Simple Majority

Cr Trenfield raised concerns as to the payments made to Reilly & Co for Consultancy fee on the Australian Day Event.
Acting CEO John Read advised he will look into the payment made to Reilly & Co.

Cr Gail Trenfield also raised concerns to payments made to Taste Buds towards Art Centre activities and enquired if this is an ongoing practice as the Shire should not be catering lunches at every activity held.

Concern was also raised regarding the Shire’s community development services extending to the running of events for local children for the duration of school holidays including the provision of daily lunches for all children attending.
It was agreed that administration ensure that such expenses in respect of community development activities including school holiday programs be covered in future mainly by grant funds and that no lunches be provided by the Shire at the Arts Centre in future, with participants providing their own lunch.

Section 6.4—Specifies that a local government is to prepare such other financial reports as are prescribed.

Local Government (Financial Management) Regulations 1996
Regulation 34 states:

   (a) annual budget estimates, taking into account any expenditure incurred for an additional purpose under section 6.8(1)(b) or (c);  
   (b) budget estimates to the end of month to which the statement relates;  
   (c) actual amounts of expenditure, revenue and income to the end of the month to which the statement relates;  
   (d) material variances between the comparable amounts referred to in paragraphs (b) and (c);  
   (e) the net current assets at the end of the month to which the statement relates.

Sub regulations 2, 3, 4, 5, and 6 prescribe further details of information to be included in the monthly statement of financial activity.

MATTER FOR CONSIDERATION
That Council offer its support towards the Yalgoo Race Meeting to be held on 2 May 2020, incorporating a dance/ball to be held on Friday evening 1 May 2020.

BACKGROUND
For many years the Yalgoo Races has proven a very successful event. Last year the event was cancelled and this year (2020) the event is scheduled for Saturday 2 May. The Shire traditionally donates $10,000.00 which is provided in our current budget towards the event and local mining companies also support the event financially.

Melissa Evans attended meetings in Yalgoo on 21 January 2020 to assist with the establishment of a Race Committee and early planning for the event. Melissa volunteers her work in this area. The result was the appointment of Tony Walsh as Chairperson, Stan Willock as Deputy and committee members Phil Bland, Emmaline James and Cr Tamisha Hodder.

MATTER FOR CONSIDERATION
That Council determine at the February 2020 Council meeting whether to renovate the existing Yalgoo Community Hall building or accept the Architect’s advice and construct a new facility.

BACKGROUND
The Yalgoo Hall is in a dilapidated state requiring very substantial renovation including new structural support timbers, asbestos replacement, iron cladding / walls replacement, etc.

Roly Brando, Architect based in Geraldton has been engaged to advise Council on the state of the existing building and his recommendation regarding whether to demolish existing building and construct a new Community Hall or whether to renovate the existing building.

Roly’s recommendation is that a new building be constructed due to the age of the existing building, its structural integrity compromised, its non conformity with todays building standards, extensive asbestos throughout the building, etc. He advises that the new building can be designed to match the shape of the existing building.

STATUTORY ENVIRONMENT
Local Government Act 1995

STRATEGIC IMPLICATIONS
The Yalgoo Community Hall provides an important venue for the Yalgoo community for a variety of activities.

CONSULTATION
Roly Brando Environmental Design.

COMMENT
The hall will be utilised for the 2020 Yalgoo Race Ball on 1 May 2020, however due to the age and the state of the building structurally, etc. I believe the best option is to construct a new Community Hall designed in the shape of the existing hall, with rammed earth exterior walls. The estimated cost is $500,000 to $600,000. A major renovation in trying to salvage the existing building is expected to cost more than a new building.

I have spoken with Tammy King of Grants Empire and she advised that we could apply for a Lotteries West grant for 50% of the project cost which could be determined by 30/6/2020, This would allow the Shire to provide $200,000.00 in its 20/21 budget to be added to the existing $100,000.00 provided in the current budget (carryover) to provide for the Shire’s 50% contribution. This would allow the project to be undertaken in the 2020/21 financial year.

However because this is a major project undertaking, I have recommended that the matter be determined at the Council’s February 2020 Ordinary Council Meeting to allow Councillors time to carefully consider the proposal, including Roly Brando’s detailed reports (attached).

CEO John read explained the report in further detail.

Cr Trenfield suggested that all Councillors meet at the Shire Office at 9am on the 28 February 2020 prior to the Ordinary Council Meeting to visit the Community Hall to help determine their decision whether to renovate or build a new Community Hall.
