#### **SUMMARY**

That Council at its Special Meeting held on the 15<sup>th</sup> July 2022 resolved that it intended to impose the rate in the dollar and minimums for each of the differential rating categories detailed below.

#### **COMMENT**

The purpose of the report is for council to adopt the differential general rates imposed on the rateable property within each differential rating category. The differentiated rating categories determined by the Council are as follows.

Gross Rental Value	Rate in \$	Minimum Rate
Town Imposed	7.83184 cents	\$290.00
Town site Vacant	7.83184 cents	\$290.00
Mining Infrastructure	29.75000 cents	

Unapproved Value	Rate in \$	Minimum Rate
Pastoral/Rural	6.900787 cents	\$290.00
Mining/Mining Tenement	32.00000 cents	\$290.00
Exploration/Prospecting	19.88253 cents	\$290.00

In accordance with Section 6.32, 6.33 and 6.36 of the Local Government Act 1995 the following actions were undertaken:

- 1. The proposed differential general rates and minimums were advertised.
- No submissions were received.
- 3. Ministerial approval was obtained in accordance with Section 6.33(3) of the Local Government Act 1995.

A letter dated the 19<sup>th</sup> August 2022 from the Department of Local Government, Sport and Cultural Industries was received stating that approval has been given to the Shire to impose differential general rates which are more than twice the lowest rate in the dollar for UV Exploration/Prospecting and Mining/Mining Tenement as well as GRV.

#### SUMMARY

That Council consider and impose a rate of interest on overdue rates for the 2022/23 financial year.

# **COMMENT**

Section 6.45 of the Local Government Act 1995 states that Rates charged may be made by single payment or a person may elect to make payment by 4 equal or nearly equal instalments, or such other method of payment by instalments as is set in the annual budget. A local Government may impose an additional charge (including an amount by the way of interest where payment of a rate charge is made by instalments).

The Shire has traditionally offered a four instalment payment option.

Financial Management Regulation 67 and 68 permits a council to impose additional charges where payment of rates is by instalments.

Section 6.50 of the Local Government Act 1995 permits a Council to determine when a rate charge becomes due and payable. The due date cannot be earlier than 35 days after the date noted on the rate notice as the date the rate notice was issued. Where a person elects to pay a rate charge by instalments the second and each subsequent instalment does not become due and payable at intervals of less than 2 months.

It is recommended that the due date of each instalment for the 2022/2023 financial year is as follows:

- 1st Instalment Friday, 4 NOVEMBER 2022
- 2<sup>nd</sup> Instalment Tuesday, 3 JANUARY 2023
- 3<sup>rd</sup> Instalment Tuesday, 7 MARCH 2023
- 4<sup>th</sup> Instalment Tuesday, 9 MAY 2023

Section 6.51 of the Local Government Act permits the Council to impose on a rate or service charge that remains unpaid (including by instalments):

- a) Where no election has been made to pay the rate charge by instalments due
  - (I) After it becomes due and payable; or
  - (II) 35 days after the date of issue of the rate notice whichever is the later.
- b) Where an election has been made to pay the rate charge by instalments and an instalment remains unpaid after its due and payable.

Financial Management Regulation 70 states that the maximum rate of interest on overdue rates to be imposed under Section 6.51 of the Local Government Act is

7%. It is recommended that Council impose a rate of interest of 7% to apply on overdue rates after their due date.

Section 6.45 permits a Council to impose an additional charge for the recovery of the additional cost of administration for payments made by instalment, including an amount by way of interest. Regulation 68 limits the maximum component to be imposed to be of 3.0%. It is recommended that Council impose a rate of interest of 0%.

In recognition of foregone interest earnings the Shire could otherwise have achieved if rates payments were received in one payment earlier in the financial year, together with the increased administrative burden in managing multiple instalments which includes the costs of printing, postage and handling, it is recommended that the Shire apply an instalment Administration charge of \$10 (GST free). This would only be applicable to the second/third/fourth instalment as one charge where ratepayers elect to pay by the prescribed instalment due dates, and any alternative payment plan arrangements established.

## STATUTORY ENVIRONMENT

Local Government Act 1995 s.6.45, 6.51 and Financial Management Regulations 67, 68, 70 and 71.

#### POLICY/FINANCIAL IMPLCATIONS

The 2022/2023 Annual Budget has included \$5,000 for the interest charge on overdue rates.

Financial Management Regulation 71 details the method of calculation of interest on overdue rates.

- 1) Interest on rates and service charges and the cost of any proceedings to recover such charges, that remain unpaid after the due date of becoming due and payable ("the due date") is to be calculated on a simple interest basis for the number of days from the due date until the day before the day on which a payment is receives by the local government.
- 2) The principal sum on which interest is calculated for a financial year may include interest accrued but not paid in a previous financial year but is not to include interest accrued in the current financial year.
- 3) If payment is received by the local government during the period 1st July in a financial year until the annual budget for that financial year is adopted, interest referred to in sub regulation (1) for the period is to be at the interest imposed under section 6.51 (1) for the previous financial year.

The 2022/23 Annual Budget has included \$200 for charges to be divided on the instalment plan (administration charge).

# 8.5 Monthly Statement of Financial Activity – Reporting of Material Variance

Applicant: Shire of Yalgoo Date: 13/09/2022

Reporting Officer: Chief Executive Officer Ian Holland

Disclosure of Interest: NIL Attachments: NIL

#### SUMMARY

The Local Government Financial Management Regulations 1996 requires a Local Government to prepare monthly Financial Activity Statements and report Material Variance. Council is now required to set the material variance for the 2022/23 financial year.

# **COMMENT**

Regulation 34 of the Local Government (Financial Management) Regulation 1996 require the following in relation to the Financial Activity Statement:

- 1. A local government is to prepare each month a statement of financial activity reporting on the sources and applications of funds, as set out in the annual budget under regulation 22(1) (d). for that month in the following detail-
  - (a) Annual budget estimates, taking into account any expenditure incurred for an additional purpose under section 6.8.
  - (b) Budget estimates to the end of month to which the statement relates:
  - (c) Actual amounts of expenditure, revenue and income to the end of the month to which the statement relates;
  - (d) Material variances between the comparable amounts referred to in paragraphs (b) and (c);
  - (e) The net current at the end of month to which the statement relates.
- 2. Each Statement of Financial Activity to is to be accompanied by documents containing-
  - (a) An explanation of the composition of the net current assets of the month to which the statement relates, less committed assets and restricted assets;
  - (b) An explanation of each of the material variances referred to in sub regulation (1) (d); and
  - (c) Such other supporting information as is considered relevant by the local government.
- 3. The information in a Statement of Financial Activity may be shown-
  - (a) According to nature and type classification;
  - (b) By program; or

- (c) By business unit.
- 4. A Statement of Financial Activity and the accompanying documents referred to in sub regulation (2) are to be
  - (a) Presented to the Council:
    - (i) At the next ordinary meeting of the Council following the end of the month to which the statement relates; or
    - (ii) If the Statement is not prepared in time to present it to the meeting referred to in subparagraph (i), to the next ordinary meeting of the Council after that meeting; and
  - (b) Recorded in the minutes of the meeting at which it is presented.
- 5. Each financial year, a local government is to adopt a percentage or value, calculated in accordance with AAS 5, to be used in Statements of Financial Activity for reporting material variances.
- 6. In this regulation:

"committed assets" means revenue unspent but set aside under the annual budget for a specific purpose;

"restricted assets" means an asset the use of which is restricted wholly or partly by a law made or a requirement imposed outside of the control of the local government. Where the restriction is relevant to assessing the performance, financial position or financing and investment of the local government.

Accordingly in order to meet the reporting requirements of the Statement of Financial Activity

Council is required to give consideration to setting the following material variances, as per previous years.

- 10% or \$10,000 whichever is the greater

# 8.6 Attendance to the WALGA Local Government Convention Week

Applicant: Shire of Yalgoo Date: 14/09/2022

Reporting Officer: Chief Executive Officer Ian Holland

Disclosure of Interest: NIL Attachments: NIL

#### SUMMARY

For Council to consider attendance at the WA Local Government Association Annual General Meeting and Convention 3<sup>rd</sup> and 4<sup>th</sup> of October 2022.

#### COMMENT

Due to overwhelming support by Councillors to attend this Convention in the past it is suggested that the core conference be available to any Councillor and the Chief Executive Officer.

Attendance coverage is proposed to include Accommodation Sunday night to Tuesday night, travel reimbursement and registration. Meals provided by the convention registration or venue lunch will not be reimbursed however it is proposed the Shire cover \$50 per attendee for all other meals.

Voting delegates are to be confirmed as part of this item. Apart from the convention sessions there appears to be limited WALGA training scheduled alongside the convention.

On Tuesday the 4<sup>th</sup> of October Shire Delegates are invited to a Murchison Regional Vermin Council Fence Cell Opening in Mt Magnet at 2pm. The Member for Durack, the Hon Melissa Price and Minister for Regional Development, the Hon Alannah MacTiernan are scheduled to be in attendance.

There being no further business the Shire President declared the meeting closed at \_\_\_\_\_.

#### PUBLIC QUESTION TIME - FOR INFORMATION PURPOSES ONLY

The Shire of Yalgoo welcomes community participation during public question time of Council Meetings. The following is a summary of s5.24 of the Local Government Act 1995, the Local Government (Administration) Regulations 1996 and Shire Policy, to provide a guide for public question time.

To enable a prompt and detailed response to questions, members of the public are requested to lodge questions in writing to the Chief Executive Officer at least two days prior to a Council meeting. This can be done:

- a. In person at the Shire of Yalgoo Office, 37 Gibbons St, Yalgoo
- b. By emailing the Executive Support Officer\_pa@yalgoo.wa.gov.au
- c. By phoning the Executive Support Officer (08) 9962 8042

When registering a question members of the public will be required to provide the following for record keeping and response:

- a. Name, Address, Contact Number and Name of Organisation representing (if any)
- b. A written copy of the question to be asked at Public Question Time

It is recommended to arrive at the Council Meeting 15 minutes to commencement if you have not registered a question in advance.

The presiding Member will open Public Question Time where appropriate and, if necessary, provide a brief summary of the rules, regulations and procedures of Public Question Time.

- 1. The person asking the question is to state their name prior to asking the question.
- Questions are to be directed through the chair, with the Presiding Member having the discretion of accepting or rejecting a question and the right to nominate a Councillor or Officer to answer.
- 3. In order to provide an opportunity for the greatest portion of the gallery to take advantage of question time, questions are to be as succinct as possible. Any preamble to questions should therefore be minimal and no debating of the issue between the Gallery, Councillors or Officers is permissible.
- 4. Where the Presiding Member rules that a member of the public is making a statement during public question time, then no answer is required to be given or recorded in response.
- 5. Questions which are considered inappropriate; offensive or otherwise not in good faith; duplicates or variations of earlier questions; relating to the personal affairs or actions of Council members or employees; will be refused by the Presiding Member as 'out of order' and will not be recorded in the minutes.

- 6. Questions from members of the public that do not comply with the Rules of Question Time or do not abide by a ruling from the Presiding Member, or where the member of the public behaves in a manner in which they are disrespectful of the Presiding Member or Council, or refuse to abide by any reasonable direction from the Presiding Member, will be ruled 'out of order' and the question will not be recorded in the minutes.
- 7. Answers to questions provided in good faith, however, unless reasonable prior written notice of the question is given, answers should not be relied upon as being totally comprehensive.
- 8. The priority for asking questions shall be firstly 'questions on which written notice has been given prior to the meeting' (that is, prior to 12 noon on the day immediately preceding the meeting) and secondly, 'questions from the floor'.
- 9. Public Question Time is set for a maximum period of 15 minutes, and will terminate earlier should no questions be forthcoming.
- 10. There are circumstances where it may be necessary to place limits on the asking of questions to enable all members of the public a fair and equitable opportunity to participate in Public Question Time. In these events the Presiding Member will apply the most appropriate limit for the circumstance. Generally each member of the public shall be provided a maximum two minutes time limit in the first instance, in which to ask a maximum of two questions (whether these are submitted 'in writing' or 'from the floor'). A question may include a request for the tabling of documents where these are relevant to an issue before Council.
- 11. Should there be time remaining on the initial period for Public Question Time (i.e. 15 minutes) after all members of the public have posed their initial allotment of two questions, the Presiding Member will then allow members of the public to sequentially (in accordance with the register) ask further questions (with necessary limits in place as discussed above if required) until the initial period for Public Question Time has expired.
- 12. Any extension to the initial period for Public Question Time is to be limited to a period that will allow sufficient time for any remaining members of the public to ask their initial allotment of two questions.
- 13. Where a question (compliant to these rules) is raised and is unable to be answered at the meeting, the question shall be 'taken on notice' with an answer being given at the next appropriate Council Meeting.
- 14. Where a member of the public submitting a question is not physically present at the meeting, those questions will be treated as an item of correspondence and will be answered in the normal course of business (and not be recorded in the minutes).

# MATTERS FOR WHICH THE MEETING MAY BE CLOSED- FOR INFORMATION PURPOSES ONLY

Councillors are obliged to maintain the confidentiality of matters discussed when the meeting is closed.

The following legislative extracts were downloaded from <a href="www.legislation.wa.gov.au">www.legislation.wa.gov.au</a> on 7 July 2021.

#### **Local Government Act 1995**

# s5.23. Meetings generally open to the public

    - (i) a trade secret; or
    - (ii) information that has a commercial value to a person; or
    - (iii) information about the business, professional, commercial or financial affairs of a person,

where the trade secret or information is held by, or is about, a person other than the local government; and

(f) a matter that if disclosed, could be reasonably expected to —

- impair the effectiveness of any lawful method or procedure for preventing, detecting, investigating or dealing with any contravention or possible contravention of the law; or
- (ii) endanger the security of the local government's property; or
- (iii) prejudice the maintenance or enforcement of a lawful measure for protecting public safety;

and

- (g) information which is the subject of a direction given under section 23(1a) of the Parliamentary Commissioner Act 1971; and
- (h) such other matters as may be prescribed.
- (3) A decision to close a meeting or part of a meeting and the reason for the decision are to be recorded in the minutes of the meeting.

# s5.92 Access to information by council, committee members

- (1) A person who is a council member or a committee member can have access to any information held by the local government that is relevant to the performance by the person of any of his or her functions under this Act or under any other written law.
  - (2) Without limiting subsection (1), a council member can have access to
    - (a) all written contracts entered into by the local government; and
    - (b) all documents relating to written contracts proposed to be entered into by the local government.

# s5.93. Improper use of information

A person who is a council member, a committee member or an employee must not make improper use of any information acquired in the performance by the person of any of his or her functions under this Act or any other written law —

- (a) to gain directly or indirectly an advantage for the person or any other person; or
- (b) to cause detriment to the local government or any other person. Penalty: \$10 000 or imprisonment for 2 years.

# **Local Government (Model Code of Conduct) Regulations**

#### 2021 s.21 Disclosure of Information

(	1)	) In	this	clause	
---	----	------	------	--------	--

**closed meeting** means a council or committee meeting, or a part of a council or committee meeting, that is closed to members of the public under section 5.23(2) of the Act:

**confidential document** means a document marked by the CEO, or by a person authorised by the CEO, to clearly show that the information in the document is not to be disclosed;

document includes a part of a document;

  - (f) to a legal practitioner for the purpose of obtaining legal advice; or
  - (g) if the disclosure is required or permitted by law.

#### ATTENDANCE - FOR INFORMATION PURPOSES ONLY

#### **Local Government Act 1995**

# S2.25 Disqualification for failure to attend meetings

- (1) A council may, by resolution, grant leave of absence, to a member.
- (2) Leave is not to be granted to a member in respect of more than 6 consecutive ordinary meetings of the council without the approval of the Minister, unless all of the meetings are within a period of 3 months.
- (3A) Leave is not to be granted in respect of —
- (a) a meeting that has concluded; or
- (b) the part of a meeting before the granting of leave.
- (3) The granting of the leave, or refusal to grant the leave and reasons for that refusal, is to be recorded in the minutes of the meeting.
- (4) A member who is absent, without obtaining leave of the council, throughout 3 consecutive ordinary meetings of the council is disqualified from continuing his or her membership of the council, unless all of the meetings are within a 2 month period.
- (5A) If a council holds 3 or more ordinary meetings within a 2 month period, and a member is absent without leave throughout each of those meetings, the member is disqualified if he or she is absent without leave throughout the ordinary meeting of the council immediately following the end of that period.
- (5) The non attendance of a member at the time and place appointed for an ordinary meeting of the council does not constitute absence from an ordinary meeting of the council
  - (a) if no meeting of the council at which a quorum is present is actually held on that day; or
  - (b) if the non attendance occurs
    - (i) while the member has ceased to act as a member after written notice has been given to the member under section 2.27(3) and before written notice has been given to the member under section 2.27(5); or
    - (ii) while proceedings in connection with the disqualification of the member have been commenced and are pending; or
    - (iiia) while the member is suspended under section 5.117(1)(a)(iv) or Part 8; or
    - (iii) while the election of the member is disputed and proceedings relating to the disputed election have been commenced and are pending.
- (6) A member who before the commencement of the Local Government Amendment Act 2009 section 5 was granted leave during an ordinary meeting of the council from which

the member was absent is to be taken to have first obtained leave for the remainder of that meeting.

# **Urgent Business**

General business will not be admitted to Council. In cases of urgency or other special circumstances, where a matter cannot or should not be deferred until the next meeting, urgent items may, with the consent of a majority of Elected Members present, be heard and dealt with. Any such business shall be in the form of a clear motion, and the President may require such a motion to be written and signed by the Councillor or officer proposing the motion or recommendation.

# **Deputations**

Persons wishing to appear before Council or a Committee as a deputation should apply to the CEO at least one week before the date of the meeting, specifying the purpose of the deputation and the number of persons in the deputation. Deputations may be permitted at the discretion of the Presiding Member or by a resolution of the Council or Committee (as the case may not be). Not more than two members of a deputation may address the Council or Committee, except to answer questions from members of the Council or Committee.

# SHIRE OF YALGOO NOTES TO AND FORMING PART OF THE BUDGET FOR THE YEAR ENDED 30 JUNE 2023

#### 1 (a) BASIS OF PREPARATION

The annual budget has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and interpretations of the Australian Accounting Standards Board, and the *Local Government Act 1995* and accompanying regulations.

The Local Government Act 1995 and accompanying Regulations take precedence over Australian Accounting Standards where they are inconsistent.

The Local Government (Financial Management) Regulations 1996 specify that vested land is a right-of-use asset to be measured at cost. All right-of-use assets (other than vested improvements) under zero cost concessionary leases are measured at zero cost rather than at fair value. The exception is vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire to measure any vested improvements at zero cost.

Accounting policies which have been adopted in the preparation of this annual budget have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the budget has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

Financial reporting disclosures in relation to assets and liabilities required by the Australian Accounting Standards have not been made unless considered important for the understanding of the budget or required by legislation.

#### The local government reporting entity

All funds through which the Shire of Yalgoo controls resources to carry on its functions have been included in the financial statements forming part of this annual budget.

In the process of reporting on the local government as a single unit, all transactions and balances between those Funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements.

#### 2021/22 actual balances

Balances shown in this budget as 2021/22 Actual are estimates as forecast at the time of preparation of the annual budget and are subject to final adjustments.

#### **Budget comparative figures**

Unless otherwise stated, the budget comparative figures shown in the budget relate to the original budget estimate for the relevant item of disclosure.

### Comparative figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

#### Initial application of accounting standards

During the budget year, the below revised Australian Accounting Standards and Interpretations are expected to be compiled, become mandatory and be applicable to its operations.

- AASB 2020-3 Amendments to Australian Accounting Standards - Annual Improvements 2018-2020 and Other Amendments

- AASB 2020-6 Amendments to Australian Accounting Standards - Classification of Liabilities as Current or Non-current - Deferral of Effective Date

It is not expected these standards will have an impact on the annual budget.

#### New accounting standards for application in future years

The following new accounting standards will have application to local government in future years:

- AASB 2021-2 Amendments to Australian Accounting Standards - Disclosure of Accounting Policies or Definition of Accounting Estimates
- AASB 2021-6 Amendments to Australian Accounting Standards - Disclosure of Accounting Policies: Tier 2 and Other Australian Accounting Standards

It is not expected these standards will have an impact on the annual budget.

#### Judgements, estimates and assumptions

The preparation of the annual budget in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The balances, transactions and disclosures impacted by accounting estimates are as follows:

- estimated fair value of certain financial assets
- estimation of fair values of land and buildings and investment property
- impairment of financial assets
- estimation uncertainties and judgements made in relation to lease accounting
- estimated useful life of assets

#### Rounding off figures

All figures shown in this statement are rounded to the nearest dollar.

# SHIRE OF YALGOO NOTES TO AND FORMING PART OF THE BUDGET FOR THE YEAR ENDED 30 JUNE 2023

#### 1 (b) KEY TERMS AND DEFINITIONS - NATURE OR TYPE

#### **REVENUES**

#### RATES

All rates levied under the *Local Government Act 1995*. Includes general, differential, specified area rates, minimum rates, interim rates, back rates, ex-gratia rates, less discounts and concessions offered. Exclude administration fees, interest on instalments, interest on arrears, service charges and sewerage rates.

#### SERVICE CHARGES

Service charges imposed under Division 6 of Part 6 of the Local Government Act 1995. Regulation 54 of the Local Government (Financial Management) Regulations 1996 identifies these as television and radio broadcasting, underground electricity and neighbourhood surveillance services.

Excludes rubbish removal charges. Interest and other items of a similar nature received from bank and investment accounts, interest on rate instalments, interest on rate arrears and interest on debtors.

#### PROFIT ON ASSET DISPOSAL

All expenditures on materials, supplies and contracts not classified under other headings. These include supply of goods and materials, legal expenses, consultancy, maintenance agreements, communication expenses, advertising expenses, membership, periodicals, publications, hire expenses, rental, leases, postage and freight etc. Local governments may wish to disclose more detail such as contract services, consultancy, information technology, rental or lease expenditures.

#### UTILITIES (GAS, ELECTRICITY, WATER, ETC.)

Expenditures made to the respective agencies for the provision of power, gas or water. Exclude expenditures incurred for the reinstatement of roadwork on behalf of these agencies.

#### INSURANCE

All insurance other than worker's compensation and health benefit insurance included as a cost of employment.

#### LOSS ON ASSET DISPOSAL

Loss on the disposal of fixed assets includes loss on disposal of long term investments.

#### **DEPRECIATION ON NON-CURRENT ASSETS**

Depreciation and amortisation expense raised on all classes of assets.

#### INTEREST EXPENSES

Interest and other costs of finance paid, including costs of finance for loan debentures, overdraft accommodation and refinancing expenses.

#### OTHER EXPENDITURE

Statutory fees, taxes, provision for bad debts, member's fees or State taxes. Donations and subsidies made to community groups.

# 1 (c) KEY TERMS AND DEFINITIONS - REPORTING PROGRAMS

In order to discharge its responsibilities to the community, Council has developed a set of operational and financial objectives. These objectives have been established both on an overall basis, reflected by the Shire's Community Vision, and for each of its broad activities/programs.

OBJECTIVE	ACTIVITIES
Governance	
To provide a decision making process for the efficient allocation of scarce resources.	Administration and operation facilities and services to the members of the Council. Other costs that relate to the tasks of assisting elected members and ratepayers on matters which do not concern other specific functions/activities of the Shire are also recorded here.
General purpose funding	
To collect revenue to allow for the provision of services.	Rates, general purpose government grants and interest revenue.
Law, order, public safety	
To provide services to help ensure a safer and environmentally conscious community.	Supervision and enforcement of various local laws relating to fire prevention, animal control and other aspects of public safety including emergency services.
Health	
To provide an operational framework for environmental and community health.	Food quality, pest control and immunisation services.
Education and welfare	
To provide services to disadvantaged persons, the elderly, children and youth.	To promote education services through the education initiatives.
Housing	
To provide housing for Shire of Yalgoo staff.	Provision and maintenance of staff, rental and Joint Venture Housing.
Community amenities	
To provide services required by the community.	Rubbish collection services, operation of rubbish disposal sites, noise control, litter control, administration of town planning schemes, strategic planning, maintenance of the cemetery, public conveniences and town storm water drainage.
Recreation and culture	0
To establish and effectively manage infrastructure and resources which will help the social well being of the community.	Maintenance of public halls, water park, recreation grounds and various reserves. The operation of library and maintenance of cultural heritage assets and TV/radio transmission services.
Transport	
To provide safe, effective and efficient transport services to the community.	Construction and maintenance of roads, streets, footpaths, drainage works, lighting of streets, maintenance of the depot and airstrips.
Economic services	
To help promote the shire and its economic wellbeing.	Regulation and provision of tourism services including the caravan park, area promotion, community activities, building control, noxious weeds and vermin control.
Other property and services

Total rates							-	2,338,485	2,445,375	2,705,463

The Shire did not raise specified area rates for the year ended 30th June 2023.

All land (other than exempt land) in the Shire of Yalgoo is rated according to its Gross Rental Value (GRV) in townsites and mining infrastructure or Unimproved Value (UV) in the remainder of the Shire of Yalgoo.

The general rates detailed for the 2022/23 financial year have been determined by Council on the basis of raising the revenue required to meet the deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than rates and also considering the extent of any increase in rating over the level adopted in the previous year.

The minimum rates have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of local government services/facilities.

# (c) Objectives and Reasons for Differential Rating

To provide equity in the rating of properties across the Shire the following rate categories have been determined for the implementation of differential rating.

# Differential general rate

Town Improved - consists of properties located within the townsite boundaries with a predominate residential ,commercial and industrial use. This category is considered by council to be the base rate by which all other GRV properties are assessed and have a different demand and requirement on the Shire services and infrastructure.

# SHIRE OF YALGOO NOTES TO AND FORMING PART OF THE BUDGET FOR THE YEAR ENDED 30 JUNE 2023

Town vacant - consists of vacant properties located within the townsite boundaries that are vacant (no residential,commercial or industrial structures built on the land). The rate in the dollar is the same as the Town Improved category however the minimum rate is higher in order to encourage landowners to undertake development.

Mining Infrastructure – Consists of particular improvements such as accommodation, recreation and administrative facilities, associated buildings and maintenance workshops that are erected permanently. The object of the GRV rates associated with mining is to ensure that mining operators contribute to the maintenance of the Shire's assets and services to the extent that they use them and form a sector of ratepayers that essentially are transitory

Pastoral / Rural -this rating applies to all pastoral leases and land with predominate rural land use. The proposed rate is comparatively lower when compared to the mining / mining tenement and exploration / prospecting catergories on the basis that the pastoral industry has minimum impact or requirement on the Shire services and infrastructure.

Mining / Mining Tenement - this category applies to mining leases located within the Shire. The proposed rate is comparatively higher when compared to the pastoral/rural category on the basis that the mining operations require additional ongoing maintenance of the roads network that services this land use along with additional costs associated with the administration of mining tenements.

Exploration /Prospecting - This rating category applies to exploration, prospecting and other general purpose leaseslocated within the Shire. The proposed rate is comparatively higher when compared to the pastoral/rural category and lower than the mining tenement category on the basis that the mining operations require additional and ongoing maintenance of the road network that services the land use, the additional cost associated with the administration of exploration and prospecting leases and the Shire wishes to encourage exploration.

#### (d) Differential Minimum Payment

The minimum rate reflects the basic cost incurred by the Council in servicing each lot or dwelling in its district.

# SHIRE OF YALGOO NOTES TO AND FORMING PART OF THE BUDGET FOR THE YEAR ENDED 30 JUNE 2023

#### Service charge

The Shire did not raise service charges for the year ended 30th June 2023.

#### **Waivers and Concessions**

The Shire does not anticipate any waivers or concessions for the year ended 30th June 2023.

## SIGNIFICANT ACCOUNTING POLICIES

#### **CURRENT AND NON-CURRENT CLASSIFICATION**

An asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Shire's operational cycle. In the case of liabilities where the Shire does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current or non-current based on the Shire's intentions to release for sale.

#### TRADE AND OTHER PAYABLES

Trade and other payables represent liabilities for goods and services provided to the Shire prior to the end of the financial year that are unpaid and arise when the Shire of Yalgoo becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition.

#### PREPAID RATES

Prepaid rates are, until the taxable event has occurred (start of the next financial year), refundable at the request of the ratepayer. Rates received in advance are initially recognised as a financial liability. When the taxable event occurs, the financial liability is extinguished and the Shire recognises revenue for the prepaid rates that have not been refunded.

#### **INVENTORIES**

#### General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

## Superannuation

The Shire of Yalgoo contributes to a number of superannuation funds on behalf of employees.

All funds to which the Shire of Yalgoo contributes are defined contribution plans.

## LAND HELD FOR RESALE

Land held for development and sale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed on to the buyer at this point.

## GOODS AND SERVICES TAX (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

### TRADE AND OTHER RECEIVABLES

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Trade receivables are recognised at original invoice amount less any allowances for uncollectible amounts (i.e. impairment). The carrying amount of net trade receivables is equivalent to fair value as it is due for settlement within 30 days.

Trade receivables are held with the objective to collect the contractual cashflows and therefore measures them subsequently at amortised cost using the effective interest rate method.

Due to the short term nature of current receivables, their carrying amount is considered to be the same as their fair value. Non-current receivables are indexed to inflation, any difference between the face value and fair value is considered immaterial.

The Shire applies the AASB 9 simplified approach to measuring expected credit losses using a lifetime expected loss allowance for all trade receivables. To measure the expected credit losses, rates receivable are separated from other trade receivables due to the difference in payment terms and security for rates receivable.

#### **PROVISIONS**

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

## **EMPLOYEE BENEFITS**

## **Short-term employee benefits**

Provision is made for the Shire's obligations for short-term employee benefits. Short term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position. The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

## CONTRACT LIABILITIES

An entity's obligation to transfer goods or services to a customer for which the entity has received consideration (or the amount is due) from the customer. Grants to acquire or construct recognisable non-financial assets to be controlled by the Shire are recognised as a liability until such time as the Shire satisfies its obligations under the agreement.

## 4. RECONCILIATION OF CASH

For the purposes of the Statement of Cash Flows, cash includes cash and cash equivalents, net of outstanding bank overdrafts. Estimated cash at the end of the reporting period is as follows:

## SIGNIFICANT ACCOUNTING POLICES

## **CASH AND CASH EQUIVALENTS**

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks, other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are shown as short term borrowings in current liabilities in Note 3 - Net Current Assets.

## FINANCIAL ASSETS AT AMORTISED COST

The Shire classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

## 5. FIXED ASSETS

## **DEPRECIATION**

The depreciable amount of all fixed assets including buildings but excluding freehold land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Major depreciation periods used for each class of depreciable asset are:

Asset Class	Useful life
Buildings	35 years
Furniture and equipment	3 to 10 years
Plant and equipment	5 to 10 years
Sealed roads and streets	
construction/road base	41 years
Clearing and earthworks	not depreciated

- bituminous seals	20 to 30 years
Gravel roads	
Construction/road base	23 years
Gravel sheet	23 years
Formed roads (unsealed)	
Clearing and earthworks	not depreciated
Construction/road base	14 years
Footpaths - slab	not depreciated
Airport infrastructure	40 to 50 years
Other infrastructure	6 to 67 years

### **AMORTISATION**

The depreciable amount of all intangible assets with a finite useful life, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held for use.

The assets residual value of intangible assets is considered to be zero and useful live and amortisation method are reviewed at the end of each financial year.

Amortisation is included within Depreciation on non-current assets in the Statement of Comprehensive Income.

## SIGNIFICANT ACCOUNTING POLICIES

## **BORROWING COSTS**

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

## 8. RESERVE ACCOUNTS
