## Compulsory Animal Microchipping

### COMPULSORY MICROCHIPPING FOR ALL DOGS AS OF 1 NOVEMBER 2015

Local governments are reminded that from 1 November 2015 it is compulsory for all dogs to be microchipped.

Amendments to the *Dog Act 1976* made in November 2013 provided that from 1 November 2015 the owner of a dog that has reached three months of age must ensure that the dog is microchipped.

A dog is exempt from the microchipping requirement if a veterinarian issues a certificate stating that the implantation of a microchip may adversely affect the health and welfare of the dog. The certificate cannot apply in respect of a dog that is under three months of age.

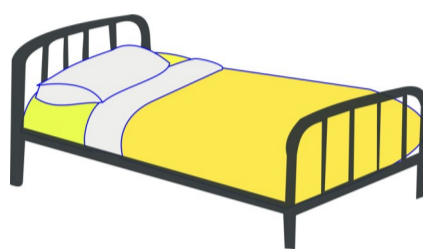

When a person registers their dog, they will be required to provide proof that the dog has been microchipped by providing their local government with the microchip number.

I encourage you to inform dog owners in your community of this requirement in the lead up to November re-registrations. More information about the *Dog Act 1976* and microchipping is available on the Department of Local Government and Communities website: [www.dlgo.wa.gov.au](http://www.dlgo.wa.gov.au).

# Yalgoo Primary School Newsletter

## Principal's Message

Our school is increasing in student numbers. It's encouraging to find that so many parents have confidence in the delivery of teaching and learning we provide.

The Behaviour Centre will be in the school over the next few weeks to provide strategies for staff. If you would like to meet with them let me know so that I can arrange it for you.

We encourage parents to send their children to school in our school uniform. Recently, some students have been turning up with inappropriate designs and words on their T-Shirts. When this occurs they will be sent home to change. Send them in a uniform and this will not happen. As parents it is your responsibility to send your child to school in uniform. School uniforms are available from Total Uniforms in Geraldton Ph: 9965 3101. Track pants and shorts can be purchased from Target or Best and Less. We are happy to swap the smaller uniform tops for a larger one. Please bring in the clean top to the office for "Swap a Top". The children are expected to wear the uniform, have footwear and arrive before 8:15 am or earlier for breakfast.

Home toys, money or sharp implements are for HOME. Please check that these don't come to school. It is great to see healthy lunches come to school. If you send a yoghurt please send a spoon also. Plastic spoons are available at the shop.

The school has advertised for a Library Officer and Gardener. If you want to apply please see Gail Trenfield.

Yours sincerely  
Zelda Marsh

Recipe

# TUNA PASTA BAKE

## Ingredients

- 1 large can of tuna in brine or springwater (retain liquid)
- 2 small onions
- garlic (fresh or minced) to taste
- 1 cup of plain flour
- ½ cup of milk
- small amount of olive oil (for frying)
- 500g grated cheese
- ½ cup of white wine (optional)
- mixed frozen vegies (optional)
- 2 tablespoons butter or margarine
- 500g of pasta (spirals) or any pasta

## Preparation method

Pre-heat oven to 200°C.

Finely chop onions and garlic (if using fresh garlic).

Heat olive oil in frying pan or wok. Add onion and garlic to heated pan.

Stir until golden brown, add tuna plus liquid to pan, simmer for about five to ten minutes or until mixture is warm.

Place butter or margarine in a microwave dish for about 40 seconds until melted.

Place flour, melted butter and milk into a microwave bowl. Stir and put in microwave on medium heat for about 2 minutes. Stir again. You may need to add more milk — sauce should be a smooth paste.

Add about 1 cup of grated cheese (remember to save some for sprinkling) on top of the sauce. Place mixture back into the microwave for about 1 ½ minutes.

Stir sauce and add to tuna mixture.

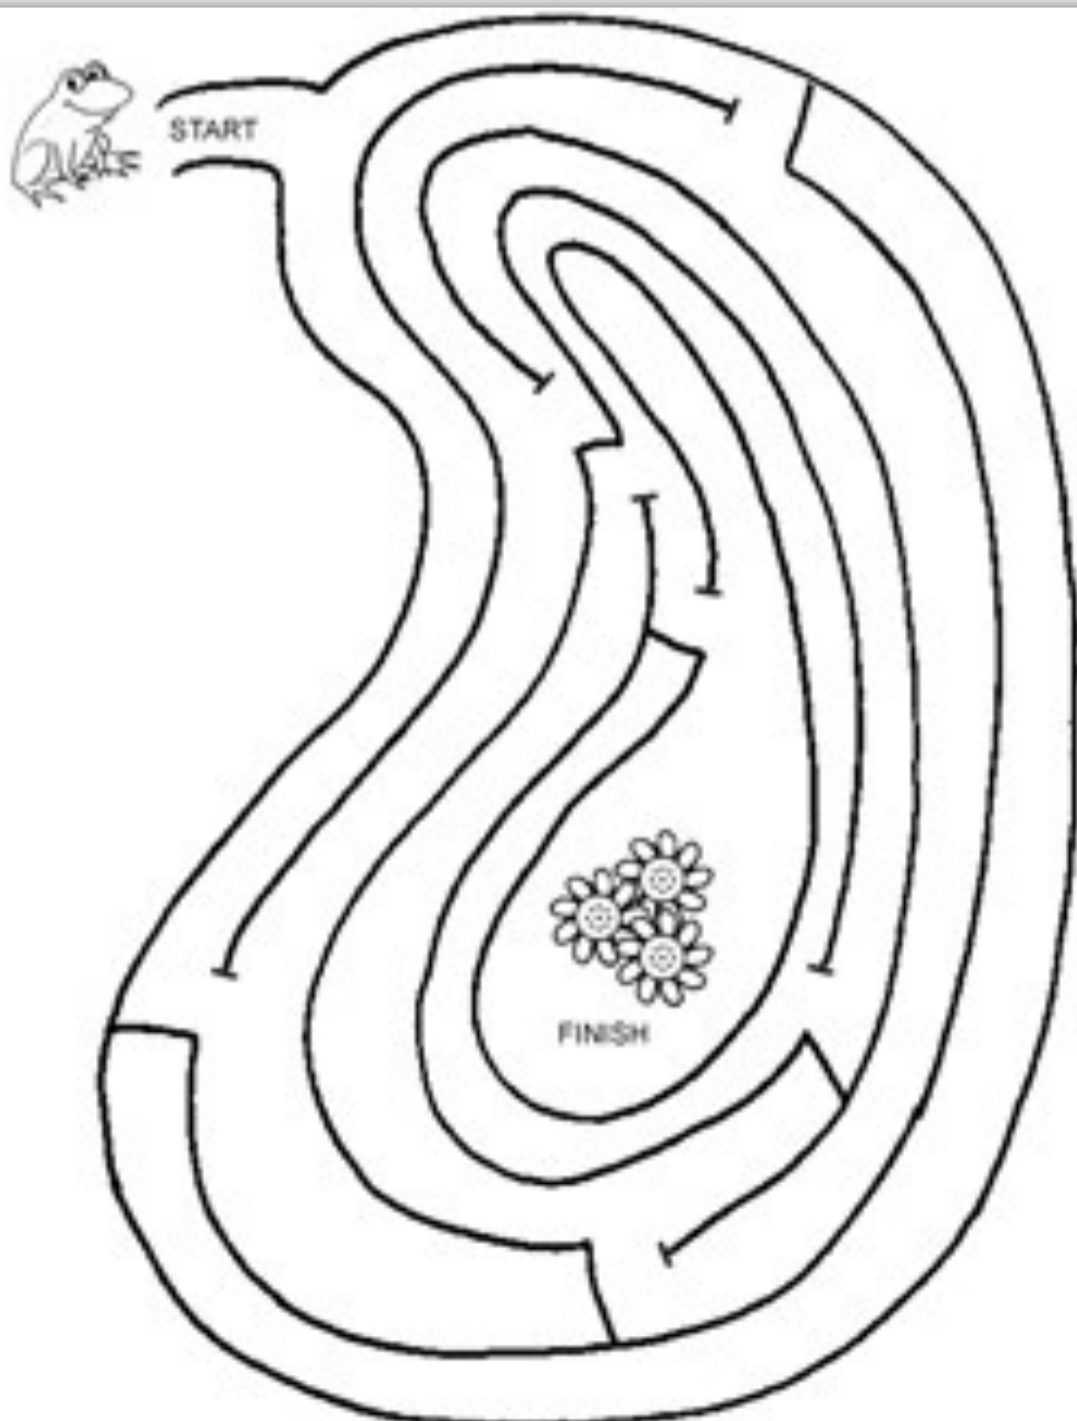

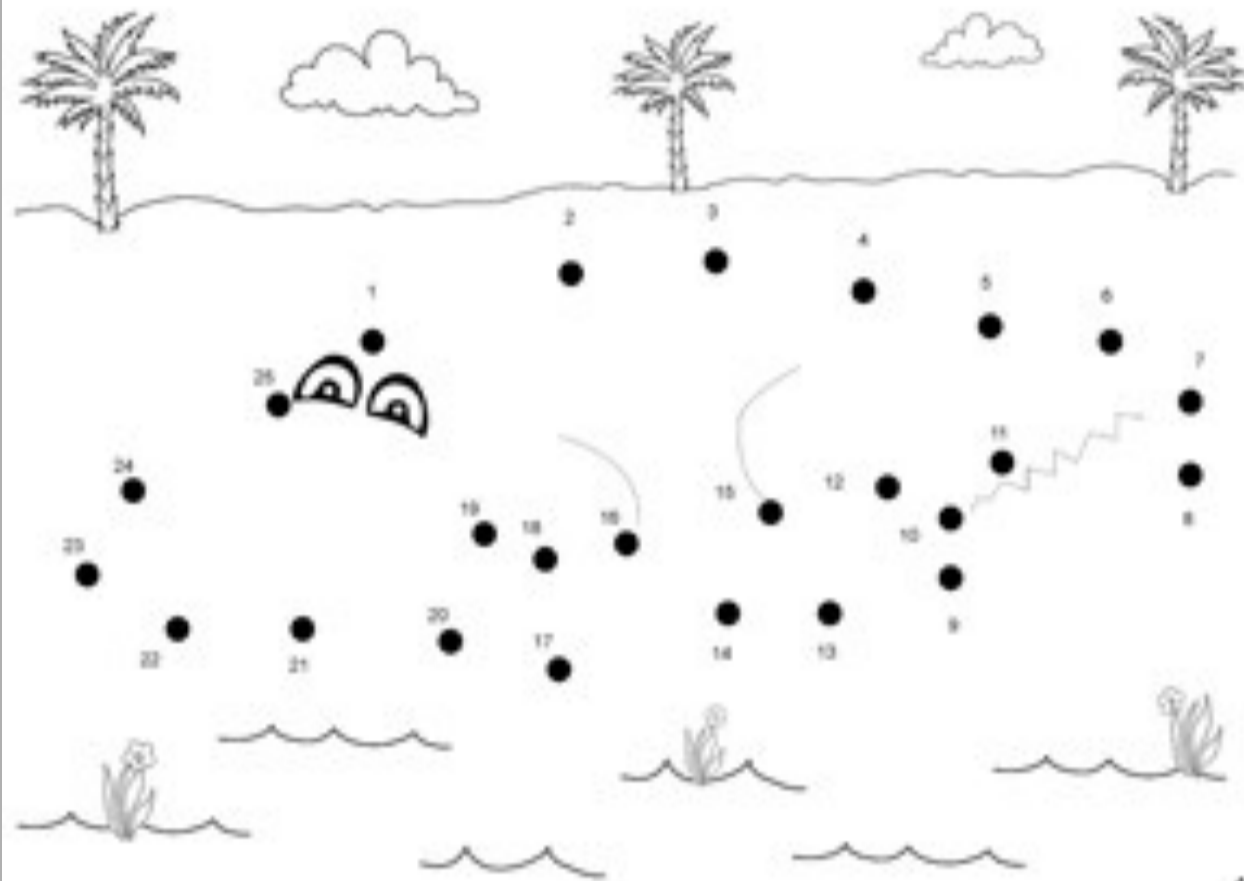

Place pasta in large microwave bowl, cover with water, cook on high for about 15 minutes. Drain pasta then add to tuna and sauce mixture.

Stir and simmer; add wine if desired. Cook for about five minutes.

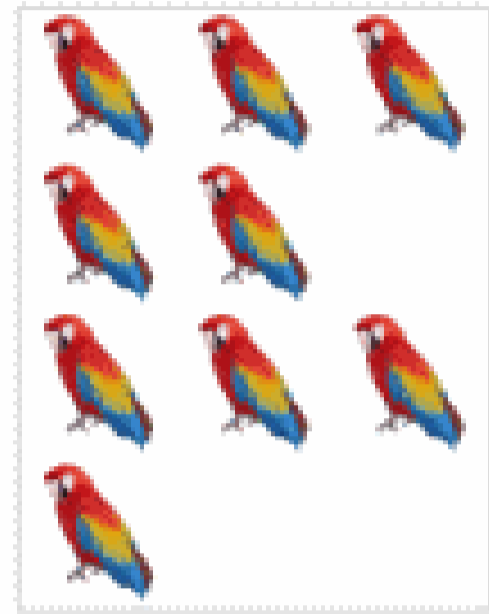

Place mixture into an oven dish, smoothing mixture evenly into sides. Sprinkle remaining grated cheese over the mixture.

Place in oven, cook until cheese is melted and golden brown.
