MATTER FOR CONSIDERATION

That Council congratulate the elected members, Councillors Raul Valenzuela, Gail Simpson and Greg Payne and receive the Acting CEO’s report regarding the outcome of the 2019 Shire of Yalgoo election.

Polling booths were provided at the Shire office in Yalgoo and at the Community Centre in Paynes Find. A total of 96 electors are on the Electoral Roll.

MATTER FOR CONSIDERATION

That the Shire of Yalgoo continue its communication with Telstra in the interests of improving the Yalgoo town sites internet services, particularly that servicing the Shire’s administration offices, which can be expanded to include the caravan park, Arts & Cultural Centre, etc.

BACKGROUND

Currently the Shire of Yalgoo’s administration utilise the internet Cloud for its internet services, which is comparatively very slow and limited. It appears an improved service through Telstra is achievable by way of a fibre optic cable at reasonable cost. This facility can then, via WiFi, be made available to the caravan park, depot, Arts and Cultural Centre, etc.

STATUTORY ENVIRONMENT

Local Government Act 1995

STRATEGIC IMPLICATIONS

Taking advantage of new technologies and the benefits and services that flow from it, now and into the future, is consistent with the intention of delivering local government services to the Shire’s community contained in the Council’s Community Strategic Plan.

FINANCIAL IMPLICATIONS

The current Budget provides $40,000 for Admin Computers Hardware and System Upgrade as well as $10,000 for Admin Upgrade Cabling Fibre.

CONSULTATION

Telstra Enterprises’ Philip Goodman-Jones, Client Executive – Local Government WA.

Boyd Brown, Regional General Manager WA with Telstra Retail & Regional.

COMMENT

I have been in communication with Telstra Enterprises’ Philip Goodman-Jones, Client Executive – Local Government WA. Philip heads up the servicing of all WA local governments needs and has agreed to submit a virtual desktop assessment (at no cost) under reference WF-659570 to determine the possibilities of delivering fibre into the Shire of Yalgoo’s administration at 37 Gibbons Street which will assist with the Shire’s cloud infrastructure, but also support the desire for providing better internet services at the caravan park and other strategic buildings within the Yalgoo town site area. Following this initial assessment, a detailed assessment/feasibility study will likely follow at a cost to the Shire. If this cost is reasonable the Shire will need to determine if it wishes to proceed.

I am also in communication with Boyd Brown, Regional General Manager WA with Telstra Retail & Regional, who in conjunction with Philip Goodman-Jones, is keen to complement the Council’s direction and future plans in respect of its internet service. Having improved internet services may well offer incentive to the iron ore company proposing to establish a substantial magnetite project near Yalgoo towards housing their employees in the Yalgoo town site. The internet WiFi service could also possibly cover the entire Yalgoo town site at hopefully relatively low cost, but these issues will be covered in the detailed feasibility study where all options will be explored.
VOTING REQUIREMENTS
Simple Majority

CEO John Read explained the report in further detail advising once the report is received from Telstra it will be tabled to Council for further consideration.

No questions were raised in respect of this agenda item.

OFFICER RECOMMENDATION / COUNCIL DECISION
C2019-1009  TELSTRA & INTERNET SERVICES TO YALGOO

That Council:

1. endorse the Chief Executive Officer’s actions in progressing with Telstra the feasibility of improved internet services being provided to the Yalgoo town site, particularly the Shire of Yalgoo’s administration office, Caravan Park, Arts & Cultural Centre, etc.

2. be advised of the outcome of Telstra’s initial desktop assessment of providing improved internet services in order that Council can determine the practicality and economics of Telstra undertaking a detailed assessment/feasibility study.

MATTER FOR CONSIDERATION

That the Acting CEO progress the Shire of Yalgoo’s application for funding for a grant under the Federal Government’s Regional Airstrip Upgrade initiative in respect of the Yalgoo and Paynes Find airstrips.

BACKGROUND

Applications are invited from local governments in regional areas for grant funds under the Federal Government’s Regional Airstrip Upgrade program/initiative. Applications close 12 November 2019

The Remote Airstrip Upgrade Program will enhance the safety and accessibility of aerodromes in remote and very remote areas of Australia, providing improved all weather access that will:

- improve the safety of aircraft, operators and passengers using remote and very remote airstrips
- facilitate improved delivery of essential goods and services such as food supplies, health care, community mail and passenger air services
- complement air services delivery to communities subsidised under the Australian Government’s Remote Aviation Access Program (RAAP) through the Remote Air Services Subsidy (RASS) Scheme, and/or
- meet operational requirements of the Royal Flying Doctor Service (RFDS) or operators providing similar aeromedical services.

The maximum grant amount is $3 million, however it is expected that most grants will not exceed $1.5 million. The grant amount will be up to 50% of eligible project costs (grant percentage). The local government’s contribution can be in-kind and would include the Shire engaging its own workforce and plant in carrying out the airstrip upgrade.

The upgrade would greatly improve the landing surfaces as well as improving drainage to improve year round airstrip access.

STATUTORY ENVIRONMENT

Federal Government Funding Statutory Legislation

Local Government Act 1995

STATUTORY IMPLICATIONS

The maintenance and upgrade of the Shire of Yalgoo airstrips provides an important public facility, particularly in the event of highway accidents where the RFDS is required to attend and also for visitors to the area coming in by aircraft. Provision of such important public facilities is recognised in the Council Strategic Community Plan.

CONSULTATION

Grants Empire (Tammy King) who brought this grant opportunity to our attention has been consulted and will be involved in the grant application process to best enhance our chances of success. In order to determine the extent of airstrip upgrade required and the cost estimate for the purpose of determining the project cost and grant amount sought, Core Industries Australian will be providing an independent assessment/report to compliment our grant application.
**Comment**

If successful in the grant application, provision will need to be made for both the grant funding and the Shire’s financial contribution in the 2020/21 budget.

**VOTING REQUIREMENTS**

Simple Majority

Acting CEO John Read explained the report in further details.

Cr Raul Valenzuela requested sealing the taxiway from the airstrip to the pad where planes park.

Cr Gail Simpson also requested the Badja Woolshed Rd be sealed from the Geraldton-Mt Magnet Main road to the airport to help minimise the dust for those travelling between the two properties.

CEO John Read advised he would look into incorporating these works in the grant application prepared by Grants Empire.

**OFFICER RECOMMENDATION / COUNCIL DECISION**

**C2019-1010 REGIONAL AIRSTRIP UPGRADE GRANT**

That the Shire’s Acting CEO, in cooperation with Grants Empire, make application for funding from the Regional Airstrip Upgrade grant scheme for the upgrade of both the Yalgoo and Paynes Find airstrips.

**MATTER FOR CONSIDERATION**

That Council approve in principle, subject to obtaining in due course the necessary approvals from the Minister for Local Government, the Gross Rental Valuation (GRV) rating of all mining infrastructure within the Shire of Yalgoo and instructs the Acting Chief Executive Officer to progress matters in this regard.

**BACKGROUND**

The ability for local governments to rate mining infrastructure, independent of rating mining tenements, farm/pastoral properties and town site properties, has been available to local governments (subject to Local Government Ministerial approval) for many years. In 2015 the then Minister (Hon Tony Simpson) introduced a revised Policy relating to such mining infrastructure rating, which Policy is current today.

**STATUTORY ENVIRONMENT**

**STRATEGIC IMPLICATIONS**

Council and its administration have a responsibility under the Local Government Act 1995 to provide services, facilities and infrastructure for the betterment of its ratepayers and communities. Such responsibility extends to good financial management including the acquisition of assets and human resources to provide and maintain such infrastructure and professional services for the betterment and enjoyment of its ratepayers and communities. This responsibility is entirely consistent with the Shire of Yalgoo’s Community Strategic Plan and its Corporate Business Plan. The additional rating income will greatly assist the Shire of Yalgoo meet its strategic objectives.

**CONSULTATION**

Nil

**COMMENT**

Currently the Shire of Yalgoo rates various properties on the basis of a rate in the dollar applied to a property valuation provided by the Valuer General/Landgate as follows:

- farmland/pastoral leases based on an Unimproved Value (UV).
- town site properties based on a Gross Rental Value (GRV).
- Mining tenements based on an Unimproved Value. Currently the Shire of Yalgoo has two separate (Differential) rates in the dollar for the purpose of rating those mining tenements of an exploration nature (Exploration Licences and Prospecting Licenses, etc.) and a higher rate for those of a mining nature such as Mining Leases etc. The purpose of the lower rate for exploration tenements is to encourage exploration.

Rateable mining infrastructure comprises such infrastructure as on-site office accommodation, residential accommodation, recreation facilities and maintenance workshops, providing these facilities have been in place for at least 12 months. Investigations are currently underway by the Shire’s administration in identifying all mining operations with the Shire of Yalgoo that will be affected by this proposal. Preliminary investigations have identified these to include Mt Gibson (MGM), Golden Grove (ERM), Golden Dragon (Minjar Gold), Dalgaranga Gold Project (Gascoyne Resources Ltd) and Deflector Mine (Silver Lake Resources Ltd).
The first step involved in the process is for the Shire to engage Landgate to determine and survey rateable infrastructure at the various mine sites within the Shire of Yalgoo. This will involve a visit to the mining areas by a Landgate Officer to establish the Gross Rental Values (GRV) that will apply to the infrastructure at each mine site. Landgate will provide the Shire with technical land descriptions of the areas involved along with the GRV’s that apply to each area. Following the Mining Infrastructure GRV advice from Landgate and applying an indicative rate in the dollar, the Shire will then advise each mining company affected of the proposal to rate its mining infrastructure (subject to the approval of the Minister for Local Government) and the estimated additional rates that will likely apply in respect of rating the mining infrastructure.

Once the technical land descriptions are available the Shire will then need to apply to the Local Government Department for approval to gazette the properties and seek Ministerial approval to rate the mining infrastructure. Landgate will excise out of the affected Mining Leases area the mining infrastructure which will be the subject of a GRV and the slightly diminished area of the Mining Leases will receive an amended UV for the purpose of rating.

It is noted that the rate in the dollar currently for (UV) Mining Leases is $0.3743025, which the Department of Local Government have advised is considered very high and ought not be increased. It is recommended that consideration be given in the future to reducing this rate, subject to obtaining Ministerial formal approval to implement rating mining infrastructure.

Depending on the timeframe of Landgate to determine GRV’s, obtaining the Department of Local Government’s formal gazettal of the rateable GRV mining infrastructure areas and the approval of the Minister for Local Government to rate the mining infrastructure concerned, the Shire may be in a position to obtain approval to either retrospectively rate the mining infrastructure from 1/7/2019 for the entire 2019/20 financial year, or alternatively for the half year 1/1/2020 to 30/6/2020.

MATTER FOR CONSIDERATION
The Council receive the Acting CEO’s report regarding community activity in Yalgoo during October, 2019.

BACKGROUND
The Shire of Yalgoo engages Reilly & Co to coordinate community development activities in the Shire. A formal Agreement was entered into and signed around the 12 September, 2019 between the then CEO, Mr Brenzi and Jodi Reilly of Reilly & Co, which agreement formally engages Reilly & Co for a period of two years expiring in September, 2021.

Reilly & Co visits the Shire one day per week except when events are being held when the stay is extended. Jodi is very passionate about her work particularly working with the indigenous in our community.

STATUTORY ENVIRONMENT
Local Government Act 1995

STATUTORY IMPLICATIONS
The Shire’s Community Strategic Plan strongly encourages the development of the Shire’s communities including sporting, cultural, arts, etc. activities.

CONSULTATION

COMMENT
In the past month several community activities were successfully held. These included a Bingo Night held at Core Stadium on 3 October, 2019 which was well attended and was truly a fun night with great prizes given out to winners.

The Emu Cup was held on the 5 October, 2019 and was well attended during the day. Emmaline had numerous items of arts and crafts made by local artists on display which was pleasing to see. I am concerned regarding the cost of this one day event with $80,000 budgeted. I intend reviewing the costs associated with this event to apply next year with Jodi.

The Stephen Michael Football Clinic event was held on the 10 October 2019 and was a huge success with over 100 children participating from Meekatharra, Cue, Mt Magnet, Mullewa and Yalgoo and around 30 smaller children also in attendance.

It was pleasing to see the grassed oval and the Core Stadium being used fully by so many children.

In order to obtain rate exemption on the above-mentioned properties pursuant to section 6.26 (2)(g) of the
Local Government Act 1995, the land must be used exclusively for charitable purpose.
The Local Government Act 1995 does not define ‘charitable purpose’. Section 5 of the Charitable Collections
Act 1946 defines ‘Charitable purposes’ as follows;
   (a) The affording of relief to diseased, sick, inform, incurable, poor, destitute, helpless or unemployed
       person, or to the dependants of any persons;
   (b) The relief of distress occasioned by war, weather occasioned in Western Australia or elsewhere;
   (c) The supply of equipment to any of His Majesty’s naval, military, or air force, including the supply of
       ambulance, hospitals and hospital ships;
   (d) The supply of comforts or conveniences to members of the said forces;
   (e) The affording of relief, assistance or support to persons who are or have been members of the said
       forces or to the dependants of any such persons;
   (f) The support of hospitals, infant health centres, kindergartens and other activities of social welfare or
       public character;
   (g) Any other benevolent, philanthropic or patriotic purpose.

The above definitions appear to have origins from the Charitable Uses Act 1601 and the House of Lords Case.
The Charitable Uses Act 1601 lists the purpose as:
- Relief of the aged, impotent and poor people;
- Maintenance of sick and maimed solders and mariners
- Support and aid for young tradesmen, handicraftsmen and persons decayed

One of the four categories of charitable purpose laid down by the House of Lords in the case in Income Tax
Special Purposes Commissioners v Pemsel (1891). These categories are as follows:
• The relief of property;
• The advancement of education
• The advancement of religion; and
• Other purpose beneficial to the community not following within any of the preceding categories.

The rate exemption between MRAC and the Shire was the subject of a State Administrative Tribunal (S) decision in 2017-18 and the Judge set aside the Shires’ decision to disallow the MRAC objection to the rate record for the year ended June 2017 and substituted a decision that the objection was allowed on the basis that there is an error in the rate record as the land in question is not rateable land, because it is used exclusively for a charitable purpose.

MRAC proposes to pass on these savings to its tenants.

In view that this matter has already been determined by SAT it is recommended that Council grants MRAC rate exemption for the 2019-20 financial year however MRAC be informed that Council has levied a rubbish charge of $600.00 per annum for rates exempt properties therefore the rubbish charge will increase by $350.00 per property or $1,750.00 for the 5 properties. The rubbish charge levied is less than full cost recovery.

MATTER FOR CONSIDERATION
That Council receive the Acting CEO’s verbal report on the outcome of the meeting to be held on 26 October, 2019 between representatives of FIJV and the Shire of Yalgoo.

BACKGROUND
FIJV visited Yalgoo in June 2019 to inform the Shire of Yalgoo progress regarding its proposed magnetite iron ore project ‘Yogi’ located approximately 15 kilometres from Yalgoo town site.

FIJV have arranged a further meeting to be held on 26 October 2019 to be attended by Ms Shadi Sadegh, Acting Managing Director of FIJV and Mr. Moazenzadeh, top adviser of “NSP”. Also attending will be FIJV Board of Directors including:
- Mr. Mohammad Vahid Sheikhzadeh Nadjar, Chairman of the Board
- Dr. Hamid Sheikhzadeh Nadjar, Director
- Mr. Javad Karbalaei Sadegh, Director

Also attending will be the following representatives from Gol-e-Gohar Iron Ore Co who are accompany FIJV representatives on this Business Trip:
- Mr. Mollarahman, GEG Managing Director
- Mr. Taherzadeh, GEG Vice MD
- Mr. Asgarizadeh, GEG Executive Top adviser
- Mr. Ziyaei, GEG Technical Manager

It is understood that FIJV are awaiting environmental approval from the state government and are currently undertaking further exploration drilling. At some stage in the future a Bankable Feasibility Study (BFS) will be completed which will determine the future of the project. It is expected that the meeting will inform the Shire of the expected timeframe of when the project is expected to commence production.

STATUTORY ENVIRONMENT
Nil

STRATEGIC IMPLICATIONS
Subject to the project going ahead, development of the iron ore project may involve locating the mining company’s administration and employee housing infrastructure within the Yalgoo town site, which I expect would be welcomed by the Shire of Yalgoo. This would certainly boost the population of the Yalgoo town site and impact significantly on the existing Yalgoo community. Such town site growth needs to be considered in conjunction with the Shire’s Town Planning Scheme, Community Strategic Plan, Corporate Business Plan, Long Term Financial Plan, etc.

MATTER FOR CONSIDERATION

That Council authorise the expenditure totalling $12,000.00, (to be included in the 2019/20 Budget Review to be held at its Ordinary Council Meeting in February, 2020), pursuant to Section 6.8 of the Local Government Act 1995, for the part time engagement of a Trainee to attend the Yalgoo Arts & Cultural Centre on Mondays, Tuesdays and Wednesdays 9am – 12.00pm up to the 30 June 2020 to allow the Centre to be open to visiting tourists and the public.

BACKGROUND

Currently the Centre is only open on Thursdays, Fridays and Saturdays. During the other week days there has been numerous occasions when visiting tourists including tourist buses visit the town and are unable to access the Centre.

The current budget for the Centre does not allow provision for the employment of a part time Trainee to attend to the Centre during the three week days that the Centre is closed.

STATUTORY ENVIRONMENT

6.8. Expenditure from municipal fund not included in annual budget

(1) A local government is not to incur expenditure from its municipal fund for an additional purpose except where the expenditure —
   (a) is incurred in a financial year before the adoption of the annual budget by the local government; or
   (b) is authorised in advance by resolution*; or
   (c) is authorised in advance by the mayor or president in an emergency.

* Absolute majority required.

(1a) In subsection (1) — additional purpose means a purpose for which no expenditure estimate is included in the local government’s annual budget.

(2) Where expenditure has been incurred by a local government —
   (a) pursuant to subsection (1)(a), it is to be included in the annual budget for that financial year; and
   (b) pursuant to subsection (1)(c), it is to be reported to the next ordinary meeting of the council.

[Section 6.8 amended: No. 1 of 1998 s. 19.]

STRATEGIC IMPLICATION

The Council’s Community Strategic Plan embraces the development of tourism and the provision of arts and cultural amenities within the Shire of Yalgoo.
CONSULTATION

Emmaline James, Manager of the Yalgoo Arts and Cultural Centre fully supports this proposal.

COMMENT

The additional funds made available in the 2019/20 Budget will allow for the Trainee to be engaged and trained in the area of managing the Arts and Cultural Centre to allow the recipient to run the Centre Monday to Wednesday mornings, making it available to visiting tourists, etc. The Trainee will also be encouraged to undertake on-line studies in the tourism/business management area as part of the Traineeship. Rhiannon Hodder who takes an active volunteering role currently at the Centre has been identified as an ideal candidate for the Traineeship. The additional funds will also allow for some support to be provided at the Centre on Saturday mornings when some 20 children are present and actively involved in arts. This support is anticipated to be supported financially by MEEDAC and CDEP.

MATTER FOR CONSIDERATION

That Council agree to the removal of the old Yalgoo Police Station premises located on Reserve 26148 comprising two blocks 10 and 12 Selwyn Street, Yalgoo, due to its dilapidated state containing asbestos, with the two blocks made available for future development.

BACKGROUND

I am advised that ownership of the old Yalgoo police station premises was transferred to the Shire of Yalgoo many years ago. The building sits across two blocks of land 10 and 12 Selwyn Street, Yalgoo, being part of Reserve 26148.

The building has no value particularly given its dilapidated state and with the asbestos content. Greg Ellis, Builder has agreed to remove the building at no cost to Council. The large cost to the Shire in renovation the premises for possible future use cannot be justified.

STATUTORY ENVIRONMENT

Local Government Act 1995

STATUTORY IMPLICATIONS

As the building has no commercial value, the provisions of the Local Government Act 1995 relating to disposal of assets do not apply.
