Yalgoo racecourse from about midday onward.

Excellent entertainment between races was provided by DJ Rev, and much laughter resulted from the hotly contested games, running races and dancing competition.

Six races were held over the day, and spectators were able to have a flutter on each race with either of the local bookmakers on course.

The dress standard on the day was impeccable, and the best dressed lady and gentleman won prizes generously donated by Leon Baker Jewellers.

The bouncy castle proved a big hit with the many children who attended on the day, and kept them entertained as their parents flocked to the rails to watch the horses gallop home down the Yalgoo straight past the finish line.

As the 1850m MMG Golden Grove Yalgoo Cup was about to be run, a massive dust storm arose as the thunderstorms danced around the Yalgoo Township.

This dust made commentary on the cup difficult as it was virtually impossible to see the horses making their way around the track.

As they emerged into view along the home straight, the clear winner was Terry Brennan's horse Court Crusader, ridden by jockey Willie White.

As the thunderstorms drifted east and the dust settled, the final race was run and won, presentations were held, the traditional two-up game began on the track and dusk descended on Yalgoo.

The party went on well into the night with a delicious meal provided, excellent bar facilities and superb music for dancing. The Yalgoo race meeting epitomises bush racing at its best and is an occasion that many should try and attend in their lifetime.

Curtin University Volunteers: Tuesday 15th to Tuesday 22nd July

6 volunteers from Curtin University Volunteers will be here for 8 days to play sports and run activities down at the rage cage and at the hall. It was the Curtin Uni mob who helped out with the camp at Horrocks last January.

Men and Boys Camp: Friday 11th to Sunday 13th July

All Yalgoo men and boys are invited to come along with Mata and Pip to Horrocks Beach for a couple of nights of camping along with fishing and exploring the coastline. Places will be limited so please book early by seeing Mata or Pip.

Shark Bay 'Boot' Camp: Monday 14th to Friday 18th July

For all of our boys who have been in trouble with the law, this camp is to help them start to take responsibility for themselves and stop breaking the law. It will be run by Aboriginal man Darren Capwell (Capes) who runs his own successful business in Gutharraguda (Shark Bay).

The program focuses on the following core modules:

Leadership, Team building, Communication, Cultural Awareness, Environmental Awareness, Safety, Active participation and Respect

Suicide Prevention Fundraiser

On Saturday 24th May we completely filled the shire bus and took a mob down to the Geraldton Bowling Club for a fundraiser for a suicide prevention awareness program. Mick and Rose Webber intend on walking the entire Canning Stock Route to raise awareness around the issue of suicide and the night was to raise funds for their big adventure.

This is what Rose had to say about their planned trip.

"We are now getting ready for a gruelling 2000 km walk of the Canning Stock Route in July 2014. Mick and I will be walking the whole distance unassisted carrying all our own supplies, we also have a film crew in two vehicles, however they cannot assist us with our trek. We will be selling the DVD's upon our return of our trek with all money being donated from the sales to Suicide Prevention Australia.

Our aim is to create awareness about Suicide Prevention, by getting people talking about us doing the trek then talking about the reasons behind it and breaking down the barriers of Suicide Taboo - Stopping the Stigma.

Please look at our website www.suicideawareness.simplesite.com to see what we have achieved so far and what we are planning to do in 2014. Our website and Facebook Page also show cases all our sponsors and their details. It also contains photos, logistics of the Canning Trek, and more off what we are about."

Kelly Hodge from the Geraldton Bowling Club offered a great venue for the

fundraising night with excellent kitchen, bar and entertainment facilities and plenty of room for our mob to feel comfortable.

Everyone had a great night and hope to visit Geraldton again for another great night out in the future.

Community Benefit Fund Advisory Committee

Still looking for nominations – Getting ready for our first meeting

A new committee is being formed to advise the Shire on how it should spend the money it gets annually from the local mining and haulage companies.

The money might go to community groups or to the Shire to spend on programs that benefit our local community. Basically the new committee will get together a few times a year to discuss how the money will be spent and then make a recommendation to the Shire. It can add up to quite a lot of money so the work of the Committee is important.

So that everyone in our community gets a chance to have a say the Shire Council agreed to the following make-up of the Committee.

- | | |
|-------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------|
| 1 x Elected Member of the Shire Council | 2 x Member of the Yalgoo township community |
| 1 x Pastoralist | 1 x member of the Paynes Find Community |
| 1 x member of each of the resources/haulage companies contributing more than \$20,000 per annum to the Community Benefit Fund | |
| 1 x Shire Community & Youth Development Coordinator | |

WEEK

2014

SERVING COUNTRY CENTENARY & BEYOND

The NAIDOC celebration is on Wednesday 8 July this year.

The Shire is currently negotiating with MMG to share the costs of having an Aboriginal band from Perth perform in Yalgoo.

We're looking to have the same type of event as last year out at the golf course with heaps of bush tucker and music. As it is during the week this year we will probably make it a late afternoon/early evening feed.

If you are interested in helping out then please let us know.

Emu Cup

Saturday 11 October

The Emu Cup is on again and we want community input into what the program will be.

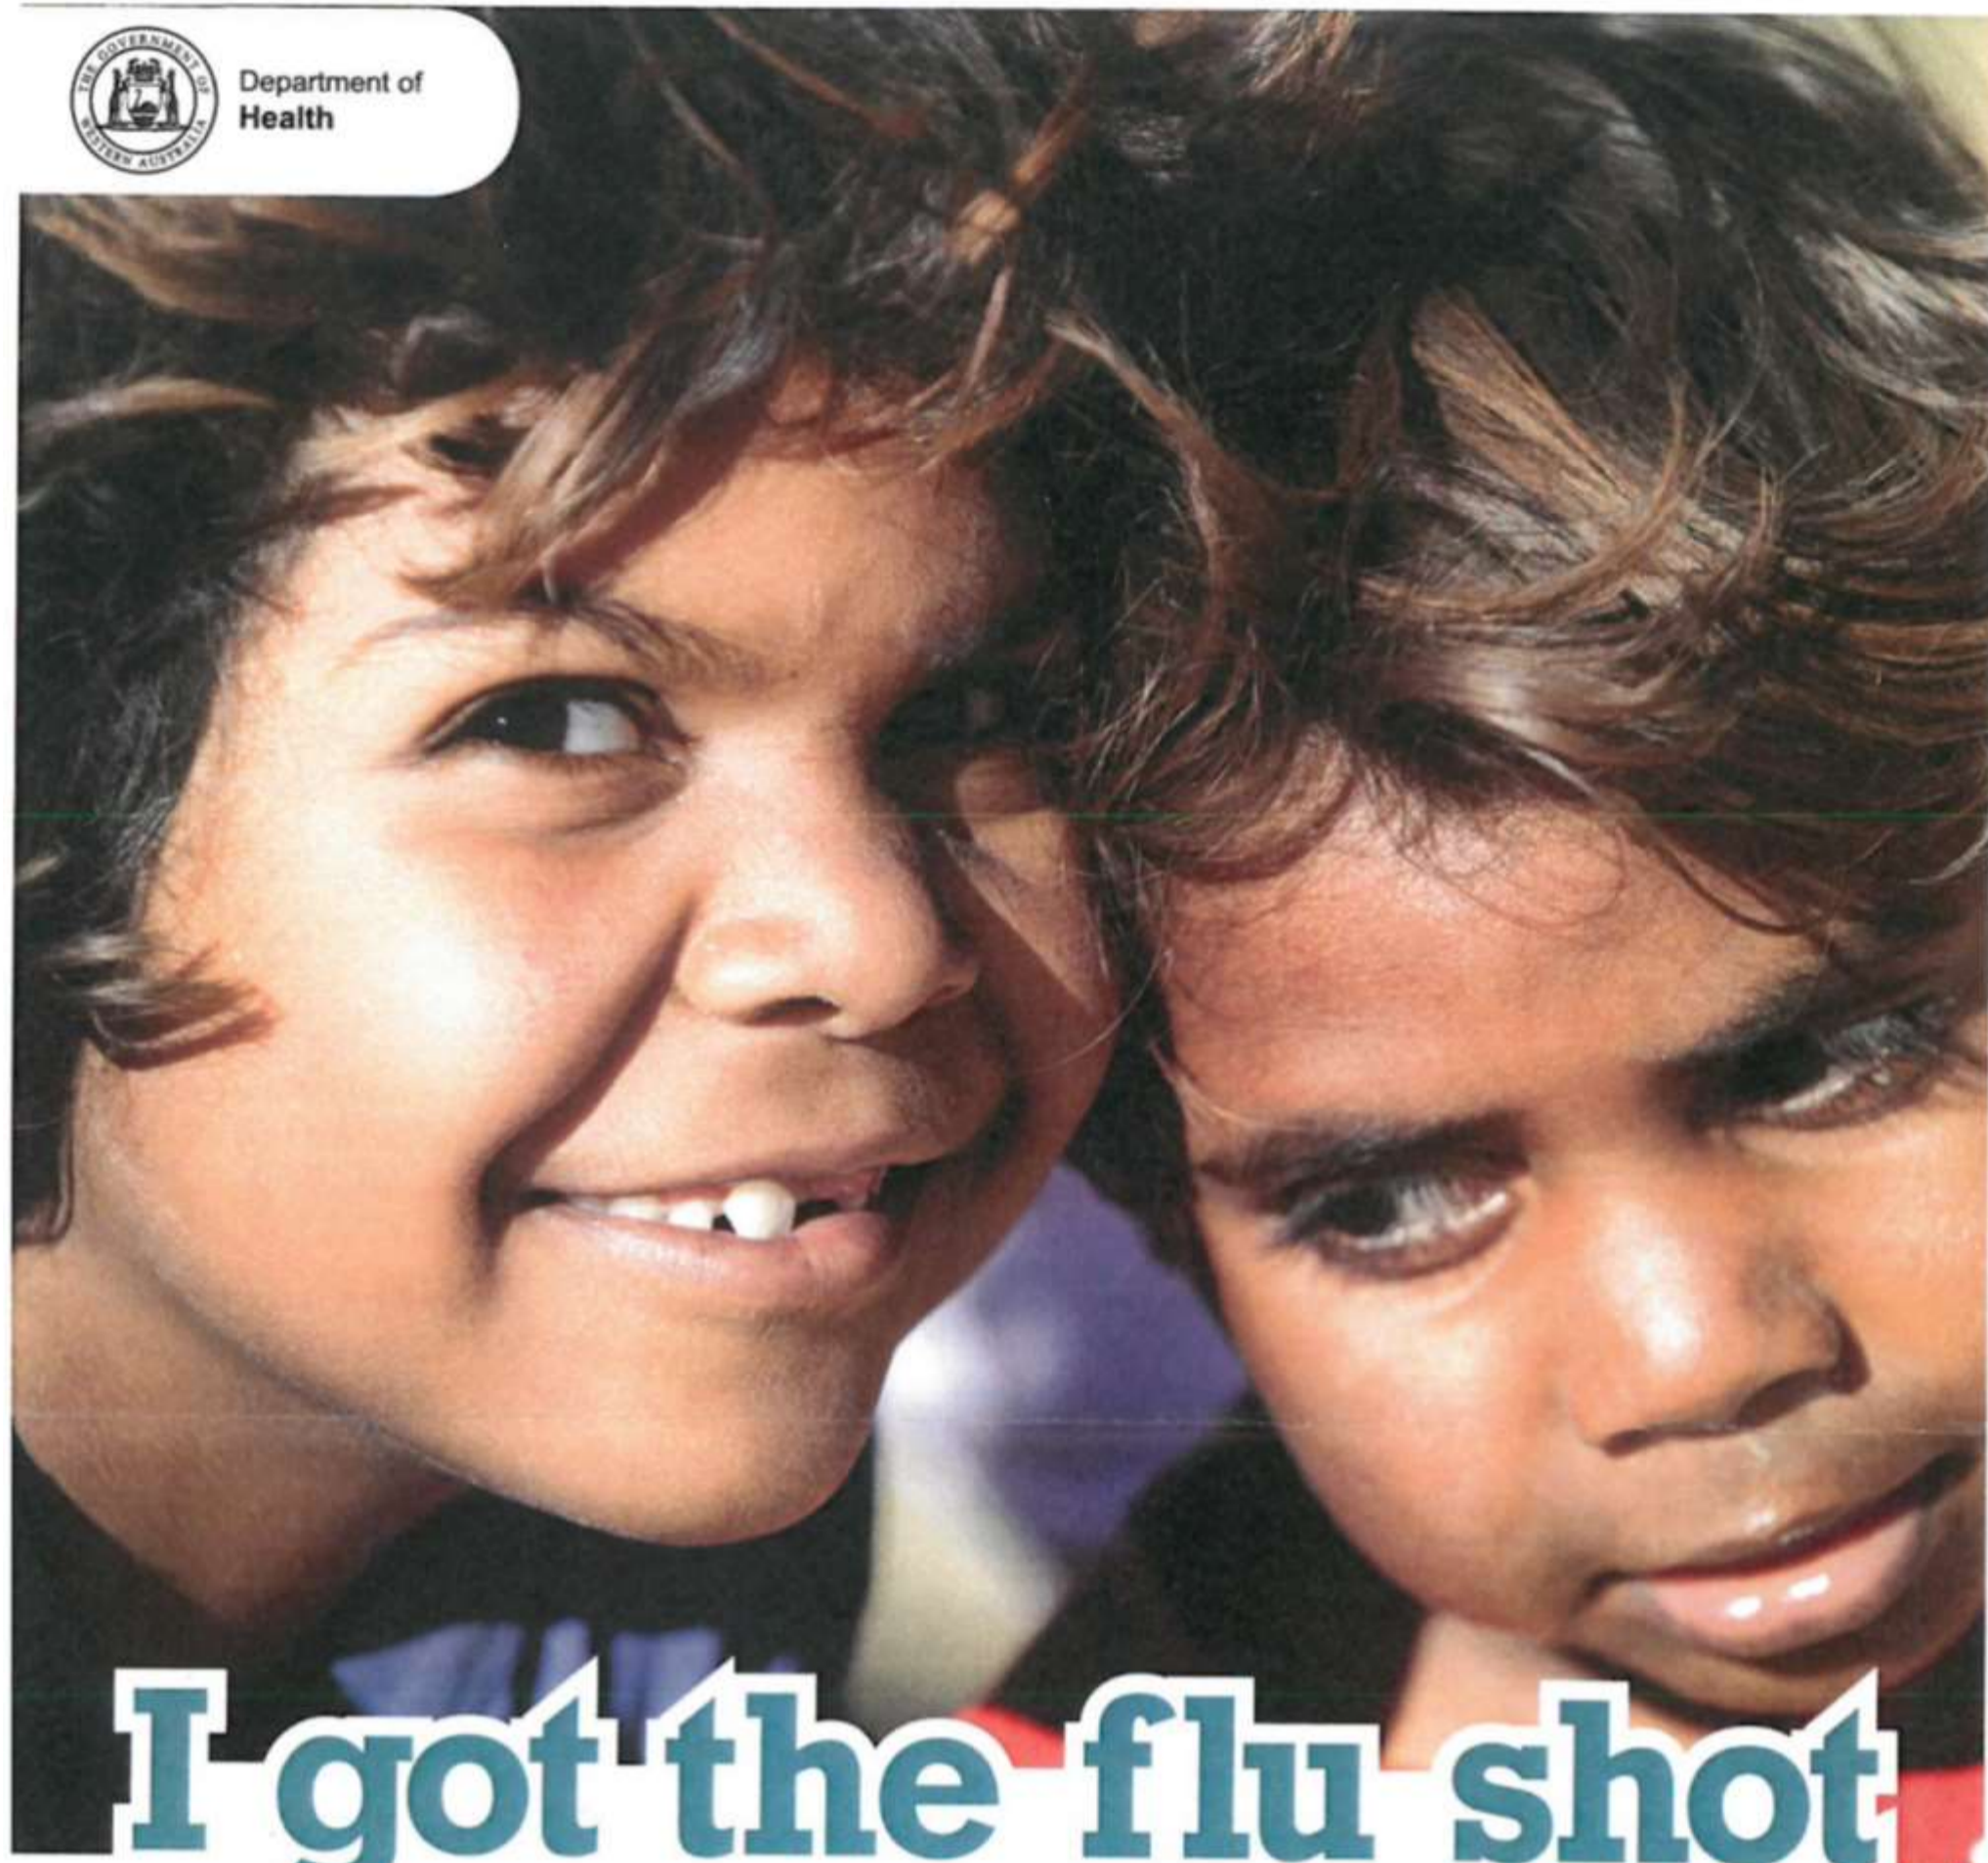

So we are forming a **COMMITTEE** to make sure we get it right. C'mon...come and have your say on what you would like as part of the 2014 Emu Cup. We had a great event last year but we could make it even better this time around. We have some funding this year so we can afford to make it a really deadly event. If you have some ideas but

don't want to be on a committee then drop in and see me in the hall or Di at the Shire.
