Happy New Year

I hope you all have a safe happy new years and I look forward to all your ideas over the coming months for any new projects and putting together a community volunteer group here in Yalgoo .

Thanking community for your assistance

I would like to give a great big thank you to all the wonderful people whom have given donations to the drop in centre .

Fair game ,Road wise ,Shire of Yalgoo ,School and also acknowledging the parent volunteers thank you so much Anthea and her family .Michelle's family and service providers

The women's group

Tamisha ,Michelle for all your help with the presents for all the School children of Yalgoo

Thank you Dominic and your family or all of your assistance with the ladies most appreciated .

Thank you to all the children whom have been respectful and following the rules of the drop in centre.

Thanks to the police for keeping our community safe

Community Development News from Linaire

Well its been a productive and exciting four months since been appointed in to the position of Community Development Officer .

From painting the child care room as a volunteer to putting on my first event for the children of Yalgoo and know Australia Day I am so excited (volunteers welcome)

We have Fair game wanting to come hang out with the children at the end of this month (Rage cage sports events)

Forming and Storming ideas

We are forming Yalgoo first local volunteers group
Yalgoo first Justice group (To work along of the police)
Community watch (Work as a strong community)
Community meetings to tackle the crime and property damage in your community . (put a flyer out for next meeting this month held at the Shire hall)
Banners in the Terrace (come yarn and get involved)
Zumba ,CrossFit for youth and adults held in Shire Hall

Play Group

Hello to all the New Year is here and the days seem to be rushing by, the learning centre/ play group will continue to open on Mondays and Wednesdays from 9am to 12pm. Look forward to seeing all the little people of Yalgoo here learning through play and time spent with mums, dads and grandparents. The simple act of reading to your child can set them on their way to greatness, come along and take advantage of what we have to offer. The play group is not just for the little people it's a place for families to come and support each other, relax with each other and builds a community that services each other. We have the power to set the foundations for young people to reach great heights; all we need to be is involved.

Women's Group

Hello to all the Ladies that came and shared their time and company with us throughout the last six months of 2015, along with Linaire(CDO) we look forward to the new year and all that it may bring. It was good to meet the new primary school principal last Wednesday, after a bit of a yarn it was nice to see that he is very supportive of the idea that we make lunch for the children. Lastly to all the mums I know at times our best is not good enough when it comes to our children's decision making. If you have issues with your children or family do not hesitate to come see me, I may not have the answer, between us I am sure we can come up with some solutions; we only need to be involved.

IT'S OUR DAY!

Op Shop

Op shop continues to open on Thursday; we have slowly been turning over stock in the last few months, we have lots of adult and babies clothing as well as toys for the tiny tots. Come get a bargain and support the op shop with your donations. We have a few sewing machines that can be accessed at the drop in centre, if you feel you have the ability to repurpose clothing / redesign clothing come on down so we can form a sewing group. The raw material for this could come from the clothing we have in the op shop, food for thought? All it takes is for you to come down and get involved!!!!!!!!!!

Men's Group

The men's group has continued to limp along over the last six months, we have managed to secure funds to start our men's shed up, and I look forward to working through this process, we have been offered a load of old bikes that I believe will give us the chance to create a program with the teenagers that gives the children an opportunity to build, create, and use their grey matter, with the support of dads and interested community members. Once again thank you to the shire for the use of the buildings at the gun club, as a group we will be utilising this space in the near future. I have been talking with Keith in the last few days and I believe that if we work together and utilise all the spaces and expertise we have available to us we will be able to create meaningful activities for the youth and men. Keith needs a hand to tidy up and get the big work shop in order so we can use this space; the community garden also needs to be addressed so we can start to produce food for all. A community work bee is all that is needed to get theses spaces producing; the work is too much for one man, as a community we could get this blown out in a day or two. A community that works together strives together; you only need to be involved!

If you have any enquires regarding any of the services we offer here at Centacare do not hesitate to ring me on 99628207 or drop into the office, Tamihana.

If you have any donations of clothing etc for the op shop you can contact Tamihana or Tamisha on 99628207.

MEETINGS

I am looking at going on holiday at the end of the month, time for me to go see my grandchildren in Aotearoa (New Zealand). When I return from leave in February I will be having an LDAG meeting so we can formulate a committee, get our child checks completed, and discuss issue regarding funding, parent helpers, projects we can create and run. I will also be having a men's group meeting so we can plan for our future, I will put flyers around the community when I return so we can take charge as we charge forward. Come down and get involved!!!!

FOOD FOR THOUGHT

If we break our own community through property damage and disrespect for our own place, we all own the shame and the cost. To fix a broken spot light at the Rage Cage takes up to \$2000, that's \$2000 we don't have to run programs, buy art gear, or put diesel in the bus so we can go on day trips.

HOW MANY WINDOWS GET BROKEN IN YALGOO A YEAR!!!!!!!

To kill animals and birds with sticks and stones to have no regard for life, is not the way one looks after country or all that country supplies us. We kill to eat not for fun, kicks or because we are board, respect for country is choice make the choice that brings pride to your mob and looks after your country, country man!!!!!!!!!!

Counselling Service

Northern District Community Support Group - Morawa Family Counselling Service. Family and Financial counsellors are available to provide support to individuals and families; through counselling, information and education, this is a FREE service to the families in Yalgoo.

Address: Morawa Family Counselling Service

The Ordinary Council and Committee meetings are open to the public.

Silvio Brenzi
Chief Executive Officer

Meter exchange Yalgoo

Starting Tuesday 19 January

12noon

Horizon Power crews will be in your town soon to exchange the electricity meters at your property.

There will be an outage of approximately 30 minutes when the exchange takes place.

The new meter will automatically read your electricity use which means soon Horizon Power will no longer physically read the meter. Estimated bills will then largely be a thing of the past.

Please ensure we have access to the meter. If you are not the owner of the property, please ensure the owner provides you with keys to the meter box. In the event of a disconnection, you will need to access the meter to reconnect.

Horizon Power would like to remind customers to call our Customer Contact Centre immediately if you have any concerns about paying your bill so we can assist you with a payment plan or financial hardship advice.

Call **1800 267 926** for more information

Snake bite

Warning

DO NOT wash venom off the skin.
DO NOT cut the bitten area.
DO NOT try to suck venom out of wound.
DO NOT use a tourniquet.
DO NOT try to catch the snake.

- **Signs** are not always visible but may be a puncture marks, bleeding or scratches.
- **Symptoms** developing within an hour may include headache, impaired vision, nausea, vomiting, diarrhoea, breathing difficulties, drowsiness, faintness, problems speaking or swallowing.

What to do

1. Follow DRSABCD.
2. Reassure the patient and ask them not to move.
3. Apply a broad crepe bandage over the bite site as soon as possible.
4. Apply a pressure bandage (heavy crepe or elasticised roller bandage) starting just above the fingers or toes of the bitten limb, and move upwards on the limb as far as can be reached (include the snake bite). Apply firmly without stopping blood supply to the limb.
5. Immobilise the bandaged limb with splints.
6. Ensure the patient does not move.
7. Write down the time of the bite and when the bandage was applied. Stay with the patient.
8. Regularly check circulation in fingers or toes.
9. Manage for shock.
10. Ensure an ambulance has been called.

Information Note

September 2014

Mulch and Cigarette Fires

Key Points

- Cigarettes discarded from slow-moving or stationary vehicles can start mulch fires.
- In WA, cigarettes start over 500 mulch fires a year.
- The requirements for a mulch fire to start are: hot and dry conditions, fine, aerated fuels and a heat source such as a cigarette.

* Source— CSIRO, 2003, *Fire fact of the Month—No butts about it*, Bushfire Behaviour and Management.

DFES attends more than 500 mulch fires a year. Most mulch fires are caused by discarded cigarettes under hot, dry conditions—smouldering for extended periods along roadsides, particularly at traffic lights.

When mulch fires are likely to occur

Mulch fires are likely to occur:

- after long periods without rain, generally between December and April
- when the moisture content is low (less than 7%)
- when temperatures are high (above 30°C)
- when the relative humidity is low (below 30%).

How mulch fires are likely to occur

Local governments and other agencies use mulches, such as green waste, for landscaping verges and median strips to control weeds, prevent erosion and conserve water.

The type of mulch affects how easily a fire can start. Fine shredded and aerated mulches catch fire more easily than coarse and compacted mulches. Coarse woodchip mulches are recommended as they are harder to ignite.

How a cigarette is discarded will influence whether a fire will start. Experiments by the CSIRO* show that, unless under extreme bushfire conditions, a fire is more likely to start from a cigarette disposed of from a slow-moving or stationary vehicle than from a vehicle travelling at 80km/h.

Version 5, September 2014

For more information contact the Environmental Protection Branch on 9395 9300 • email: environment@dfes.wa.gov.au or visit www.dfes.wa.gov.au
