SUMMARY

That Council considers the lease of the Caravan Park house to the Western Australian Country Health Service for the Yalgoo Nurse.

COMMENT

As a result of recent vandalism at the Nursing Residence in Yalgoo a request has been received from WACHS for the Yalgoo Nurse to remain in the Caravan Park property for approximately 6 months. Repairs and cleaning have not been ideal or expedient.

It is suggested that the Shire lease the property to either the individual or the Department of Health for a period of 6 months at the rate of \$175 including utilities which are tied to the park.

This will leave the Shire with a few currently vacant properties as a budget item is used to modernize some of our accommodation options.

Under Regulation 30 of the Local Government (Functions and General) Regulations 1996 the disposition of property is excluded from Act s3.58 for a number of reasons.

30. Dispositions of property excluded from Act s. 3.58

- (1) A disposition that is described in this regulation as an exempt disposition is excluded from the application of section 3.58 of the Act.
- (2) A disposition of land is an exempt disposition if —
 - (a) the land is disposed of to an owner of adjoining land (in this paragraph called the transferee) and —
 - (i) its market value is less than \$5 000; and
 - (ii) the local government does not consider that ownership of the land would be of significant benefit to anyone other than the transferee;or
 - (b) the land is disposed of to a body, whether incorporated or not —
 - (i) the objects of which are of a charitable, benevolent, religious, cultural, educational, recreational, sporting or other like nature; and
 - (ii) the members of which are not entitled or permitted to receive any pecuniary profit from the body's transactions;or
 - (c) the land is disposed of to —

Agenda – Ordinary Council Meeting – Tuesday 28th September 2021

- (i) the Crown in right of the State or the Commonwealth; or
- (ii) a department, agency, or instrumentality of the Crown in right of the State or the Commonwealth; or
- (iii) another local government or a regional local government;
or
- (d) it is the leasing of land to an employee of the local government for use as the employee's residence; or
- (e) it is the leasing of land for a period of less than 2 years during all or any of which time the lease does not give the lessee the exclusive use of the land;
or
- (f) it is the leasing of land to a person registered under the Health Practitioner Regulation National Law (Western Australia) in the medical profession to be used for carrying on his or her medical practice; or
- (g) it is the leasing of residential property to a person.

SUMMARY

That Council considers an application to the Department of Communities Social Housing Economic Recovery Package (SHERP) Grants.

COMMENT

On 7 June 2020, the Western Australian Government announced a housing stimulus package with an estimated value of \$444 million to aid the state's COVID-19 economic recovery.

As part of this stimulus, the Department of Communities is leading the delivery of a \$319 million Social Housing Economic Recovery Package (SHERP).

The SHERP represents a significant government investment in a pipeline of works, targeted at social housing, to support the WA construction industry through to 2023 while improving the lifespan and quality of homes available for social housing.

It is suggested that the Shire provide this information to other agencies in Yalgoo to seek Workstream 3 targeted maintenance opportunities.

This report is seeking Council support to begin an assessment of the grant for two social housing properties to be constructed in Yalgoo. The Shire would be required to provide the land and manage the project.

Once complete these properties can be made available to people on the states social housing waitlist.

If Council provide in principal support administration will return to Council with suitable land or land purchase options and the required budget that would be required for the grant application and land if successful.

SUMMARY

That Council considers the development and trial of a Nature Based Caravan Park along Geraldton – Mt Magnet Highway just south of the Railway Dams on reserve 3450.

COMMENT

Reserve 3450 is vested historically with the Shire of Yalgoo for the purpose of Camping. The area is close to town and would require little to no clearing to be used for this purpose.

It is suggested that administration assess the area with regard to mosquitos, water levels during heavy rain and planning factors and advertise the Shires intention to operate a rest area or nature based caravan park in the vicinity of the townsite.

This initiative will allow prospectors to stay in town longer where they are self sufficient and will also provide for overflow from the caravan park which may move away from unpowered site prices during next years tourist season.

The last 3 years have seen significant increases in the patronage of the Yalgoo Caravan Park. While it is not anticipated that much use will occur in summer we have seen some very busy winter months. Outlay is suggested to be minimal at first except for access until a clearer picture of Covid related travel changes can be better understood.

PUBLIC QUESTION TIME - FOR INFORMATION pm.PRPOSES ONLY

The Shire of Yalgoo welcomes community participation during public question time of Council Meetings. The following is a summary of s5.24 of the Local Government Act 1995, the Local Government (Administration) Regulations 1996 and Shire Policy, to provide a guide for public question time.

To enable a prompt and detailed response to questions, members of the public are requested to lodge questions in writing to the Chief Executive Officer at least two days prior to a Council meeting. This can be done:

- a. In person at the Shire of Yalgoo Office, 37 Gibbons St, Yalgoo
- b. By emailing the Executive Support Officer pa@yalgoo.wa.gov.au
- c. By phoning the Executive Support Officer (08) 9962 8042

When registering a question members of the public will be required to provide the following for record keeping and response:

- a. Name, Address, Contact Number and Name of Organisation representing (if any)
- b. A written copy of the question to be asked at Public Question Time

It is recommended to arrive at the Council Meeting 15 minutes to commencement if you have not registered a question in advance.

The presiding Member will open Public Question Time where appropriate and, if necessary, provide a brief summary of the rules, regulations and procedures of Public Question Time.

1. The person asking the question is to state their name prior to asking the question.
2. Questions are to be directed through the chair, with the Presiding Member having the discretion of accepting or rejecting a question and the right to nominate a Councillor or Officer to answer.
3. In order to provide an opportunity for the greatest portion of the gallery to take advantage of question time, questions are to be as succinct as possible. Any preamble to questions should therefore be minimal and no debating of the issue between the Gallery, Councillors or Officers is permissible.
4. Where the Presiding Member rules that a member of the public is making a statement during public question time, then no answer is required to be given or recorded in response.
5. Questions which are considered inappropriate; offensive or otherwise not in good faith; duplicates or variations of earlier questions; relating to the personal affairs or actions of Council members or employees; will be refused by the Presiding Member as 'out of order' and will not be recorded in the minutes.
6. Questions from members of the public that do not comply with the Rules of Question Time or do not abide by a ruling from the Presiding Member, or where the member of the public behaves in a manner in which they are disrespectful of the Presiding Member or Council, or refuse to abide by any reasonable direction from the Presiding Member, will be ruled 'out of order' and the question will not be recorded in the minutes.

Agenda – Ordinary Council Meeting – Tuesday 28th September 2021

7. Answers to questions provided in good faith, however, unless reasonable prior written notice of the question is given, answers should not be relied upon as being totally comprehensive.
8. The priority for asking questions shall be firstly 'questions on which written notice has been given prior to the meeting' (that is, prior to 12 noon on the day immediately preceding the meeting) and secondly, 'questions from the floor'.
9. Public Question Time is set for a maximum period of 15 minutes, and will terminate earlier should no questions be forthcoming.
10. There are circumstances where it may be necessary to place limits on the asking of questions to enable all members of the public a fair and equitable opportunity to participate in Public Question Time. In these events the Presiding Member will apply the most appropriate limit for the circumstance. Generally each member of the public shall be provided a maximum two minutes time limit in the first instance, in which to ask a maximum of two questions (whether these are submitted 'in writing' or 'from the floor'). A question may include a request for the tabling of documents where these are relevant to an issue before Council.
11. Should there be time remaining on the initial period for Public Question Time (i.e. 15 minutes) after all members of the public have posed their initial allotment of two questions, the Presiding Member will then allow members of the public to sequentially (in accordance with the register) ask further questions (with necessary limits in place as discussed above if required) until the initial period for Public Question Time has expired.
12. Any extension to the initial period for Public Question Time is to be limited to a period that will allow sufficient time for any remaining members of the public to ask their initial allotment of two questions.
13. Where a question (compliant to these rules) is raised and is unable to be answered at the meeting, the question shall be 'taken on notice' with an answer being given at the next appropriate Council Meeting.
14. Where a member of the public submitting a question is not physically present at the meeting, those questions will be treated as an item of correspondence and will be answered in the normal course of business (and not be recorded in the minutes).
