MATTER FOR CONSIDERATION

That the Finance & Audit Committee recommend to Council that the Regulation 17 Report prepared by Darren Long & Associates be received and the CEO be requested to implement changes to administration accounting practices in relation to legislative compliance, internal control and risk management, where practical.

BACKGROUND

The Shire engaged Darren Long & Associates to undertake the Regulation 17 review and Mr Long has delivered a comprehensive report covering all aspects of financial management, legislative compliance, internal controls and risk management.

STATUTORY ENVIRONMENT

Local Government Act 1995

Regulation 17 of the Local Government (Audit) Regulations 1996

STRATEGIC IMPLICATIONS - Nil

CONSULTATION - Nil

COMMENT

Mr Long’s findings detailed at Section 19 are as follows:

“OPINION – Financial Management Review

The review of the Financial Management Systems & Procedures developed by the Shire of Yalgoo indicates that, except for those matters identified in the findings and recommendation section of this report, they are appropriate and effective for the particular operations and size of the Shire.

In addition the review has concluded that, except where indicated in the report, the Shire has observed the requirements of the Local Government Act 1995 and the Local Government (Financial management) Regulations 1996”

Review of Legislative Compliance, Internal Controls and Risk Management

The review of the legislative compliance, internal controls and risk management mechanisms developed by the Shire of Yalgoo indicates a series of weaknesses in various processes, procedures and systems. The matters identified in the findings section of this report range from minor to major in nature. The recommendations detailed in this report present an opportunity for the local government to consider suggested improvements to internal procedures, processes and systems to enhance the overall control environment.”
While required improvements are acknowledged, the Shire is limited in the number and experience level of its very small administration/accounting staff. To put it bluntly, at the expense of around $750,000.00 plus housing, vehicles, etc. per year, the Shire could employ (hopefully) additional suitably qualified and experienced administration staff to remedy the shortcomings of internal control detailed in the report. There has been no report or evidence at all that the shortcomings have actually brought the Shire into risk and financial loss through fraud etc. as a result of the lack of internal controls. However, we do have a duty to improve internal controls in respect of financial management, etc. to the best of our ability.
