- No Environmental issues have been identified in the last 4 months.
- The Shire employs a contracted staff member to handle statutory compliance issues on a monthly basis. It is planned to continue this approach.

Consultation
Megan Gammon - URBIS

Comment
Due to the low number of available lots yet to be released in the township of Yalgoo and none available in the Paynes Find precinct, it is prudent to plan for and create the opportunities for these areas to grow. Whilst investigations are taking place into the residential (UCL) lots within Yalgoo, it has been noted that other forms of zoning would also be beneficial.

After discussions with West Australian Vietnam Business Council (WAVBC), the Shire President and me, URBIS were requested to investigate the option of creating ‘special rural’ lots to the north of Yalgoo adjacent to the golf club consisting of approximately 7 lots of 5 acres each. This area is capable of town
water supply, power and telephone connections. This will allow for horticultural development consistent with state planning development plans for our region.

A request was also made from Paynes Find regarding the availability of land for further development that has the ability to increase the population and community within that area. URBIS will also investigate an option of providing some lots in Paynes Find.

Matter for Consideration

Adoption of the monthly financial statements.

Background

The Local Government Act and Regulations require local governments to prepare monthly reports containing the information that is prescribed and require the Chief Executive Officer to prepare a list of accounts paid.

Statutory Environment

Local Government Act 1995

Section 6.4–Specifies that a local government is to prepare such other financial reports as are prescribed.

Local Government (Financial Management) Regulations 1996

Reg 13(1)–Requires that where the Chief Executive Officer has delegated power to make payments from the Municipal or Trust funds a list of accounts paid is to be prepared each month.

Regulation 34 states:

(1) A local government is to prepare each month a statement of financial activity reporting on the sources and applications of funds, as set out in the annual budget under regulation 22(1)(d) for that month in the following detail:

(a) annual budget estimates, taking into account any expenditure incurred for an additional purpose under section 6.8(1)(b) or (c);
(b) budget estimates to the end of month to which the statement relates;
(c) actual amounts of expenditure, revenue and income to the end of the month to which the statement relates;
(d) material variances between the comparable amounts referred to in paragraphs (b) and (c);
(e) the net current assets at the end of the month to which the statement relates.

Sub regulations 2, 3, 4, 5 and 6 prescribe further details of information to be included in the monthly statement of financial activity.

Strategic Implications

Provision of timely accounting information to inform Council of the financial status and financial affairs of the local government.

Reports showing year to date financial performance allow monitoring of actual expenditure, revenue and overall results against budget targets.
Policy Implications

2.1 Capitalisation of Assets
2.4 Material Variance

Financial Implications

Payments from Council’s Municipal Account as disclosed in the budget or subsequently approved.

Consultation

Shire Accountants – Moore Stephens
Dominic Carbone – Dominic Carbone and Associates

Comment

The Shire utilises the services of accountants UHY Haines Norton to prepare the monthly financial statements in the statutory format and provide general accountancy support and advice.

A copy of the Statement of Financial Performance is included in the financial attachments with the investment register and schedule of payments.

The areas where material variances have been experienced (10% or $10,000 above or below budget) are commented on in the material variance attachment.

Cr Raul Valenzuela, at the Ordinary Council Meeting held on 22 January 2016, requested that information be provided in relation to a payment made to St John Ambulance Geraldton Sub Centre of $1790.50.

The following information is accordingly provided:

- $520.00 for St John Ambulance staff accommodation at the Yalgoo Caravan Park;
- $1270.50 for the ambulance service attending the 2015 Yalgoo Emu Cup/Goo Fest community event.
