DID YOU KNOW? – YALGOO'S HIDDEN HISTORY

Our old courthouse came from another town!
The courthouse building was relocated from Day Dawn, near Cue, in 1921. Today it serves as the Yalgoo Courthouse Museum, preserving stories and treasures from our past.

Yalgoo once had seven hotels!
During the gold rush of the 1890s, Yalgoo was a thriving town with seven hotels serving miners, travellers and local residents. Imagine seven pubs in our little town today!

ORDINARY COUNCIL MEETING DATES FOR 2026

SHIRE OF YALGOO

The Shire of Yalgoo schedule of meeting dates and locations for 2026 are as follows:

Date	Day	Time	Location
30 Jan 2026	Friday	10:30am	Yalgoo
27 Feb 2026	Friday	10:30am	Yalgoo

WHEN TRAVELLING ON OUR ROADS

Please keep safe and remember the following:

- When Travelling through the Yalgoo region, be mindful of our roadworks
- Slow Down and follow the road signs.
- Check with the Shire Council to see if any roads are Closed or visit our website.
- Take caution when travelling on unsealed roads and be cautious of wildlife, floodways, grids and washouts.
- Feel free to let us know if you notice anything dangerous that can cause a hazard on our roads, email works@yalgoo.wa.gov.au

ROADWORKS MORAWA-YALGOO ROAD

Please note that the Shire of Morawa will be commencing resealing works on Morawa–Yalgoo Road during the week commencing **9 November 2026,** between **SLK 3.80** and SLK **10.80**.

The works are expected to take approximately three weeks to complete, weather and site conditions permitting.

Traffic management will be in place throughout the works to ensure the safety of road users and construction personnel. Motorists are advised to exercise caution, observe all traffic management signage, and allow additional travel time when travelling through the work zone.

🔥 YALGOO FIRE RESTRICTIONS – COMING SOON 🔥

With the weather starting to heat up, the Shire of Yalgoo would like to remind everyone that fire restrictions will soon be coming into effect.

As the warmer and drier weather approaches, please take extra care around your home, property and when travelling through the district. Be mindful when using machinery, vehicles or anything that may create sparks or start a fire.

🔥 Stay alert and be fire aware
🌾 Keep properties clear of dry grass and flammable material
🚜 Take extra care when operating machinery
📢 Keep an eye out for upcoming fire restriction dates and notices

Further information regarding Yalgoo fire restrictions and prohibited burning periods will be provided shortly.

Stay safe, Yalgoo!

STRONG WINDS & POWERLINE SAFETY

With the strong winds we have been experiencing around Yalgoo recently, residents are reminded to ensure that all loose materials around their homes and yards are properly secured or tied down.

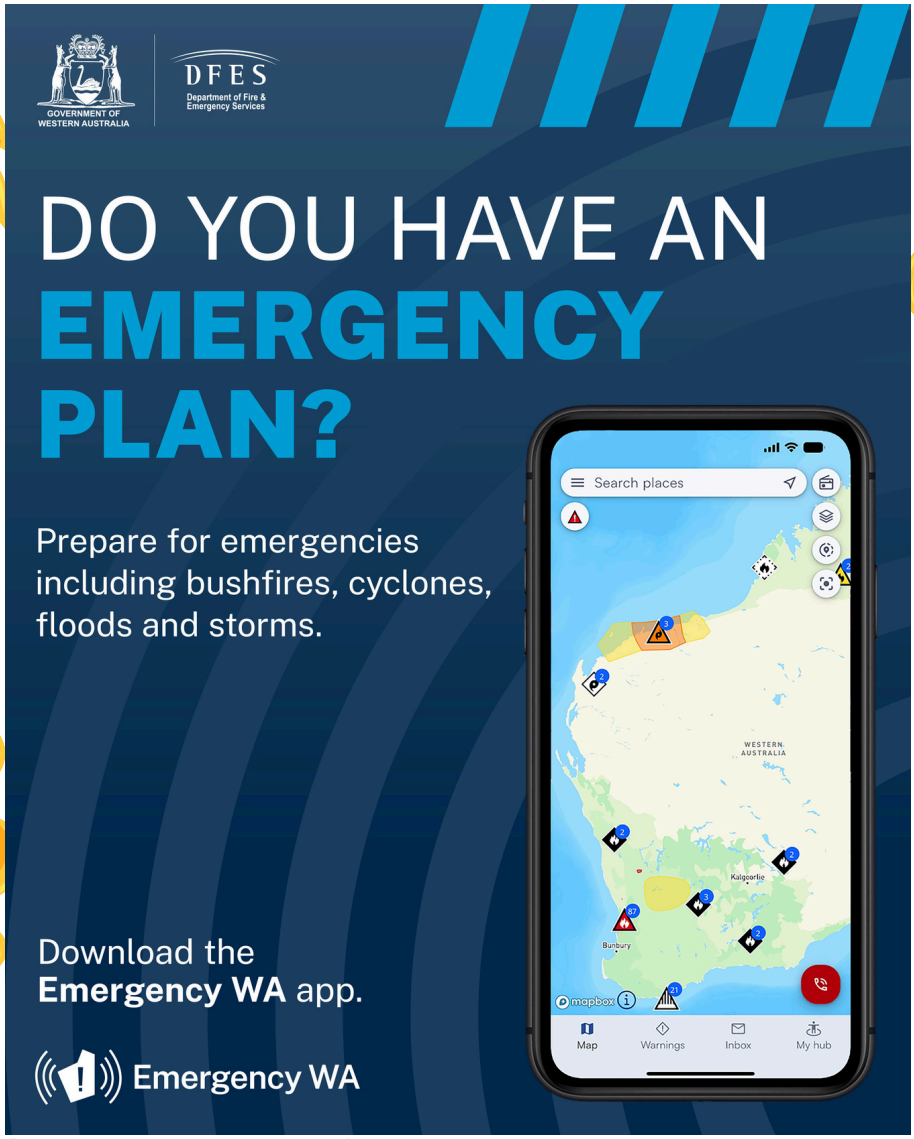

Items such as sheets of tin, roofing materials, outdoor furniture and other loose objects can easily become airborne during strong winds.

These items may come into contact with overhead powerlines, potentially causing damage to the electricity network and resulting in a town-wide power outage.

We encourage all residents to take a few minutes to check their properties and secure any loose items before the next strong winds arrive.

HELP PREVENT POWER OUTAGES – SECURE YOUR LOOSE ITEMS!
Remember, never approach fallen powerlines or attempt to remove objects caught in powerlines.
Let's work together to keep Yalgoo safe and our power connected!

PUBLIC NOTICES

SHIRE OF YALGOO

Littering Fines

Waste & Bin Safety 🗑️
Yalgoo residents are reminded to ensure all rubbish is properly secured at all times.

Rubbish blowing into the streets from properties on a regular basis may result in littering fines being issued. We kindly ask everyone to take extra care when placing bins out by ensuring lids are closed properly and bins are positioned securely. These small steps help keep our community clean, safe, and enjoyable for everyone.

If you are experiencing issues with dogs tipping over bins, or if you witness this happening, please report the matter to the Yalgoo Shire Office. Providing photos or video footage of the dog involved will assist in responding to and addressing the issue more effectively.

Thank you for your cooperation and support in keeping Yalgoo tidy.

For All Dog Owners

SHIRE OF YALGOO

Reminder to local residents and new comers to Yalgoo
The Shire of Yalgoo is issuing FINES of over $200 dollars for every dog being in a public place without a leash.

Please exercise your dogs at the racecourse or oval and ensure you clean up after them.

Department of Local Government, Sport and Cultural Industries

Fact Sheet – Laws for Dog Owners

This document provides a summary of the legislation which applies to dogs and the dog owners.

What does the Dog Act cover?

The Act addresses the registration of dogs, the keeping of dogs in the community and the legal obligations of dog owners.

The Act applies to all canines. This includes dingoes and dog/dingo crossbreeds.

Who enforces the Act?

The Act is enforced by local governments within their respective districts.

If you are aggrieved by a local government's application of the Act, you may be entitled to have that decision reviewed in the State Administrative Tribunal.

Why do these obligations apply?

Everyone who owns a dog has a responsibility to ensure that the dog is properly cared for. In addition, it is important that dog owners handle their animals in a way that respects other people in the community.

Legal responsibilities for dog owners:

Dog control - Penalty: $200 to $5000

If you own a dog, you have a legal responsibility to keep the animal under control, either within a fenced area on your property or on a leash when in public.

Local governments can set out dog exercise areas where dogs can be taken off a lead without penalty. Please contact your local government for further details on the exercise areas in your district.

Page 1 of 4 – Fact Sheet – Laws for Dog Owners

Barking dogs - Penalty: $200 to $5000

While dogs are allowed to bark, they are not allowed to bark excessively in a way that causes a nuisance.

Dog droppings - Penalty: $50 to $5000

Dog droppings are a source of annoyance to the users of footpaths and public recreation areas.

Most local governments have local laws in place that require a dog owner to remove their dog's droppings if the dog excretes in a public area. The penalty for failing to do this will vary between districts.

Dog attacks - Penalty: $3000 to $20,000

A dog attack is a very serious matter. In addition to harming other animals, a violent dog can inflict serious injury on children or the elderly.

If your dog attacks a person or another animal, you can be held responsible even if you are not there at the time. If the dog causes serious injury to someone, you may even receive a jail sentence.

Dog registration - Penalty: $200

A dog owner is legally required to register the dog with the appropriate local government once the dog is 3 months or older.

To register your dog, contact your local government for a registration form and a list of applicable fees.

Registration tags - Penalty: $200

A registered dog is required to wear a collar with a valid registration tag. This tag will be issued by your local government when you pay your registration fee.

Microchipping - Penalty: $200 to $5000

All dogs must be microchipped once they reach 3 months of age.

Non-microchipped dogs cannot be sold or transferred to a new owner. This rule applies even if the dog is under 3 months of age.

Dogs may be exempt from receiving a microchip if they cannot receive one due to medical grounds. In those situations, the owner will need to obtain a medical exemption certificate from a registered vet.

Page 2 of 4 – Fact Sheet – Laws for Dog Owners

Dangerous dogs

The Act has specific obligations which apply to:

- restricted breed dogs.
- commercial security dogs.
- dogs who have previously committed a dog attack.

In many cases, the penalty issued for an offence under the Act will be doubled if a dangerous dog is involved. Dangerous dogs also have specific requirements regarding collars, muzzling and general confinement.

The dangerous dog fact sheets on the department's website set out this information in further detail.

Dog Local Laws

Each local government can introduce local laws on a range of matters, including the number of dogs which can be kept on the premises.

For further information on your local laws, please contact your local government.

If you wish to inspect your district's dog local law, a copy can be freely accessed on the department's local law register.

Review of decisions

Dog owners have a right to seek a review of certain decisions made under the Act, if the owner believes the decision was incorrect.

These decisions can be internally reviewed by the local government or they can be appealed in the State Administrative Tribunal.

This right of appeal applies to:

- a decision on whether excess dogs may be kept on the premises.
- a local government's refusal to register your dog.
- an order declaring that your dog is dangerous.
- the seizure of your dog.
- a dog destruction order.

If you wish to have one of these decisions reviewed, you should notify the local government as soon as possible and consider obtaining legal advice.

Page 3 of 4 – Fact Sheet – Laws for Dog Owners

NEW SOUTH MURCHISON FIRE WEATHER DISTRICT

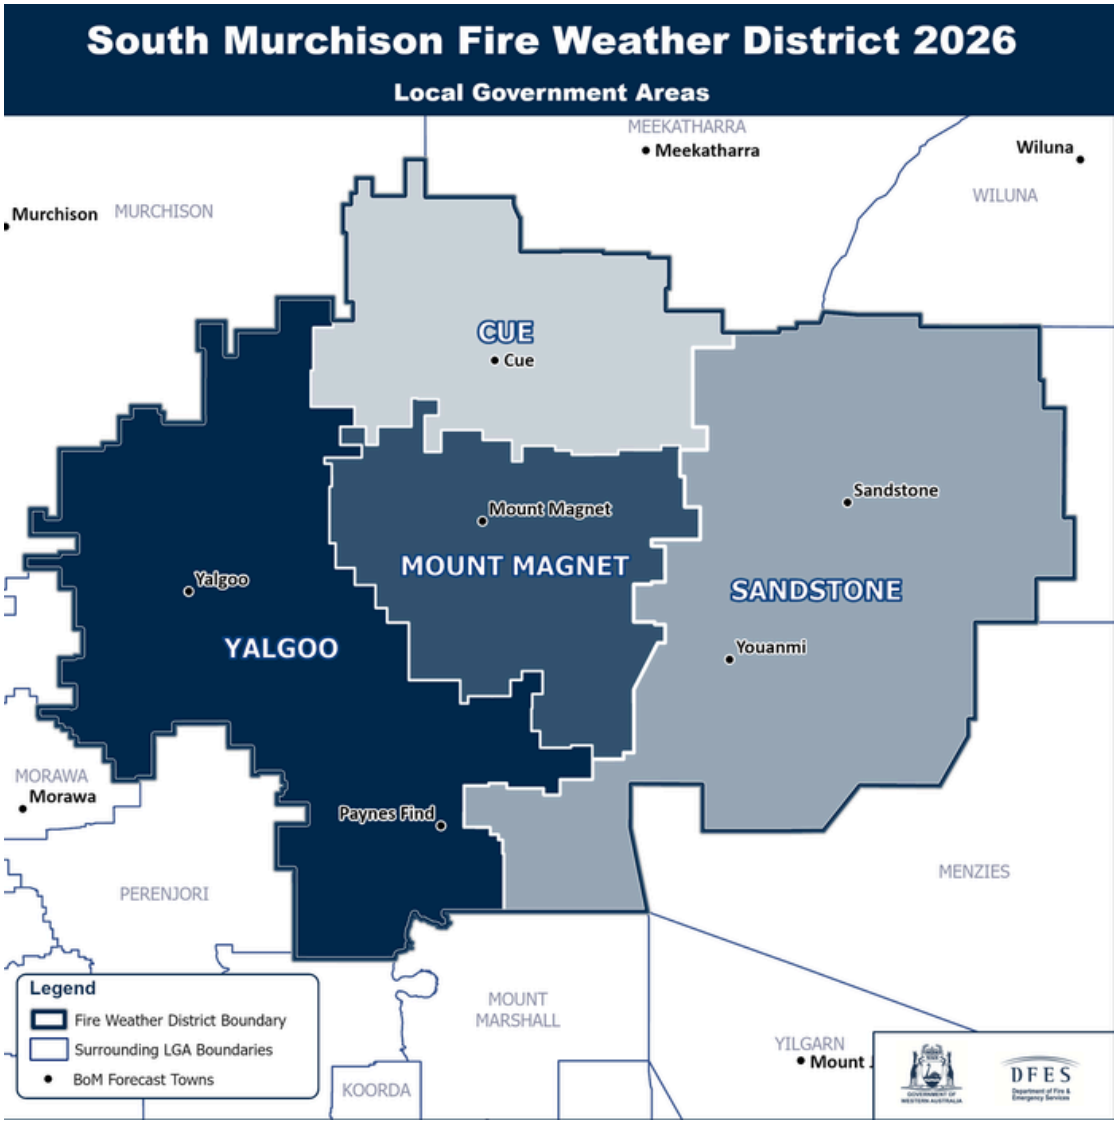

The community is advised that a new South Murchison Fire Weather District has been established following a review of Fire Weather Districts across the region.

As part of the review, consideration was given to the different vegetation and fire fuel types found throughout each area. It was identified that the Shires within the South Murchison share similar fuel types and fire conditions.

Bringing these areas together under the new South Murchison Fire Weather District will help provide fire danger ratings that more accurately reflect the conditions experienced across our region.

Information and maps showing the boundaries of the new South Murchison Fire Weather District are included for community reference.

Residents are encouraged to continue monitoring local fire danger ratings, Total Fire Bans and emergency information, particularly during the warmer months and periods of increased fire risk.

FROM THE PRESIDENT

Raul Valenzuela
PH: 0448 779 241 | Email: threerv@hotmail.com

What an amazing day we had at the Yalgoo Family Fun Day on Friday, 9 October 2026!

We were absolutely thrilled to welcome over 200 people, including more than 85 children, who came together to enjoy a fantastic day of fun, laughter, activities and entertainment! It was wonderful to see families and visitors travelling from Geraldton to Wiluna and everywhere in between to support our little community. The weather may have been a little cool, but that certainly didn't stop the children from having an absolute ball! ❤️

A VERY SPECIAL THANK YOU TO OUR SHIRE WORKERS!
A massive thank you to our incredible Shire of Yalgoo employees, who worked tirelessly behind the scenes to make this event possible.

From the weeks of planning and preparation to setting up, assisting throughout the day, packing away and cleaning up afterwards, your dedication, teamwork and willingness to go above and beyond did not go unnoticed.

Many of you put in extra hours and worked incredibly hard to ensure our community and visitors had a memorable day.

Without our hardworking Shire workers, events like this simply wouldn't happen. Your efforts are truly appreciated, and you should all be very proud of what we achieved together!

We would also like to sincerely thank our Yalgoo Police for their continued support, involvement and willingness to lend a hand at community events.

Your commitment to our little town and the positive relationships you build with our families and children are greatly appreciated. It's fantastic to have our local police supporting events that bring everyone together.

A huge **thank you to Horizon Powe**r for generously sponsoring our Family Fun Day.

We would also like to acknowledge Perth's Fun Depot, Jasmine and her wonderful Art Table Team, DJ Rev, LUFF VISUALS, Midwest Sound and Lighting, the Karloo Rockers, Yalgoo St John Ambulance, Yalgoo Hotel, our stallholders, volunteers and everyone who contributed their time and effort.

Your support helped make the day such a wonderful success!

FROM THE PRESIDENT

AND FINALLY, THANK YOU TO OUR COMMUNITY!
To everyone who attended, whether you travelled from out of town or simply walked down the street, THANK YOU!

Seeing more than 85 children enjoying themselves, families spending quality time together and over 200 people supporting our event made all the hard work worthwhile.

Yalgoo may be a small town, but we certainly know how to come together and put on a great day!

We are so grateful for the continued support of our community, visitors, sponsors and everyone who helps make these events possible.

Here's to keeping our little town alive with community spirit, laughter and wonderful memories!

THANK YOU, EVERYONE – WE CAN'T WAIT TO DO IT ALL AGAIN!

Shire of Yalgoo – Bringing Our Community Together!

Road Maintenance Works
Our hardworking Shire Depot crew have been busy carrying out much-needed road maintenance along the Yalgoo–Ninghan Road and Yalgoo–Morawa Road, filling potholes and improving road conditions for motorists.

A big thank you to our Shire crew for their continued hard work and dedication to keeping our roads safe and accessible. We appreciate the effort that goes into maintaining our vast road network, particularly with the challenges of working in regional areas.

Traffic Control Training – A Missed Opportunity for Locals
Recently, the Shire of Yalgoo hosted a Traffic Control Training Course, providing a fantastic opportunity for local community members to gain valuable skills and qualifications that could lead to future employment.

Unfortunately, despite the course being open to the wider community, no local residents took advantage of this opportunity, apart from our Shire employees.

It was disappointing to see such a low level of community interest, especially when opportunities like these are brought directly to Yalgoo to help our residents gain new skills, build confidence and improve their chances of securing employment.

The Shire continues to look for ways to support our community through training and employment opportunities. However, we also need our locals to get involved, show interest and make the most of what is being offered.

These opportunities don't come around every day, particularly in a small regional town like ours. When they do, we strongly encourage everyone to get involved and have a go!

FROM THE PRESIDENT

Bringing More Health Services to Yalgoo

We are currently working with WA Country Health Service to explore opportunities to bring additional health services to Yalgoo.

One of our priorities is arranging a visit from the Mobile BreastScreen Mammogram Service, making breast screening more accessible to women in our community without the need to travel long distances.

We are also looking into opportunities to have dental services and psychological support services for children visit Yalgoo.

Access to healthcare can be challenging for people living in regional and remote communities, and we understand how important these services are for our families, children and seniors.

While arrangements are still being discussed, we are hopeful that we can bring these much-needed services closer to home.

Further information will be shared with the community as plans progress.

Upcoming Visit to Cue Parliament

Coming up soon, a few of our Shire Councillors, CEO and I will be attending Cue Parliament.

This will be a valuable opportunity to represent our small community, strengthen relationships and highlight the needs and priorities of Yalgoo.

As a small regional town, it is important that our voices are heard and that we continue advocating for better services, infrastructure, employment opportunities and support for our residents.

We look forward to representing Yalgoo and continuing to work towards positive outcomes for our community.

Working Together for a Better Yalgoo

The Shire of Yalgoo remains committed to improving our town, creating opportunities and ensuring our community continues to move forward.

Whether it's maintaining our roads, bringing training opportunities to town, improving access to health services or advocating for our community at a government level, there is always work happening behind the scenes.

But building a stronger Yalgoo takes all of us!

We encourage our residents to get involved, support local initiatives and take advantage of the opportunities available.

Together, we can continue making Yalgoo a great place to live, work and raise our families.

FROM THE CEO'S DESK

Ian Holland

PH: 0417 484 840 | Email: ceo@yalgoo.wa.gov.au

Firstly, I would like to remind all residents and visitors of the importance of respecting our town, public facilities and one another.

Antisocial behaviour, including fighting, vandalism and damage to public property, is unacceptable and has a negative impact on our entire community.

These incidents result in costly repairs, increased security measures such as CCTV, and additional pressure on Shire resources.

Money spent repairing damage and addressing antisocial behaviour is money that could otherwise be used to provide community events, activities and improvements for everyone to enjoy.

The Shire works hard to provide a safe, welcoming and enjoyable environment for all residents, families and visitors.

I ask everyone to take pride in our town, respect public property and help keep Yalgoo a safe and welcoming place.

Let's work together to look after our town so we can continue providing great opportunities and events for our community.

The Shire of Yalgoo held its Community Veterinary Program on Wednesday 14 and Thursday 15 October 2026, providing local residents with the opportunity to access important veterinary services for their much-loved pets.

The program was a great success, with a fantastic response from community members taking advantage of the opportunity to have their dogs and cats desexed, vaccinated and microchipped.

These services play an important role in promoting responsible pet ownership, preventing unwanted litters and ensuring our furry friends remain healthy and protected.

A big thank you to all the community members who registered their pets and participated in the veterinary program.

It was wonderful to see residents taking the opportunity to care for their animals and support responsible pet ownership in our community.

Programs like this are especially important for small regional towns like Yalgoo, where accessing veterinary services can often mean travelling long distances.

Thank you to everyone involved in making the Yalgoo Veterinary Program a success.

Together, we are helping to keep our pets happy, healthy and safe! 🐶🐱🐾

WALGA CONVENTION 2026

The Shire of Yalgoo's Chief Executive Officer (CEO) and Councillors recently attended the 2026 Western Australian Local Government Association (WALGA) Convention.

The convention provided a valuable opportunity for local government representatives from across Western Australia to come together, share ideas, discuss important issues affecting regional communities and explore ways to improve services and opportunities within their respective Shires.

It was also a great opportunity for our CEO and Councillors to network with other local government representatives, gain valuable insights and learn about new initiatives that may benefit the Yalgoo community.

Attending events such as the WALGA Convention helps ensure that the Shire of Yalgoo continues to stay informed, build strong relationships and advocate for the needs of our small regional community.

SHIRE OF YALGOO PURCHASES NEW FUEL TANKER

The Shire of Yalgoo has recently purchased a new fuel tanker to assist with the day-to-day operations of our Works and Services team.

The new tanker will be a valuable addition to the Shire, helping our crew run machinery and equipment throughout the Shire.

With the vast distances our team travels while maintaining roads and carrying out essential works, having reliable equipment is important to keeping operations running smoothly.

This purchase is another investment in improving the efficiency of our Shire operations and supporting our hardworking outdoor crew as they continue maintaining our roads and infrastructure.

JOIN THE YALGOO BUSH FIRE BRIGADE – VOLUNTEERS WELCOMED!

With the warmer weather approaching and fire season just around the corner, the Yalgoo Bush Fire Brigade is welcoming community members to come forward and become volunteers!

The more volunteers we have, the stronger and better prepared our community will be during fire season.

If you are interested in becoming a member, simply visit the Shire of Yalgoo Administration Office, complete a membership application form and find out how you can get involved.

Whether you're looking to learn new skills, give back to your community or lend a helping hand when needed, volunteering with the Bush Fire Brigade is a great way to make a difference.

COMMUNITY DEVELOPMENT

Elisha Hodder
PH: 0419 325 964 | Email: cdo@yalgoo.wa.gov.au

Father's Day Lunch at the Yalgoo Hotel

The Shire of Yalgoo celebrated Father's Day with a lovely lunch at the Yalgoo Hotel on Saturday, 5 September 2026.

It was a wonderful afternoon filled with good food, great company and plenty of laughs. Everyone who attended thoroughly enjoyed themselves, and the delicious meal was certainly a highlight of the day!

A big thank you to the Yalgoo Hotel for providing such a beautiful meal and warm hospitality. Your efforts were greatly appreciated.

We would also like to thank all the dads and community members who came along to celebrate and make the afternoon special.

We hope all our Yalgoo dads had a fantastic Father's Day, and we look forward to celebrating with you again next year!

Yalgoo Blue Light Disco – A Fabulous Night for the Kids

The Yalgoo Blue Light Disco was held on 24 September and was a fantastic evening of fun for our local children and families.

The event was organised by Yalgoo Police, with support from Yalgoo Primary School and the Mullewa Community Partnerships Officer. The kids had a fabulous time dancing, having fun and enjoying the evening together.

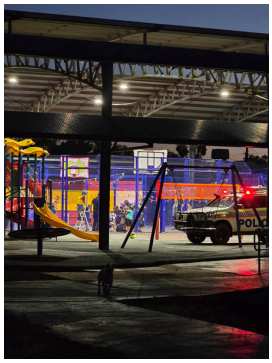

A big thank you to 29Metals Golden Grove for supplying the delicious cake for everyone to enjoy.

It was wonderful to see so many families attend and show their support for a great community event. Thank you to everyone involved in making the Blue Light Disco such an enjoyable night for our Yalgoo kids! 💙🎶

Seniors Morning Tea – Only Two More Gatherings for 2026!

As the year quickly comes to an end, we have just two Seniors Morning Tea gatherings remaining for 2026!

Our final morning teas will be held on:

- Tuesday, 17 November 2026
- Tuesday, 15 December 2026

We hope all our wonderful seniors have enjoyed their morning teas throughout the year. These gatherings are a lovely opportunity to catch up, share a laugh, enjoy a cuppa and spend some quality time together.

A special thank you to Diane for stepping in, overseeing and keeping our Seniors Morning Tea gatherings running smoothly while Elisha was away. Your time, effort and dedication are truly appreciated!

We would also like to thank all our seniors who have attended throughout the year. It's always wonderful to see everyone coming together and enjoying each other's company. Dates for the 2027 Seniors Morning Tea gatherings will be advertised in the next edition of the Yalgoo Bulldust.

We look forward to seeing everyone at our final two gatherings and hope to continue making more wonderful memories in the new year!

BINGO NIGHT – LAST ONE FOR 2026!

Come along and join us for our final Bingo Night of the year, happening on Thursday, 12 November 2026, at the Yalgoo Core Stadium!

With plenty of great prizes up for grabs, lots of laughs and a fun-filled evening, it's a great opportunity to get together with friends and enjoy some friendly competition.

Doors open at 5:30pm, with games kicking off at 6:30pm. A light dinner will also be provided.

Please note: This is an adults-only event.

Let's make our last Bingo Night for 2026 a great one! Bring your lucky charm, enjoy the company and see if you can finish the year with a win!

We hope to see you all there! 🎉

Yalgoo Family Fun Day 2026
What a Fantastic Turnout!

The Shire of Yalgoo held its second annual Yalgoo Family Fun Day on Friday, 9 October 2026, and what a fantastic day it was!

With over 200 people attending from Geraldton to Wiluna and just about every town in between, it was wonderful to see so many families, visitors and community members come together for a day filled with fun, laughter and entertainment.

Although the weather was a little on the cool side, that certainly didn't stop the kids from making the most of the day! From the exciting rides and activities to the arts and crafts, there were plenty of happy faces and lots of laughter throughout the day.

A huge thank you to Perth's Fun Depot for supplying the fantastic fun equipment that kept the kids entertained, and to Jasmine and her wonderful Art Table Team for providing a creative space where the children could show off their artistic talents.

A special thank you to the Yalgoo Hotel for opening early to cater for the hungry crowd and making sure everyone was well fed throughout the day.

We also thank DJ Rev for bringing his amazing energy, music and enthusiasm, setting the atmosphere and keeping the good vibes going throughout the event.

As the sun went down, the entertainment continued with the Karloo Rockers, who brought the evening to life with their fantastic live music. A massive thank you to the band for travelling to Yalgoo and providing a wonderful night of entertainment for everyone to enjoy. It was the perfect way to finish off a great day!

A special thank you also goes to Midwest Sound and Lighting for providing the professional sound and lighting equipment, ensuring the entertainment ran smoothly and helping create a fantastic atmosphere throughout the event.

A big thank you to LUFF VISUALS and all our wonderful stallholders who helped make the day such a success. Your time, effort and contributions are truly appreciated.

A very special thank you to our valued sponsor, Horizon Power, for their generous support of the Yalgoo Family Fun Day 2026. Your sponsorship played an important role in helping us bring this wonderful event to our small community. We are extremely grateful for your contribution and continued support of regional communities. Without the generosity of sponsors like Horizon Power, events like these would not be possible.

It was fantastic to see our little town come alive with so many visitors, families and smiling faces. Events like these are all about bringing people together, creating memories and strengthening our community spirit.

On behalf of the Shire of Yalgoo, thank you to everyone who travelled near and far to support our Family Fun Day. Your attendance and support made the day a huge success! We look forward to making next year's Family Fun Day even bigger and better!

YALGOO POLICE STATION

Officer in Charge, Sergeant Andrew HERANGI

PH: 9962 8500 | Emergency call 000

Yalgoo Police – Keeping Our Community Safe and Connected
It has certainly been a busy couple of months for our local Yalgoo Police, but in the best possible way!

From the Variety Bash at Pia Wadjarri to the Yalgoo Blue Light Disco and the Yalgoo Family Fun Day, it has been wonderful to get out and about, spend time with our local children and families, and see our communities coming together to enjoy these fantastic events.
The Yalgoo Police Blue Light Disco was another great success, bringing plenty of smiles, laughter and fun to our young people. We would like to sincerely thank Yalgoo Primary School for donating prizes, the Shire of Yalgoo for its generous financial assistance, Yalgoo Shop for its support, and Blue Light WA for its ongoing commitment to supporting community activities.

A massive thank you also goes to all our wonderful volunteers, family members and friends who generously gave their time to help make these events possible. Whether it was setting up, lending a hand or helping behind the scenes, your support was absolutely invaluable and greatly appreciated.

While community engagement is an important and rewarding part of policing, we also want to remind everyone that Yalgoo Police remains available 24 hours a day, 7 days a week, and is committed to keeping our town and surrounding communities safe.

Family violence has no place in our community. Yalgoo Police will continue to take a firm approach to family violence, antisocial behaviour, excessive noise, drug-related offences and unsafe driving.

We encourage everyone to look out for one another, respect their neighbours and take pride in our wonderful little town.

Look after each other. Look after our community. Be proud of your town.

Keeping Yalgoo safe remains our number one priority.

Kind Regards,
Sgt Andrew HERANGI
Officer in Charge
Yalgoo Police

Department of Education
GOVERNMENT OF WESTERN AUSTRALIA

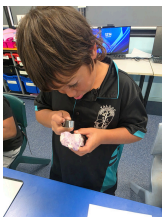

YALGOO PRIMARY SCHOOL

Celebrating Culture, Connection and Community at Yalgoo.

Exciting Learning Experiences and a Wonderful Term 4 Ahead!

Exciting things are always happening at Yalgoo Primary School! Our students have been embracing a wide range of learning experiences, and Term 4 is shaping up to be another busy, rewarding time for our school community.

Exploring Geology – Discovering the Rocks Beneath Our Feet!

One recent learning highlight was a visit from Mr Hamish Cowie, Senior Geologist at Rumble Resources, who delivered a fascinating presentation on geology and the world beneath our feet.

Our students explored the wonderful world of rocks, minerals and the geological features of our local region. Living in an area with such a rich mining history, students found it particularly meaningful to connect their classroom science learning with the environment around them.

The presentation sparked curiosity and enthusiasm, while introducing students to the important role geology plays in our community and the exciting career opportunities available in science and the resources industry.

Who knows? We may have a future geologist or two among our students!

A sincere thank you to Mr Cowie and Rumble Resources for sharing their time, knowledge and expertise. We look forward to continuing this valuable partnership.

On-Country Learning – A Journey Back in Time at Muralgarra Station!

On Friday, 16 October, Yalgoo Primary School students enjoyed a memorable on-Country learning experience at Muralgarra Station as part of our Two-Way Science program.

We were privileged to have **Yalgoo Elder Pop Patrick Simpson** share his cultural knowledge, personal stories and experiences of working as a stockman at the former sheep station.

CONTINUE ON NEXT PAGE →

Students explored historical buildings, including the old Morrissey homestead and Pop Patrick's former living quarters, while investigating local plants, animals and insects. A highlight was visiting the old sheep mustering yards, where Pop Patrick explained traditional station practices and shared fascinating memories of life on the land.

Students also participated in meaningful discussions about caring for Country and protecting our natural environment.

A heartfelt thank you to Pop Patrick Simpson for sharing his invaluable knowledge, Miss Janet Depiazzi for organising this wonderful experience, Miss Coralie Hill for driving the bus and supporting students, and our dedicated staff.

This excursion beautifully connected **Aboriginal knowledge, local history, science and learning on Country,** creating lasting memories for our students

Sport, Teamwork and Healthy Living

Our students have been thoroughly enjoying the sporting and wellbeing opportunities provided through our partnerships with the Stephen Michael Foundation (SMF) and Geraldton Sporting Aboriginal Corporation (GSAC).

Both programs are now underway, providing students with engaging activities that promote physical fitness, teamwork, cooperation, resilience and positive relationships.

The Stephen Michael Foundation sessions focus on developing important life skills through sport, encouraging students to work together, support one another and demonstrate our school values of **Caring, Sharing and Daring.**

Our ongoing partnership with GSAC also gives students valuable opportunities to participate in sporting activities, build confidence, and develop healthy lifestyle habits.

We are extremely grateful to both organisations for their continued commitment to supporting our students and providing meaningful opportunities in our small regional community.

Celebrating Our School Values

Our Positive Behaviour Support (PBS) program remains an important part of everyday life at Yalgoo Primary School.

Through our weekly PBS assemblies, Golden Tickets and student recognition awards, we celebrate children who consistently demonstrate our school values of **Caring, Sharing and Daring.**

YALGOO PRIMARY SCHOOL

Celebrating Culture, Connection and Community at Yalgoo.

This term, we are placing a particular emphasis on being friendly and kind to ourselves and others, showing respect, supporting our peers and making positive choices.

Regular attendance also remains a priority. Through our In the Blue initiative, we recognise and celebrate students who achieve attendance rates of 90% or above.

Every school day matters, and we thank our families for their ongoing support in encouraging regular attendance and a positive attitude towards learning.

Creativity and the Arts

Our students have some exciting creative learning opportunities to look forward to this term.

On Friday, 6 November, we will travel to Geraldton Museum to explore the Costarella: Fashioning a Legacy exhibition.

Students will discover the work of renowned Australian fashion designer Aurelio Costarella and participate in a hands-on creative activity, designing their own fashion accessory inspired by the exhibition.

We also look forward to participating in the Earbus Bus Artwork Competition, another wonderful opportunity for students to express their imagination, creativity, and artistic talents.

Welcoming Our Future Kindergarten Students

A key focus in Term 4 is preparing our youngest learners for their exciting journey into school in 2027.

Our Kindergarten transition sessions will give children and families opportunities to explore the classroom, meet our staff, and become familiar with the school environment.

We will also work closely with visiting allied health professionals to support a smooth, positive and successful transition into school.

We look forward to welcoming our newest students and their families into the Yalgoo Primary School community.

Connecting with Our Community – Friday Breakfasts

Our Friday Community Breakfasts remain a much-loved tradition at Yalgoo Primary School, bringing together students, families, staff, and community members.

These gatherings provide a wonderful opportunity to strengthen relationships, enjoy conversations and celebrate the close connections that make our small school so special.

We would like to extend a **special thank you to Mr Clive**, who generously gives his time to prepare and cook breakfast for our students and families. We greatly appreciate his kindness and dedication. We also sincerely thank our wonderful staff members, who help make these breakfasts such a welcoming and enjoyable occasion each week.

CONTINUE ON NEXT PAGE →

YALGOO PRIMARY SCHOOL

Celebrating Culture, Connection and Community at Yalgoo.

We warmly invite all families and community members to join us every Friday during Term 4, commencing at 8:00 am. Everyone is welcome!

Looking Ahead to the End of the Year

As we approach the end of another school year, we look forward to celebrating every student's achievements, growth, and successes.

We are particularly excited to recognise our Year 6 students as they prepare to transition to secondary school and begin the next chapter of their educational journey.

At Yalgoo Primary School, we believe that being a small school is one of our greatest strengths. Our students benefit from individualised support, strong relationships and wonderful opportunities made possible through the generosity of our community partners.

On behalf of our staff and students, I would like to extend a heartfelt thank you to our families, community members, the Shire of Yalgoo, Golden Grove 29Metals, and our many other partner organisations for their continued encouragement, generosity and support.

Your contributions make an enormous difference to the opportunities we can provide for our students, and we are truly grateful to be part of such a caring and supportive community. Together, we are creating meaningful opportunities for our children to learn, grow and thrive.

Golden Grove Investigates Renewable Energy Project

Golden Grove is currently investigating the feasibility of an onsite renewable energy project, comprising solar, wind and battery energy storage systems.
This investigation will help us assess whether onsite generation can reduce long-term energy costs. It includes an assessment of potential impacts on native flora and fauna in and around the proposed locations, to inform site selection.
(Proposed locations outlined in orange on below map)

Should the projects be deemed feasible, they will proceed through the required approvals process. This will include consultation with key community stakeholders and both Traditional Owner groups, along with a heritage survey of the proposed areas.
Solar footprint is up to 60 ha, and wind turbine footprint is ~2 ha each in addition to access roads.
We plan to hold an onsite consultative forum in early 2027 to review these projects and share further information.

Golden Grove is committed to keeping all stakeholders informed throughout this process. Please feel free to contact me by email with any questions, feedback or requests for further information.

STATE LIBRARY OF WESTERN AUSTRALIA

FREE ERESOURCES

The State Library has a wide and growing range of electronic resources available for use by members and visitors. These include apps, eBooks, online journals, audio books, eMagazines, current and historical newspapers and content services such as Ancestry and Kanopy. Many of these are available from home.

Sign up for your free **State Library membership** to get instant access.
You can also access many **eResources with your Public Library membership**.

eBooks and eAudioBooks

Download free eBooks, listen to an eAudiobook or join an online book club.

eNewspapers and eMagazines

The State Library subscribes to many local, national and international newspapers and magazines in electronic format.

Films and music

Stream free films, documentaries and music.

Family history

Explore your family history. Some resources are accessible at home, and others only within the State Library.

For families

Access video content and digital books for children of all ages.

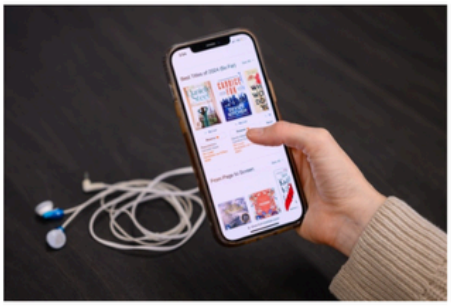

For public library members

Free access.

For teachers and students

Educational eResources.

Mobile apps

The State Library now provides members with access to resources in app form.

Nonfiction and research

Discover nonfiction eResources for FREE with your State Library membership.

STATE LIBRARY OF WESTERN AUSTRALIA

FREE ERESOURCES

Featured eResources

Hoopla

Library members can borrow movies, music, audiobooks, ebooks, comics and TV shows to enjoy on their computer or mobile device with no holds or waiting.

Ancestry Library Edition

Ancestry has 1.5 billion names in over 4,000 databases used to assist family history research from Australia, United Kingdom and all around the world.

BorrowBox

BorrowBox provides access to WA Public Libraries' fiction and LOTE eBook, eAudiobook and eMagazine collection.

Different forms of access

Most of these eResources are available for State Library members to use from anywhere with an internet connection. Many are also available to members of WA public libraries via the Western Australia Public Libraries Digital Media Collection.

Some, however, are only available onsite at the State Library. If you are unsure, please visit the Library or contact us for further information.

To access eResources from outside the Library you must:

- Be a Western Australian resident
- Join the State Library
- Read the eResources conditions of use

You may also access certain eResources using a Library card from your local WA Public Library. Contact your local library for more information about available eResources and how to join.

DoTDirect makes it easier to pay your licences and manage details online.

How to register

Registering for DoTDirect is easy. All you need is:

- A unique email address and your WA driver's licence; and
- A vehicle licence or a registration code

Once your individual account is created, you can register for an organisation account as well to access a range of services for business.

Need more help? View our DoTDirect FAQs for more information.

WA Centre for Rural Health

Allied Health Student Outreach Services Snapshot 2026

WA Centre for Rural Health (WACRH) allied health students provided services to the communities of Mount Magnet, Cue and Yalgoo during April, May and June in 2026. Here is a snapshot of our activities:

27 Total number of allied health students

6 Total number of WACRH supervising health professionals

Numbers of allied health students:

- **7** Speech Pathology
- **6** Occupational Therapy
- **6** Dietetics
- **4** Dental
- **2** Physiotherapy
- **2** Optometry

Activities:

- **4 days** Vision Assessments
- **4 days** Oral Health Checks
- **6 days** School holiday activities with the Shire of Cue & Yalgoo
- **8 weeks** Nutrition activities & support for Mt Magnet District High School Breakfast Club & EON community garden programs
- **16 weeks** Speech Pathology & Occupational Therapy assessment, therapy & after school programs

We thank all of the services who have supported our students in your community including Ramelius Resources, GRAMS, health centres, Mount Magnet District High School, Yalgoo Primary School, Cue Primary School, Shire of Yalgoo, Shire of Cue, & GSAC.

What is H5 bird flu?

H5 bird flu

is the most serious type of bird flu.

It mainly affects wild and domestic birds, but can also infect some mammals. It has killed millions of animals worldwide.

How it spreads and the impacts

H5 bird flu can infect and kill wild birds.

It can spread to other birds and some mammals. Human infection is rare.

This can impact food supply, the environment and the economy.

If you see sick or dead animals

- **Avoid** contact and keep your distance
- **Record** date, time, location and take photos
- **Report** to Emergency Animal Disease Hotline

Wellness WEDNESDAYS SERIES

WEEK 1. Guided Meditation with Sound, with Helen Day
Relax and let go as you are guided through visualisation and meditation. Sound is used to move energy while helping you stay grounded and connected to your body. The session will help you shake off the energy of the day and settle into a deep state of relaxation.
Wednesday, 17th June | 6pm-7:30pm | Cost: $15
The Merc Lounge, 159 Marine Terrace, Geraldton

WEEK 2. Art Therapy, with Dakhylina
Did you know that art therapy can help you cope with difficulties and stress, and speed up the recovery process? In this session you will be guided by your bodies innate desires and impulses to create movements, all while creating some visual art by the end.
Wednesday, 24th June | 6pm-7:30pm | Cost: $15
Desert Blue Connect Studio, 28 Durlacher Street, Geraldton

WEEK 3. Meditation with Essential Oils & Self-Care, with Kym Coulthard
A practical 90-minute session on stress relief and self-care. You'll leave with tools you can use immediately. No experience needed, no pressure, just a space to breathe and reconnect with yourself.
Wednesday, 1st July | 6pm-7:30pm | Cost: $15
Desert Blue Connect Studio, 28 Durlacher Street, Geraldton

SCAN HERE

WEEK 4. Yin Yoga, with Flow Yoga Studio
Settle into stillness, allowing the body to gently open and the mind to gradually quiet. The long, patient holds give space for our deeper tissues to release, our breath to slow, and our nervous system to reset.
Wednesday, 8th July | 5pm-6pm | Cost: $15
Flow Yoga Studio, 158B Chapman Rd, Geraldton

WEEK 5. Aroma Therapy, with Helen Day
Discover the benefits of essential oils and natural living. Focused on boosting wellness and keeping winter bugs at bay, this hands-on session will guide you through creating your own take-home oil blends.
Wednesday, 15th July | 6pm-7:30pm | Cost: $15
Desert Blue Connect Studio, 28 Durlacher Street, Geraldton

Join us for one or all of them! This beautifully curated series of wellness events for women will help you move into the winter months feeling safe, nurtured, and like your best self in no time. It's so important to look after our mind, body, and soul, and this series of affordable wellness events is designed to do exactly that. Go on, it's time to be looking after ourselves!

Diphtheria factsheet

What is diphtheria?

Diphtheria is a serious infection caused by *Corynebacterium diphtheriae* (or sometimes *Corynebacterium ulcerans*) bacteria. Some strains of the bacteria produce a toxin (poison) that can cause severe illness.

Diphtheria was previously very rare in Australia due to high vaccination rates and improved living conditions. However, cases have recently re-emerged in parts of Australia, including Western Australia.

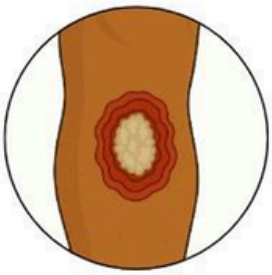

What are the signs and symptoms of diphtheria?

Symptoms usually appear 2 to 5 days after exposure (but can range from 1 to 10 days). Diphtheria can affect the throat or the skin.

Respiratory (throat) diphtheria

- Often starts like a cold with sore throat, fever and chills
- Can cause a thick greyish-white coating in the back of the nose or throat
- May cause swollen, painful glands in the neck
- Can worsen, making it difficult to breathe or swallow
- Can become life-threatening.

Cutaneous (skin) diphtheria

- Can start from a cut or wound that becomes infected
- Usually appears as sores or ulcers that are slow to heal, often on the legs
- May be covered with a grey, moist scab
- Is usually less severe but can still spread to others.

Complications are uncommon; they mainly occur in severe respiratory (throat) diphtheria and are caused by the toxin (poison) produced by the bacteria. They can include heart inflammation, nerve damage causing weakness or paralysis, or kidney damage.

In severe cases, paralysis can affect the diaphragm (breathing muscle), leading to pneumonia or severe breathing problems (respiratory failure). Around 5-10% of severe cases are fatal, even with treatment.

How is diphtheria spread?

Diphtheria spreads through close contact with an infected person:

- breathing in droplets from coughing or sneezing
- direct contact with saliva, respiratory secretions, or infected skin sores
- contact with contaminated items such as bandages, towels or utensils.

People can spread the infection from shortly before symptoms start until they are treated with antibiotics.

What should I do if I have symptoms?

- **See a doctor as soon as possible** if you have a sore throat, or skin sores that are not healing.
- **Seek urgent medical care** if you have a sore throat with fever **and** difficulty breathing or swallowing.
- **Call ahead** before going to a clinic or hospital so they can take appropriate precautions, wear a mask if you have throat symptoms, and cover any skin sores.

Diphtheria is confirmed by testing a swab from the throat or skin sore in a laboratory.

health.wa.gov.au

22 May 2026

How can diphtheria be prevented?

Vaccination is the most effective protection against diphtheria. Make sure you and your family are up to date with vaccinations, including booster doses for teenagers and adults. Diphtheria vaccine is usually given in combination with tetanus and pertussis (whooping cough) as DTPa or dTpa, or with tetanus as dT.

You can also reduce the risk of infection and help prevent spread to others by:

- covering your mouth and nose when coughing or sneezing
- throwing away used tissues in the bin
- washing hands regularly with soap and water, especially before preparing food, after coughing or sneezing, and before and after touching skin sores or dressings
- keeping sores and wounds clean and covered, such as with dressings or large band-aids
- avoiding close contact with people who are unwell, and staying home if unwell.

If you have diphtheria

- Diphtheria is treated with antibiotics – complete the full course: _____
- Seek urgent medical care if you are not improving on antibiotics or have difficulty breathing or swallowing – severe cases may need antitoxin to stop the toxin (poison) from causing further damage
- Get a booster dose if your last diphtheria-containing vaccine was more than 12 months ago.

Respiratory (throat) diphtheria

- Stay in hospital or at home away from others while you complete your antibiotics:
  - avoid contact with babies, older people, and those who are sick or have weakened immune systems
  - limit contact with others at home – wear a mask in shared areas if needed
  - avoid sharing items like towels or utensils
  - do not go to work, school, childcare or group gatherings – you may need a nose and throat swab after completing antibiotics to check you are no longer infectious before returning.

Cutaneous (skin) diphtheria

- You may have swabs taken to check for diphtheria bacteria in your nose and throat
- Keep sores or ulcers covered, ideally with a waterproof dressing – you may need regular wound care
- Do not go to work, school, childcare or group gatherings until you have had at least 3 days of appropriate antibiotics, and your sores or ulcers are improving and can be covered
  - avoid contact with babies, older people, and those who are sick or have weakened immune systems
  - avoid sharing towels or personal items.

Notifiable disease

Diphtheria is a notifiable disease, which means information about cases is shared with the Department of Health. This information is confidential. Public health staff may contact people with diphtheria to:

- help identify how the infection occurred
- identify contacts who may be at risk
- provide advice on testing, vaccination, treatment, and whether they need to stay at home.

WA Country Health Service

WA COUNTRY HEALTH SERVICE

Virtual Child Health Service

Connect with a child health nurse and other parents and carers online from a place that suits you. A FREE service for country WA families.

Early Parent Group

- For parents and carers of babies aged newborn to three months.
- Four one-hour sessions over four weeks – book into any session you choose.
- Meet others, share experiences and information on getting to know your baby, development and play, safety, sleep and settling.

Solid Start

- For parents and carers of babies aged three to six months.
- A one-hour session about when and how to introduce solid foods to your baby.

Let's Sleep

- For parents and carers of babies aged six to 12 months.
- A two-hour session about sleep patterns, bedtime tips and establishing good sleep routines.

Terrific Toddlers

- Two one-hour sessions for parents and carers of toddlers aged one to three years.
- Session one – behaviour and sleep.
- Session two – eating and teaching your child toileting skills.

Toilet Skills for Kindy

- A one-hour session for parents and carers of children aged 3-5 years.
- Overview of expected toilet skills for age and skills needed for independent toileting at school.
- Ideas to promote independence with toileting.
- Common road blocks and when to seek professional help.

Government of **Western Australia**
WA Country Health Service

WA COUNTRY HEALTH SERVICE

Virtual Child Health Service

Free for families across country WA

Got a question about your child?

Child health nurses are here to support, guide and reassure families with children from birth to three years.

Join us virtually from a place that suits you or face-to-face at your local service.

Purple Book checks

12 months (12–18 months):

- development, play, eating, sleep and toilet skills
- time to talk about what matters to your family.

Two years (two–three years):

- supporting learning, language and confidence
- stories, songs and a Better Beginnings book box voucher.

Virtual check-ins and parent support

Birth to three years:

- a quick chat if something doesn't feel right
- early advice and referrals if needed
- support for parents doing Triple P Online.

Your child. Your questions. Your choice.
Book your FREE virtual appointment today:

Royal Flying Doctor Service
WESTERN AUSTRALIA

Celebrating 100 Years in 2028

YOUR STORY COULD HELP SHAPE HISTORY

For almost a century, the Royal Flying Doctor Service has been there when Australians needed them most.

As part of the Royal Flying Doctor Service's 100th anniversary in 2028, THEATRE 180 is embarking on a major new community storytelling project celebrating the extraordinary impact of the RFDS on Western Australian lives and communities.

With the support of Lotterywest, THEATRE 180 is inviting people from across the state to share their personal experiences of the Royal Flying Doctor Service.

Whether it's a life-saving emergency, a routine medical appointment, a moment of kindness, a memory passed down through generations or careers spent flying in and out of remote locations, we want to hear from you.

No story is too big or too small.

THEATRE 180 will use these memories and experiences to help shape the creation of a radio play, exhibition and a new theatrical production honouring a century of courage, compassion and connection across regional and remote Western Australia. If the Royal Flying Doctor Service has touched your life in any way, we'd love to hear your story. Together, we can preserve these experiences for future generations and celebrate one of Australia's most iconic and vital services.

Every story is part of this remarkable history.

Together, let's honour 100 years of care, connection and community.

Send stories to:

Email: stories@theatre180.com.au

Australasian Bat Society

The Australasian Bat Society (ABS) is writing to you with news of a resource for Councils who may be contacted by residents who have, unexpectedly, found a bat (or bats) inside their home. Many councils and land managers have also discovered bats roosting inside government managed buildings, and can directly benefit from these guidelines. Following these guidelines helps keep the public safe

It is not only in rural and remote areas that bats may find themselves inside, also unexpectedly, someone else's home.

So whether you are a City, Municipal or City Council, this resource is something you and your staff will find useful.

AND ITS FREE!

That resource is at https://www.ausbats.org.au/bats-in-buildings-faq.html

Here are some example questions (and a summary of the answer) the resource can help you with:

There's a bat inside my house. What should I do?

There's no need to panic. As soon as you see a bat inside:

- Close any doors to other rooms to confine the bat to a single room.
- Turn off any overhead fans.
- Remove pets and/or children from the area. This makes it much easier to deal with and reduces stress for you and the bat.
- What should I do?

I've found a bat trapped in a jar/vase/bucket/sink/light fitting or similar container. What should I do?

First, try to assess whether the bat is trapped or simply roosting temporarily. If you are unsure, it is safest to contact a wildlife rescue group, bat carer or bat expert for advice as soon as possible. While waiting for advice:

- Keep the bat somewhere quiet, cool, and undisturbed.
- Keep pets and people away.
- Do not handle the bat with bare hands.

WHAT'S IN THE FAQ

Section 1: BATS INSIDE THE HOUSE

Section 2: PREVENTING ENTRY INTO LIVING/WORKING SPACES

Section 3: IDENTIFYING A BAT ROOST IN A BUILDING

Section 4: BATS ROOSTING IN OR AROUND BUILDINGS (CONFIRMED ROOST)

Section 5: CONCERNS ABOUT HEALTH AND SAFETY

Section 6: COEXISTENCE AND EXCLUSION

Section 7: BAT WASTE / CLEANING UP

Section 8: PETS AND BATS

Section 9: SUPPORTING AND ATTRACTING BATS

Section 10: LEARNING MORE ABOUT YOUR BATS

Do bat colonies cause structural damage?

Bats are not rodents, and do not nibble or gnaw wood or wires, and will not generally cause any structural damage. However, bat urine has high concentrations of uric acid, which corrodes metal and in high volumes can rot timber and stain ceilings

What we're trying to prevent

- A chocolate wattled bat maternity roost inside a bridge being destroyed and replaced with unmonitored bat boxes. A bridge with a large footed myotis maternity colony underwent repair work without relocating bats in advance - and dozens of bats were injured, killed or displaced, and expensive construction work was delayed while wildlife carers and ecologists were called. If the department coordinating the infrastructure repair had kept records of known microbat roosts, or noticed the large amount of bat droppings and audible squeaking sounds of the large colony during site visits, they could have been relocated by a qualified specialist, saving significant money, time, and preventing unnecessary mortality.
- A 'good news' story, of a 'successful relocation' of a Southern forest bat maternity colony, which turned out to be carried out without permits, where mothers were literally giving birth as they were evicted into an artificial roost that didn't resemble their original one. Unsurprisingly, the colony didn't survive.
- A white striped freetail bat maternity roost torn open during maternity season. Around 300 bats were suddenly exposed - pups too young to fly, mothers returning in distress, some bats trapped inside after the roof was sealed with expanding foam, leading to a mass mortality event.

Most people want advice, or reassurance, or simply to avoid making things worse. But without clear initial guidance, avoiding damage becomes difficult, often leading to dead pups, displaced colonies, and the loss of critical roosting habitat.

Need more?

1. Use the ABS Bat Finder

The **Australian Bat Society's Bat Finder** tool lets you explore bat species known to live in your local area.

2. Connect with citizen science and ID tools

Atlas of Living Australia: Browse recorded bat sightings in your region. **iNaturalist**: Upload photos or recordings and get ID help from the community. Facebook groups like Australian Mammal Identification or the Australian Bat Identification page can also help with bat identifications,- especially if you've found one roosting or grounded.

3. Bats in the classroom or community

Check out the resources and bat fact sheets
Keep an out for an Australasian Bat Night event near you here.

FuelWatch

Helping Mob get the best price on fuel.

Fuel prices are causing stress for many people. We know fuel is important for your community. If you are worried about fuel costs, there are ways to help. One of them is FuelWatch.

From 1 May, the WA Government's free FuelWatch service will expand to regional communities.

What is FuelWatch?

- FuelWatch is a free service from the WA Government.
- It shows fuel prices so people can compare prices and choose the best place to fill up.
- Fuel retailers must tell FuelWatch their next day's price by 2pm.
- That price must stay the same for 24 hours from 6am the next day.

How does this affect Community?

- Fuel retailers in remote and regional Aboriginal communities will join FuelWatch from 1 May.
- We understand this is a big change. The WA Government will support retailers as they move to the new system.
- We ask for your help to share this information with community members.

How can people use FuelWatch?

- Visit fuelwatch.wa.gov.au
- Use the ServiceWA app on your phone.
- Use the interactive map to compare fuel prices near you. The cheapest price is highlighted to make it easy to find.
- Sign up for email alerts to receive fuel prices in your area.
- If you do not have internet access, call Consumer Protection on 1300 30 40 54 during business hours for daily prices.

If a fuel retailer is not following the rules

Fuel retailers must sell fuel at the price they have put on FuelWatch. If they do not, they may receive a warning, $4,000 fine or court action.

If you think a local fuel retailer is charging the wrong price, contact us:

- Phone: 1300 30 40 54
- Email: fuelwatch@lgirs.wa.gov.au

For more information visit **www.fuelwatch.wa.gov.au**
