Matter for Consideration

The purpose of the report is for council to adopt the differential general rates imposed on the rateable property within each differential rating category. The differentiated rating categories determined by the Council are as follows.

Gross Rental Value	Rate in \$	Minimum Rate
Town Imposed	7.678277 cents	\$280.00
Town site Vacant	7.678277 cents	\$620.00

Unapproved Value	Rate in \$	Minimum Rate
Pastoral/Rural	6.77242 cents	\$280.00
Mining/Mining Tenement	37.43025 cents	\$280.00
Exploration/Prospecting	19.88253 cents	\$280.00

In accordance with Section 6.32, 6.33 and 6.36 of the Local Government Act 1995 the following actions were undertaken:

- 1/. The proposed differential general rates and minimums were advertised.
- 2/. One submission was received and Council gave consideration at its Ordinary Council Meeting held on 27 July 2018.
- 3/. Ministerial approval was obtained in accordance with Section 6.33(3) of the Local Government Act 1995.

The deficiency of expenditure over income for the purpose of striking the rates for the 2018-19 financial year amounts to \$1,784,557 and results in an increase in revenue of \$10,369 when compared to rates levied and interim rates received in 2017-18.

Background

The Council at its Ordinary Meeting held on the 28 July 2017 resolved that it intended to impose the rate in the dollar and minimums for each of the differential rating categories as detailed above.

Matter for Consideration

The purpose of the report is for the Council to consider and impose a rate of interest on overdue rates for the 2018/19 financial year.

Background

Section 6.45 of the Local Government Act 1995 states that Rates charged may be made by single payment or a person may elect to make payment by 4 equal or nearly equal instalments, or such other method of payment by instalments as is set in the annual budget. A local Government may impose an additional charge (including an amount by the way of interest where payment of a rate charge is made by instalments).

The Shire has traditionally offered a four instalment payment option.

Financial Management Regulation 67 and 68 permits a council to impose additional charges where payment of rates is by instalments.

Section 6.50 of the Local Government Act 1995 permits a Council to determine when a rate charge becomes due and payable. The due date cannot be earlier than 35 days after the date noted on the rate notice as the date the rate notice was issued. Where a person elects to pay a rate charge by instalments the second and each subsequent instalment does not become due and payable at intervals of less than 2 months.

It is recommended that the due date of each instalment for the 2018/2019 financial year is as follows:

- 1st Instalment Monday, 29 October 2018
- 2nd Instalment Monday, 31 December 2018
- 3rd Instalment Monday, 4 March 2019
- 4th Instalment Monday, 6 May 2019

Section 6.51 of the Local Government Act permits the Council to impose on a rate or service charge that remains unpaid (including by instalments):

- a) Where no election has been made to pay the rate charge by instalments due
 - (I) After it becomes due and payable; or
 - (II) 35 days after the date of issue of the rate notice whichever is the later.
- b) Where an election has been made to pay the rate charge by instalments and an instalment remains unpaid after its due and payable.

Financial Management Regulation 70 states that the maximum rate of interest on overdue rates to be imposed under Section 6.51 of the Local Government Act is 11%.

It is recommended that Council impose a rate of interest of 11% to apply on overdue rates and service charges.

Section 6.45 permits a Council to impose an additional charge for the recovery of the additional cost of administration for payments made by instalment, including an amount by way of interest. Regulation 68 limits the maximum component to be imposed to be of 5.5%.

In recognition of foregone interest earnings the Shire could otherwise have achieved if rates payments were received in one payment earlier in the financial year, together with the increased administrative burden in managing multiple instalments which includes the costs of printing, postage and handling, it is recommended that the Shire apply an instalment Administration charge of \$10 (GST free). This would only

be applicable to the second/third/fourth instalment as one charge where ratepayers elect to pay by the prescribed instalment due dates, and any alternative payment plan arrangements established.

Financial Consideration

The 2018/2019 Annual Budget has included \$10,000 for the interest charge on overdue rates.

Financial Management Regulation 71 details the method of calculation of interest on overdue rates.

- 1) Interest on rates and service charges and the cost of any proceedings to recover such charges, that remain unpaid after the due date of becoming due and payable ("the due date") is to be calculated on a simple interest basis for the number of days from the due date until the day before the day on which a payment is receives by the local government.
- 2) The principal sum on which interest is calculated for a financial year may include interest accrued but not paid in a previous financial year but is not to include interest accrued in the current financial year.
- 3) If payment is received by the local government during the period 1st July in a financial year until the annual budget for that financial year is adopted, interest referred to in sub regulation (1) for the period is to be at the interest imposed under section 6.51 (1) for the previous financial year.

The 2018/19 Annual Budget has included \$1,500 for charges to be divided on the instalment plan (administration charge plus rate of interest).
