## Paynes Find - March/April 2014

Well March & April have been quiet months for social events, but our Highway is looking great. The road crew from Timberton, MRD and QTM have been working hard to complete the road works on Great Northern Hwy, as far as the eye can see, even our 5km truck bay is looking like new.

The team has been supported tremendously by the Paynes Roadhouse, with accommodation and their daily meals, starting off the day with a wholesome breakfast, their packed lunch and sometimes even a special lunch delivered to site, then returning at the end of a hard day's work, to sit down and enjoy a lovely evening meal, before retiring for their beauty sleep ready to start off the next day bright and early.

Thanks crew for the great work.

**Wednesday 9<sup>th</sup> April 2014**

A lovely morning was had by all when we were treated to an informal visit from the Shire, so they could check out Paynes Find and put us back on the map. A BIG thanks to Bruce, Silvio, Stan, Susan and all The Community, it is certainly a day to reflect on.

# Yalgoo Race Day Saturday 5 April

What a great day everyone had at the annual races.

Six races, plenty of horses, plenty of winners, great entertainment from DJ Rev and Faye, the bouncy castle, a Local Drug Action Group 'mocktail' stall, a fantastic home-made cake stall by locals and brilliant catering from George Hodder and his family.

We had 345 paying customers come through the gate and that does not include the under 18's who were all free and then there were all the volunteers, workers, trainers, strappers, jockeys, stewards etcetera...so we had probably about 450 people all up. A great turn up. The rain threatened but never caused any problems although the wind steadily increased through the day and right at the start of Race 5 – The Yalgoo Cup, we had an incredible wind blow up to cause a real spectacle as the horses competed for the Cup around the entire track.

The Yalgoo District Jockey Club would like to thank all of our very generous sponsors for making the races possible. The Shire of Yalgoo, MMG, Mount Gibson Iron, Local Drug Action Groups Inc., Mullewa Engineering Services, Proudloves Smash Repairs, Jason Signmakers, Coates Hire, Western Bros, Ferrowest, Drennan O'Malley Motors, Veen's Design & Drafting, Mine Trades and Maintenance, SinoSteel, Greenfield Technical Services, Murchison Rammed Earth, Yalgoo General Store, Yalgoo Hotel, Miners Rest Units - Mount Magnet, Young Motors, Combined Rural Traders, Furniture Spot, Battery Mart, Geraldton Hire and Scaffolding, Scarlet Monkey Jewellery, Geraldton Skin Technology, Face Facts Skin Care Centre, Gearing Butchers, Mick Davey Butchers, BBQ's Galore, Getaway Outdoors and Mid West Pest Management.

I also would like to thanks the many members of the committee and the community who contributed the running of the race day. As usual we were understaffed but managed to pull off a very successful day for all involved.

We look forward to another great day at the races in 2015.

# ANZAC DAY 2014

## ANZAC Day – 25 April

It was a very special ANZAC day in Yalgoo this year as the Shire's first Commemorative War Memorial was unveiled. Services were held at dawn and at 10.00 am. Visitors, relatives of men on the Commemorative Wall, attended from as far afield as Perth and Geraldton.

For the first time in Yalgoo's history, the National, State and Aboriginal flags were raised in front of the names of 216 young men and women of Yalgoo who have served in Australia's Defence Forces over the past 115 years. Of the 216 people listed on the wall, 19 young men lost their lives while serving their country.

The long over-due Commemorative Wall has finally come to exist four years after Council, (when recent past President Terry Iturbide was at the helm), resolved to build it in 2010. The idea of the Commemorative Wall was originally suggested by past President, Don Anderson.

It was apt that WA based military historian Sandra Playle was commissioned to undertake the research as she was raised in Yalgoo through the 1950s. We were honoured that Sandra accepted the invitation to fly to Yalgoo to be the guest of honour at our ANZAC services and it was also fitting that both Don and Terry could also participate in the services.

Sandra took the opportunity to present to Shire President, Cl Neil Grinham a reproduction of a renowned portrait of Corporal Jim Gordon V.C. who is acknowledged on our Commemorative Wall. Jim Gordon grew up near Gin Gin but was a resident of Yalgoo at the time of his enlistment into the Australian Army and it was felt fitting that he, as a recipient of the Victoria Cross in 1941, should finally be honoured in Yalgoo.

## Community Benefit Fund Advisory Committee

**Still looking for nominations – Getting ready for our first meeting**

A new committee is being formed to advise the Shire on how it should spend the money it gets annually from the local mining and haulage companies.

The money might go to community groups or to the Shire to spend on programs that benefit our local community. Basically the new committee will get together a few times a year to discuss how the money will be spent and then make a recommendation to the Shire. It can add up to quite a lot of money so the work of the Committee is important.

So that everyone in our community gets a chance to have a say the Shire Council agreed to the following make-up of the Committee.

- |   |   |
|---|---|
| 1 x Elected Member of the Shire Council   | 2 x Member of the Yalgoo township community |
| 1 x Pastoralist   | 1 x member of the Paynes Find Community     |
| 1 x member of each of the resources/haulage companies contributing more than \$20,000 per annum to the Community Benefit Fund |   |
| 1 x Shire Community & Youth Development Coordinator   |   |

**If you're interested in being a member of this special advisory committee  
please contact Pip on 9962 8174**

**If you want to be part of the team to paint the banner  
then come and see Pip in the hall**

# Racial Discrimination Act

The issue of proposed changes to the Racial Discrimination Act has been in the news a lot lately. What is your view?

The following article is from the National Congress, an organisation formed to advance indigenous Australia.

## No case for change to the RDA, a fundamental racial protection

The National Congress of Australia's First Peoples rejects the Coalition Government's proposed amendments to the Racial Discrimination Act 1975 (RDA) and has called in its submission to the Attorney-General for the Exposure Draft of the Freedom of Speech (Repeal of Section 18C) Bill 2014 to be abandoned in its entirety.

The RDA is a key, if not foundational, law establishing Australia's identity as a nation upholding equality and tolerance within a diverse multicultural society.

The racial hatred provisions of the Act, contained in Part IIA and including Sections 18C, D and E, have functioned satisfactorily since being passed in 1995. They were introduced after long-standing and rigorous debate regarding the balance of freedom of expression and freedom from discrimination.

"Congress is concerned that change as proposed to these provisions would send a signal that racism is acceptable," said Congress Co-Chair Kirstie Parker. "We cannot justify racial vilification as a freedom. Our key objections include, but are not limited, to:

- No compelling case has been made to change the RDA.
- The draft Bill fails to achieve a proper balance between freedom of expression, a basic right that is strongly supported, and the right to live free from threat of harm through racial vilification and discrimination, another basic human right.
- The proposed definitions of 'vilify' and 'intimidate' in subsection 1 of the draft Bill are too narrow and inadequate in providing protection against racial discrimination, particularly if 'offend, insult or humiliate' were removed as proposed.
- The failure to restrict speech in virtually any context to what is "reasonable and in good faith" would be unacceptable.

- The draft Bill does not adequately recognise the often serious and profound harm – beyond the physical to emotional, psychological and/or social – caused by the public expression of racial hatred.

"The harm caused by racial vilification should not be dismissed," Ms Parker said.

"Even if not physical, this harm is very real and often extensive. It can undermine and ultimately destroy the sense of safety and security with which our peoples go about their daily lives.

"The cultural diversity of Australia's people is a great source of our nation's strength. Our government is obliged to protect and encourage social cohesion. At a time when the number of complaints of racial hatred to the Australian Human Rights Commission is on the rise, we need to maintain strong protections and we need national leadership on the issue.

"It is the virtual fabric of our society that we are focused on here, we must strive to be the best, healthiest and safest society we can be. We owe this to our children, grandchildren and future generations."

Read the full Congress submission here: <http://nationalcongress.com.au/wp-content/uploads/2014/04/National-Congress-Submission-to-Exposure-Draft-of-RDA-Bill.pdf>

**Congress is a leader and advocate for protecting and advancing the wellbeing and empowerment of Aboriginal and Torres Strait Islander Peoples. Congress has about 8000 individual members and over 180 organisational members, including peak, national and local bodies**

# Disability Access & Inclusion Plan

The Shire of Yalgoo is committed to making our area great place for all its residents and visitors. One of the ways we do this is by making sure we have a really decent Disability Access and Inclusion Plan. The plan works towards ensuring that,

- individuals with disabilities and their families/carers enjoy living in an accessible friendly place;
- the local community is supported in developing and delivering facilities, information and programs that are inclusive of everyone in the community;
- awareness of issues for people with disabilities and their families/carers is raised through events and training; and
- people with disabilities are able to be involved in decision making about their community.

The Shire aims to achieve improved access and inclusion through the strategies outlined in our Disability Access and Inclusion Plan. The Plan is now up for review and will be re-written over the next couple of months. I will be doing consultations with the community over that period so I ask you to let anyone know who might have a disability. I would really like to hear from the community about what we can do to make it easier for them to get about from place to place, make a complaint or get information from the Shire. Please contact me on 99628174.

Below is a survey that we'd love as many people to fill out as possible. It's very easy to do and won't take up too much of your time. I'd be happy to do it face to face with you if it makes it any easier. Come and see me in the hall.

## Yalgoo Disability Access & Inclusion Plan

All local governments in Western Australia are legislatively required to have a Disability Access and Inclusion Plan (DAIP).

DAIPs assist councils to plan and implement improvements to access and inclusion across six outcome areas.

- Access to buildings and facilities
- Access to services
- Access to information
- Access to equitable service from staff
- Access to equitable opportunities to make complaints
- Access to equitable opportunities to participate in consultations

These plans benefit people with disability, the elderly, young parents and people from culturally and linguistically diverse backgrounds. The Shire is currently reviewing its existing DAIP and seeks the contributions of community members.

By consulting the community the Shire can be confident that it has taken into consideration all the views, thoughts and wishes of the community and therefore be better equipped to produce a relevant and proactive DAIP.

Please see Pip at the hall or phone him on 9962 8174 if you would prefer to have the survey completed through direct discussion.

We look forward to your contribution.

**What is National Reconciliation Week?**

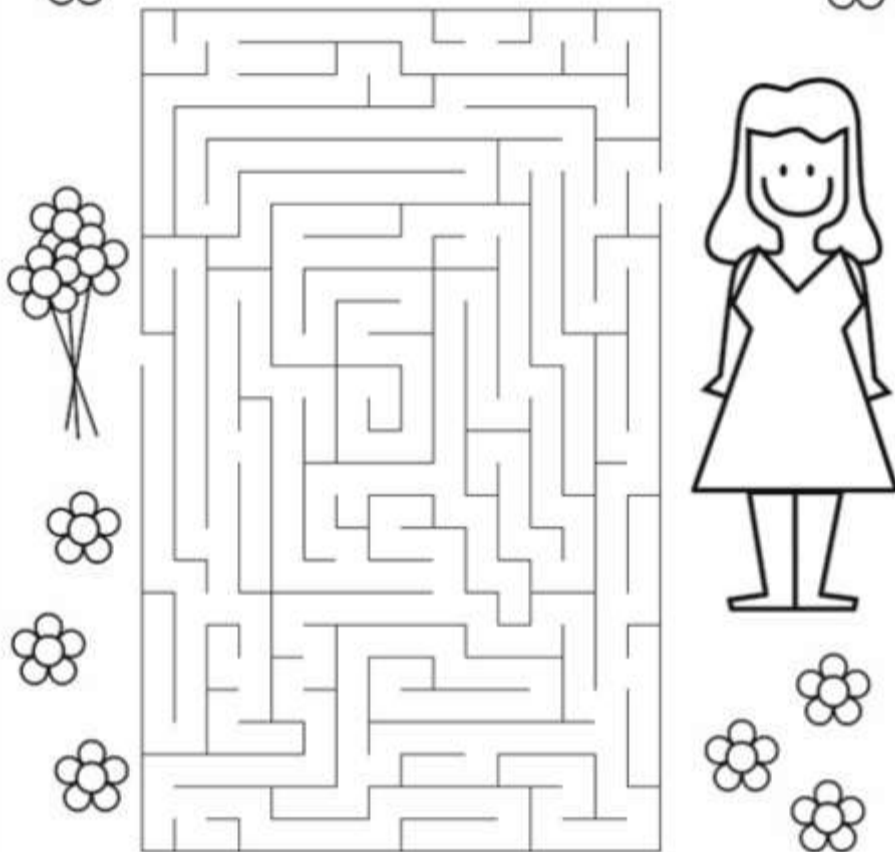

National Reconciliation Week (NRW) is celebrated across Australia each year between 27 May and 3 June. The dates commemorate two significant milestones in the reconciliation journey—the anniversaries of the successful 1967 referendum and the High Court Mabo decision.

The week is a time for all Australians to learn about our shared histories, cultures and achievements and to explore how each of us can join the national reconciliation effort.
