Matter for Consideration
The Shire has received an application for consideration in relation to a proposal to install a Telstra mobile phone base station located at Lot 4317 Goodingnow Road, Paynes Find WA 6612. The application has been submitted by Planning Solutions on behalf of Telstra Corporation Limited, and was received by the Shire on the 8th December 2017.

A summary of the application is noted below:
A Telstra mobile phone base station facility which is proposed as part of the National Mobile Black Spot Program including:

- 42m high guyed mast;
- 4x panel antennas;
- 2x parabolic dish antennas;
- 1x GPS antenna;
- 1x Outdoor Equipment Shelter;
- 1x Solar Panel Array;
- 1x Diesel Generator; and
- Ancillary equipment associated with the operation of the facility.

The solar panel array will be located within a fenced compound measuring 10m x 35m, with the base of the guyed mast also being fenced within a 3m x 3m compound area.

Background
The subject site is contained within the area covered by the Shire of Yalgoo Local Planning Scheme No. 2 (LPS2) and is zoned as a Local Scheme Reserve for Public Purposes under the provisions of LPS2.

The proposal comprises of a 42-metre guyed mast, four (4) panel antennas and two (2) parabolic antennas mounted on a triangular headframe on the proposed mast, one (1) GPS antenna mounted on a battery cabinet, one (1) solar panel array and one (1) diesel generator at ground level, together with an outdoor equipment cabinet, cabling and ancillary equipment, including two (2) tower mounted amplifiers and three (3) radio remote units.

The proposed facility will be contained within an irregular shaped lease area, with the solar panel array contained within a security fenced compound measuring in 10m x 35m. The mast will be contained within

**Strategic Implications**
The strategic significance of telecommunications is identified in the State Planning Strategy which states: “The development of State infrastructure, services and regional centres that employ new telecommunication technologies will enable business growth and efficiency. It will also enable people, resources and information to be linked in ways that reduce the barriers of location and time.”

**Shire of Yalgoo Strategic Infrastructure Plan 2013**
Section 6 of the Shire of Yalgoo Strategic Infrastructure Plan 2013 identifies the current provision of communication facilities within the Shire. It notes the following: “There is an existing Telstra cable network throughout the townsite and a Telstra exchange within the town which provides telephone services. However, the townsite is outside the coverage area for conventional Telstra Mobile and Internet Services”.

As such it is expected that the proposed facility will provide an increase in these services and provide and will especially be beneficial to emergency services and other stakeholders within the coverage area. It is also noted that this application is potentially one of several similar facilities that are intended to be deployed within the Shire of Yalgoo local government area and a broader strategic consideration should be had when determining the outcome of the application at present.

**Policy Implications**
The Shire of Yalgoo does not have a specific Telecommunications Local Planning Policy

**State Planning Policy 5.2 – Telecommunications Infrastructure**
The objectives of this policy are to:

- Facilitate the provision of telecommunications infrastructure in an efficient, cost-effective and environmentally responsible manner to meet community needs;
- Manage the environmental, cultural heritage, visual and social impacts of telecommunications infrastructure;
- Ensure that telecommunications infrastructure is included in relevant planning processes as essential infrastructure for business, personal and emergency reasons; and,
- Promote a consistent approach in the preparation, assessment and determination of planning decisions for telecommunications infrastructure.

It is considered that this proposal is consistent with these objectives.

**Financial Implications**
Should Council resolve to refuse or conditionally approve this proposal; an applicant aggrieved by a determination of the local government in respect of the exercise of a discretionary power under the Scheme may appeal under Part 14 of the Planning and Development Act. Such process would incur legal costs.
**Legal and Statutory Implications**
The Planning and Development Act 2005 and its Regulations provides for the creation of a Local Planning Scheme.

The Shire of Yalgoo Local Planning Scheme No. 2 (the Scheme) provides the mechanism for protecting and enhancing the environment of the district and its historical associations, controlling land and building development, setting aside land for future use as reserves and other matters authorised by the Planning and Development Act 2005.

Under the Scheme the proposed “telecommunications infrastructure” land use is not listed. Accordingly, under Clause 4.4.2 of the LPS2 - If a person proposes to carry out on land any use that is not specifically mentioned in the Zoning Table and cannot reasonably be determined as falling within the type, class or genus of activity of any other use category the local government may —

a) determine that the use is consistent with the objectives of the particular zone and is therefore permitted;
b) determine that the use may be consistent with the objectives of the particular zone and thereafter follow the advertising procedures of clause 9.4 in considering an application for planning approval; or
c) determine that the use is not consistent with the objectives of the particular zone and is therefore not permitted.

The land is identified as being a Local Reserve, which under Clause 3.4 of LPS2: a person must not —

a) use a Local Reserve; or
b) commence or carry out development on a Local Reserve, without first having obtained planning approval under Part 9 of the Scheme.

In determining an application for planning approval, the local government is to have due regard to —

a) the matters set out in clause 10.2; and
b) the ultimate purpose intended for the Reserve.

With respect to the above, it is considered that the proposed land use of ‘telecommunications infrastructure’ would not compromise, the ultimate purpose intended for the reserve. Nationally, telecommunications infrastructure is governed by the Telecommunications Act 1997. This is the overarching legislation. The main effect of this legislation is that there is a requirement for telecommunications infrastructure to comply with State (and local) planning and environmental approval procedures.

Should Council decide to refuse the application, it is likely that the matter will be sent to the State Administrative Tribunal (SAT) for review. Additionally, refusal of an application made under the National Black Spot Program has the potential to impact the future development and rollout of similar facilities required for the network operation throughout the area.

**Risk Implications**
As noted above, an applicant aggrieved by a determination of the local government in respect of the exercise of a discretionary power under the Scheme may appeal under Part 14 of the Planning and Development Act. Such process would incur legal costs.
Social Implications
The Shire of Yalgoo currently has many mobile black spots within its boundary. Poor reception in remote areas can be problematic for social connectivity and can also hamper the ability to communicate during emergency situations.

Effective telecommunications are deemed to be an essential community service, vital to successful growth, development and safety. The proposed facility will provide terrestrial mobile voice and high-speed wireless data broadband to improve highway and town-to-town coverage to the rural communities, tourists and travellers in the locality.

Environmental Implications
It is advised that the construction of the proposed guyed mast and associated ancillary development is unlikely to have a significant effect on the surrounding environment. Any possible impacts can be appropriately addressed through the existing planning framework. The proposed site is not recorded in the DPaW mapping system as “Environmentally Sensitive Area” or forming a part of any significant Regional Ecological Linkages.

Note 5 of Drawing Sheet No. S1-1 identifies that vegetation within the compound area is to be cleared as part of the application in order to minimise any snake activity. Should substantial clearing be required approvals from the relevant authorities would be required to be obtained prior to the works taking place. Additionally, it is recommended that should any wildlife, including snakes, be identified at the site that a suitable and qualified professional be commissioned for the safe relocation of the animals.

While the proposal has the minimal impacts to the surrounding natural environment, it is recommended that during construction all care is taken to ensure that native wildlife is not interfered, erosion does not occur or is not likely to occur once the construction is complete and that any damage and rubbish created by the construction is appropriately remediated.

Economic Implications
There are no adverse economic implications envisaged from this report.

Conclusion
There is strong State policy support for telecommunications facilities if, when balancing improved telecommunications services with environmental impacts; including for example, visual impact and flood or fire hazard, a particular proposal provides a net community benefit.

The proposed works will provide the community with reliable 4G access which in turn supports the various rural pursuits in the region and forms part of a wider plan to ensure reliable and accessible coverage during emergency situations such as bush fires.

The proposed telecommunications facility as part of the National Mobile Black Spot Program will provide improved coverage services within the Shire and will provide an overall benefit.

Under Clause 10.3 of the Shire of Yalgoo Local Planning Scheme No.2, in determining an application for planning approval the local government may –
   a) Grant its approval with or without conditions; or
   b) Refuse to grant its approval.

In this instance, it is considered that the application appropriately meets all statutory requirements and is therefore recommended that approval be granted subject to relevant conditions.

Simple Majority.
OFFICER RECOMMENDATION
Lot 4317 Goodingnow Road, Paynes Find – Proposal to install a ‘Telstra’ mobile phone base station facility

That Council:

Approve the application for development dated 8 December 2017 for the installation of the Telecommunications tower and supporting infrastructure located at Lot 4317 Goodingnow Road, Paynes Find WA 6612, subject to the following conditions:

1. Development shall be carried out only in accordance with the terms of the application as approved herein and any approved plans;
2. Any variations from the above shall require additional approval to be received from Council;
3. The development approved is to be substantially commenced within a period of 2 years after the date of determination. Should development not substantially commence before the expiration, approval would no longer apply and additional approvals will be required;
4. This approval does not constitute a building permit. A building permit is to be obtained prior to the commencement of any building works; and
5. Nothing in the approval or these conditions shall excuse compliance with all relevant written laws in the commencement and carrying out of the development.

10.2.2 Proposed Amendment No. 2 to Local Planning Scheme No.2: Reclassify Lot 65 (No.42) and 66 (No 44) Gibbons Street, Yalgoo

Matter for Consideration

Council to consider an amendment to the Shire of Yalgoo Local Planning Scheme No.2 (LPS 2), to reclassify two parcels of land within the Yalgoo townsite identified as Lot 65 (No.42) and 66 (No.44), Gibbons Street, Yalgoo, from ‘Public Purposes’ to ‘Residential (R10)’.

The proposed Scheme Amendment shall be known as Amendment No.2.

Proposal
The proposed Scheme Amendment seeks to reclassify Lot 65 (No. 42) Gibbons Street and Lot 66 (No.44) Gibbons Street, Yalgoo from ‘Public Purposes’ to ‘Residential (R10)’ as indicated on the Scheme Amendment Map.

This amendment is proposed following a request by the landowner of the above lots to the Ombudsman of Western Australia. The subject land was previously zoned Residential R10 under the former Town Planning Scheme No.1 and was reclassified to Public Purposes as part of a Scheme Review process in 2010. On reflection, this reclassification was an administrative error with no intent by the Shire to pursue public purpose land uses on this freehold site. accordingly, this amendment seeks to revert to the previous Residential R10 zoning.

Based on pre-lodgement advice from the Department of Planning, Lands and Heritage, this amendment is considered a ‘standard amendment’.

A copy of the LPS Amendment Maps is attached.

Consultation
As part of the preparation of the Amendment No.2, liaison with the A/Planning Director (Mr Justin Breeze) from the Department of Planning, Lands and Heritage was undertaken, during which it was confirmed that an application of this nature would be considered a ‘standard amendment’. This is due to the following:

a) The Amendment is considered to have minimal impact on land in the scheme area that is not the subject of the amendment;

b) The Amendment does not result in any significant environmental, social, economic or governance impact on land in the scheme area; and

c) The Amendment is not considered to be either complex or basis in nature.

Assuming Council’s resolution to initiate Amendment No.2, statutory advertising will be undertaken in accordance with the Planning and Development (Local Planning Schemes) Regulations 2015, Regulation 47(1), for a period of 42 days.

Strategic Implications
Amendment No.2 is consistent with the Shire’s Strategic Community Plan and all relevant State and Regional policies in that it will revert land back to residential in order to facilitate the opportunity to increase population and housing stock in the Shire, in appropriate locations.
Policy Implications
Nil

Financial Implications
All costs associated with the preparation and advertising of this amendment have been borne by the Shire. This includes engaging the Shire’s Planning Consultant, Urbis, to prepare and monitor the application.

Legal and Statutory Implications

Local Government Act 1995
s.3.1 (1) The general function of the local government is to provide for the good government of persons in its district.

Planning and Development Act 2005
Part 5, Section 75 states that - A local government may amend a local planning scheme with reference to any land within its district, or with reference to land within its district and other land within any adjacent district, by an amendment —
   a) prepared by the local government, approved by the Minister and published in the Gazette; or
   b) proposed by all or any of the owners of any land in the scheme area, adopted, with or without modifications, by the local government, approved by the Minister and published in the Gazette.

Should initiation be granted to the proposal, the prior consideration by the Environmental Protection Authority (EPA) is required. Where the EPA advises that the proposed amendment need not be assessed on environmental grounds, the amendment would then be advertised for a period of not less than 42 days for agency and public comment. Following advertising, Council will be required to reconsider the proposal as well as any submissions received.

Shire of Yalgoo Local Planning Framework
A summary of the key local planning considerations is provided below:

- Shire of Yalgoo Strategic Community Plan 2013-2023 - Amendment No.2 is generally aligned with the key objectives of the Shire’s Strategic Community Plan. The reclassification of the subject sites will deliver access to additional residential land within the townsite.

- Local Planning Scheme No.2 – Amendment No.2 seeks to correct an administrative error that was borne out of the Shire’s Scheme Review process. The reclassification is considered to be generally in accordance with the overall aims of the Scheme, in particular to provide for future residential land use needs and townsite expansion.

   It is also noted that future development applications within each Amendment area will need to have due regard to the specific provisions of the Residential zone and broader provisions within the Scheme.

- Shire of Yalgoo Municipal Heritage Inventory – Lot 65 is included within the Municipal Heritage Inventory. Accordingly, any future applications relating to the subject site should have due regard to the protection and enhancement of the heritage site, given its historical significance.

Voting Requirements
Simple Majority.
OFFICER RECOMMENDATION
Proposed Amendment No.2 to Local Planning Scheme No.2: Reclassify Lot 65 (No.42) and 66 (No.44) Gibbons Street, Yalgoo

That Council:
Pursuant to Section 75 of the Planning and Development Act 2005 (as amended), resolve to adopt Scheme Amendment No.2 to Town Planning Scheme No.2 for the purpose of advertising:

by:
1. Reclassify Lot 65 (No. 42) Gibbons Street and Lot 66 (No.44) Gibbons Street, Yalgoo from ‘Public Purposes’ to ‘Residential (R10)’ as indicated on the Scheme Amendment Map.
2. Forward Scheme Amendment No.1 to:
   a. The Environmental Protection Authority (EPA) for comment, pursuant to Section 81 of the Planning and Development Act 2005.
   b. The Western Australian Planning Commission for information.
3. As per Regulation 47 of the Planning and Development (Local Planning Scheme) Regulations 2015, subject to no objections being received from the EPA, advertise the amendment for public comment for a period of 42 days to the satisfaction of the Chief Executive Officer.

Matter for Consideration  
Adoption of the Monthly Financial Statements.

Background  
The Local Government Act and Regulations require local governments to prepare monthly reports containing the information that is prescribed.

Statutory Environment  
*Local Government Act 1995*  
Section 6.4–Specifies that a local government is to prepare such other financial reports as are prescribed.  
*Local Government (Financial Management) Regulations 1996*  
Regulation 34 states:  
(1) A local government is to prepare each month a statement of financial activity reporting on the sources and applications of funds, as set out in the annual budget under regulation 22(1)(d) for that month in the following detail:  
(a) annual budget estimates, taking into account any expenditure incurred for an additional purpose under section 6.8(1)(b) or (c);  
(b) budget estimates to the end of month to which the statement relates;  
(c) actual amounts of expenditure, revenue and income to the end of the month to which the statement relates;  
(d) material variances between the comparable amounts referred to in paragraphs (b) and (c);  
(e) the net current assets at the end of the month to which the statement relates.  
Sub regulations 2, 3, 4, 5, and 6 prescribe further details of information to be included in the monthly statement of financial activity.

Strategic Implications  
Provision of timely accounting information to inform Council of the financial status and financial affairs of the local government.  
Reports showing year to date financial performance allow monitoring of actual expenditure, revenue, and overall results against budget targets.
Policy Implications

2.4 Material Variance

Financial Implications

The Financial Activity Statements reflect the financial situation of the Shire as at year to date.

Matter for Consideration
The acceptance of the 2016-2017 Annual Report and the holding of the Electors’ General Meeting.

Background
An Electors’ General Meeting is required to be held after Council accepts the Annual Report 2016-2017 Financial year.

Statutory Environment
Local Government Act 1995

Electors’ general meetings s5.27
(1) A general meeting of the electors of a district is to be held once every financial year.
(2) A general meeting is to be held on a day selected by the local government but not more than 56 days after the local government accepts the annual report for the previous financial year.
(3) The matters to be discussed at general electors’ meetings are to be those prescribed.

Annual Reports s5.53
(1) The local government is to prepare an annual report for each financial year.
(2) The annual report is to contain —
   (a) a report from the mayor or president; and
   (b) a report from the CEO; and
   [(c), (d)deleted]
   (e) an overview of the plan for the future of the district made in accordance with section 5.56, including major initiatives that are proposed to commence or to continue in the next financial year; and
   (f) the financial report for the financial year; and
   (g) such information as may be prescribed in relation to the payments made to employees; and
   (h) the auditor’s report for the financial year; and
   (ha) a matter on which a report must be made under section 29(2) of the Disability Services Act 1993; and
   (hb) details of entries made under section 5.121 during the financial year in the register of complaints, including —
      (i) the number of complaints recorded in the register of complaints; and
      (ii) how the recorded complaints were dealt with; and
      (iii) any other details that the regulations may require; and
such other information as may be prescribed.

Acceptance of annual reports s5.54.

(1) Subject to subsection (2), the annual report for a financial year is to be accepted* by the local government no later than 31 December after that financial year.

* Absolute majority required.

(2) If the auditor’s report is not available in time for the annual report for a financial year to be accepted by 31 December after that financial year, the annual report is to be accepted by the local government no later than 2 months after the auditor’s report becomes available.

Notice of annual reports s5.55.

The CEO is to give local public notice of the availability of the annual report as soon as practicable after the report has been accepted by the local government.

Comment

The Annual Report for the 2016-2017 Financial year is now presented and Council is requested to give consideration to adopting the Report.

Local Governments are to prepare an annual report for each financial year. This annual report is to contain:

1. A report from the Mayor or President;
2. A report from the Chief Executive Officer;
3. An overview of the Strategic Community Plan of the district including major initiatives that are proposed to commence or to continue in the next financial year;
4. The financial report for the financial year;
5. Such information as may be prescribed in relation to payments made to employees;
6. The auditor’s report for the financial year;
7. A matter on which a report must be made under section 29(2) of the Disability Services Act 1993;
8. Details of entries made under section 5.121 during the financial year in the register of complaints.

In order to comply with the requirements of the Local Government Act 1995, the Annual Electors’ meeting must be held within 56 days of the adoption of the Annual Report.

Should the Annual Report be adopted by Council at its Ordinary Council meeting on 25 January 2018 the Annual Electors’ meeting would need to be held prior to 22 March 2018.

The Annual Electors’ meeting last year was held at Yalgoo and it recommended that it be held at Paynes Find for this year prior to 22 March 2018.

The Annual Electors’ meeting to be advertised in the Western Australian Newspaper, the Bulldust and Community Notice boards as deemed appropriate.

Copies of the Annual Report including financial statements for the year ended 30 June 2017 to be available at the Shire’s Administration Centre in Yalgoo and a copy to be made available at Paynes Find or by contacting the Shire.
Voting Requirements

*Absolute Majority.

OFFICER RECOMMENDATION

Tidy Towns Yalgoo State final winners for General Appearance

Yalgoo was named the winners for General Appearance and runners up for Young legends (MEEDAC)
Yalgoo has taken out a Tidy Town’s Sustainable Communities 2017 award, scooping the highly converted prize from the line-up of hopefuls from across the State. The community from young children to MEEDAC workers along with Shire employers have been working hard to improve the appearance of the Shire Community Hall and the town utilising recycled timber, making pathways out of old bricks creating colourful mosaic paths and painting recycled concrete containers. Planting herb and vegetable beds and areas for screen planting, bush tucker plants, shaded seating and fruit trees. Due to the frequent clean-ups and litter education, the streets are tidy and nature strips are well maintained. The new play ground, Arts & Cultural Centre and Sports Oval will enhance Yalgoo community and bring pride to the township and wider community.

Community meeting Tuesday 5th December 2017

Held at the community hall at 4pm

Service provider’s, Councillors and locals attended the community meeting. See attached minutes

17 participants attended the meeting

Next community meeting 13th February at 6pm requested by the group.
Children’s Environment & Health Local Government Report Card Project 2017

Shire of Yalgoo received recognition of commendable strategies in Nature Play 2017. The Shire has supported the introduction of a nature play area for the local children by providing the man power and resources. It is great to see the community come together to work on this worthwhile project, a community styled garden and educational opportunities have been taken advantage of. Adopt a “Helmet” project and the partnerships between services have formed the next phase implemented. Reinforcing the consequences of not wearing a helmet is a powerful message to children. The award was presented to the CEO Silvio Brenzi in Perth on the 8th of December.

Shire Christmas Break up 15-12-2017

The Shire Christmas party was held up at the Railway complex, we started decorating the hall at 3-30pm which gave us about 2 hours to get the decorations up, tables and chairs set up, food, drinks, the BBQ sorted, and entertainment set up before the Shire workers and Council members and their partners started to arrive. We had a good turn out with every one yarning along with background music. Dinner was ready by 7:30pm and with everyone seated Silvio thanked us all for the hard work and goals achieved throughout the year. Both Neil Grinham and Raul Valenzuela were acknowledged for their outstanding contribution to the people of Yalgoo and the wider district over many years. Councillor Greg Payne addressed us all in the absence of Yalgoo President Jo Kanny. Once speeches had concluded the party really started. Music dancing, singing and laughter could be heard in the township. A productive fun evening had by all whom attended.

Yalgoo Shire EMR Golden Grove Children’s Christmas Party 17-12-2017

The Shire organised another successful Christmas party for the children of Yalgoo and pastoral owners. Setting up tables and chairs, placing presents under the tree, wondering if the weather would hold up for our excursion to Mullewa pool in the afternoon. The hall and BBQ was set up but unfortunately due to bad weather we cancelled the excursion to Mullewa pool. The church service held by Pastor Darrin and David whom also bought in blankets and secondhand clothing for the locals. We had 60 + children parents and grandparents attend sitting patiently listening and joining in with the singing and videos shown by Darren. Councillor Percy became our stand in Santa and Tamihana played the Elf whom assisted in giving out the presents. This made a dull wet day seem fun with humour and cheeky behaviour, the looks on the children’s faces seeing Santa made for great photos. Parents and grandparents took photos whilst enjoying the morning’s events. 84 participants signed during the morning in the register book. We served up morning tea then sent the children home as the hall was cleaned and waited for Michelle Hodder to bring the food back from Inspirations in Mullewa. Everyone returned for dinner at 4pm. We would like to thank our entire parent volunteer group LDAG group for all their help setting up morning tea and dinner, serving and cleaning up the hall on the day.

A big thank you to Inspirations in Mullewa for supplying the Shire with enough food to cover the Shire break up party and Shire children’s Christmas party. Mick Davies Meats in Geraldton for supplying us with enough meat to cover 2 events including Australia Day and the children school holiday program this year. Thanks to all the parent volunteer group for helping us organise clean and prepare for these events and programs.
