Matter for Consideration

To adopt the annual report for the Year Ended 30 June 2014 and confirm the date for the annual electors' meeting, being not more than 56 days after the adoption of the annual report.

Background

A local government must prepare an annual report each financial year that includes:

- President's report
- Chief executive officer's report
- Compliance statements/reports relating to the Plan for the Future, National Competition Policy, Disability Services Plan and Records Keeping Plan
- Audited financial statements
- Auditor's report

Statutory Environment

Local Government Act 1995

- s.5.27 – annual electors meeting to be held within 56 days of acceptance of the annual report on a day selected by Council
- s.5.53 – an annual report must be prepared and details the items that should be included.
- s.5.54 – the annual report must be accepted by the local government not later than 31 December after the financial year or if the auditor's report is not available by this date, not later than 2 months after the auditor's report becomes available.
- s.5.55 – CEO to give local public notice of the availability of the annual report as soon as practicable after the report has been accepted.

Administration Regulations –

- r.15 – Annual report approved by Council to be presented at the elector's meeting

Strategic Implications

The Annual Report provides a permanent record of the operations of the Shire for the previous financial year.

Policy Implications

NA

Financial Implications

The annual financial report presents the financial performance for the past financial year and is scrutinised by an independent audit to ensure compliance with legislation and accounting standards. The financial impact upon the current financial year is that the audited net current assets position becomes the actual brought forward surplus (deficit) for the rate setting standard.

Consultation

- Auditors RSM Bird Cameron
- Accountants UHY Haines Norton

Comment

The auditor provided the audited financial statements to the CEO with the independent auditor's report and audit management report on Tuesday 25 November 2014. The audit report was unqualified.

The CEO presented the reports to the Shire of Yalgoo Audit Committee on Thursday 12 November 2014. The recommendations of the Audit Committee are presented to Council for adoption in a separate item to this agenda.

The Act requires that the adopted annual report be available to the public for a minimum of 14 days before the annual electors' meeting, which must be held within 56 days of Council adopting the annual report.

Council previously set the date of the Annual Electors' Meeting by way of the following decision. It is recommended that this be confirmed.
