Thanks Ross!

On Sunday 31st August I travelled from Mullewa, with my dad and my disabled husband, to see the Wreath Flowers on the Morawa-Yalgoo rd. We got a little lost and ended up running out of fuel on the way home, 45kms out of Yalgoo. Feeling more than a little silly, I hitched a ride into Yalgoo with a lovely girl from Horizon Power. We pulled up to the hotel and were instantly met by Ross. I had cash, but no card, and no jerry can, and no way back to my family. I live in Mullewa, and know how we work out here, so while I was running on luck, I knew that all would be ok. Not so for my dad, visiting from Perth, and my diabetic husband, who had completely stressed out! Ross grabbed his jerry can, his wallet and without any hesitation offered me help. He refused my offers of extra cash, stating what I already knew, "unnecessary, that's not the way we do things out here." Too right Ross! From Colin, Allan and Sharon, thankyou very much, your assistance was invaluable. I hope we have the opportunity to pay it forward

Paynes Find - August 2014

Wednesday the 13th August saw a special day for 14 of the Seniors and Visitors of Mt Magnet as their Community Bus ventured down the highway for a day outing in Paynes Find.

The trip was organised the previous week, with a few phone calls to The Roadhouse, The Battery and PilRoc Wildlife Orphanage to pre organise the activities for the day.

They arrived in town, to sit down and enjoy their homemade soup and a light lunch at the Roadhouse. After all their stomachs were very satisfied, they then headed off to The Battery, where they stepped back in time, taking in the history of the gold era in Paynes Find and the surrounding areas.

Finally they made their way across to the Weather Station/First Aid Post to spend a little relaxation time with the kangaroo (orphaned joeys) taking in the sunshine and stretching their legs, before boarding the bus again for their trip back home.

Everyone was very complimentary of their day trip to Paynes Find and ready to sit back and have a little nap after an enjoyable day out.

My Aged Care

My Aged Care: making it easier for elders and older people to access information on ageing and aged care

Recent changes to aged care (from 1 July) are giving people more choice and more of the services they might need as they get older.

To help create an aged care system that will cater to a growing number of older people in the future, there have been changes to the fee arrangements for aged care. The government will continue to meet the majority of costs for both home and residential care but, where people can afford to, they will be asked to contribute to the cost of their care.

To ensure aged care remains affordable for all older people there are limits on the maximum costs you may have to pay and you will never be denied the care that you need because you can't afford to pay.

The best way for Aboriginal and Torres Strait Islander older people and their families to find out about the choices available to them is to contact **My Aged Care** by calling **1800 200 422** (between 8.00am and 8.00pm local time on weekdays and between 10.00am and 2.00pm local time on Saturdays) where they can speak to a real person to get the information they need.

My Aged Care is a call centre and a website designed to make it easier for older people, their families and carers to access information on ageing and aged care.

My Aged Care can help you estimate the fees and charges you may have to pay towards your residential aged care or home care. A fee estimator is also available on the website for an idea of what you can expect to pay for your care. You can also find out about your choices, including home, community and residential aged care, and compare prices and services.

You can visit www.myagedcare.gov.au for more information or to order the brochure, *Let's yarn about changes to aged care* call **1800 200 422**.

Need an estimate of aged care fees?

Use the new online fee estimators for home and residential care.

All people considering residential care or home care packages can now find out how much they may need to contribute towards the cost of their care.

Call My Aged Care on 1800 200 422 to discuss your needs or go to the My Aged Care website.
