COMMENT
In accordance with Delegation 2.2, Greenfield’s Technical Services have called tenders on behalf of Council. GTS has summarised the tenders received and provided a recommendation to Council for adoption. Note that all tenders include a rise and fall formula regarding bitumen prices.

It is recommended that a contract is awarded to a tender panel to provide choice of two suppliers. This will ensure that if the first preferred supplier is unavailable at the time that the work is ready to commence, the Shire can appoint the second preferred supplier.

OFFICER RECOMMENDATION

Annual Supply Tender – Bitumen and Aggregates

1. That the Shire of Yalgoo awards a contract for supply, spray, spread & cover bitumen to a panel comprising Boral Asphalt ($468,748 inc GST) followed by RNR Contracting ($528,014 inc GST), in accordance with the recommendation of Greenfield’s Technical Services in consideration of Tender YA 2010-04.

2. That the Shire of Yalgoo awards a contract for supply and delivery of aggregates to Winchester Industries for $122,728 inc GST, in accordance with the recommendation of Greenfield’s Technical Services in consideration of Tender YA 2010-05.

COMMENT
Tenders YA 2010 07 to 09 for a roller, grader and backhoe close on 25 November 2010. The sooner we are able to order these items, the sooner they will be delivered to facilitate our works program. In particular, the works crew urgently need the multi tyred roller as the existing older machine has been decommissioned following assessment that it is no longer serviceable.

- YA 2010-09 - Backhoe
11.2 DEVELOPMENT AND ENVIRONMENTAL HEALTH

11.2.1 Environmental Health and Building Report

File: Author: Bill Atyeo – Environmental Health and Building Officer
Interest Declared: No interest to disclose
Date: 5 November 2010

MATTER FOR CONSIDERATION
To provide Council with an Activity Report on the operations of Council’s Environmental Health Officer/Building Surveyor.

REPORT
As Council’s Environmental Health and Building Surveyor, I visited the Shire on the 14th October 2010, please find below a summarised activity report for that time.

1. Inspection Yalgoo Hotel:
I conducted an inspection of the kitchen and facilities following an email complaint in regard to a number of matters. I have verbally stated to Mr Forster what my findings were. I have also discussed this and other issues with the Liquor Licensing Premises Inspector, who has also inspected the hotel. The Liquor Licensing will if required suspend the liquor license if the conditions they have placed are not adhered to

2. Venus Housing within the Town-site – Yalgoo:
Sent Memo to the CEO following my research on the matters raised by the CEO regarding Venus’ occupation of the old Main Roads Depot. In summary, there are legislative blockages to allowing Venus to reside in a caravan that is not in a caravan park. Venus is able to build “grouped housing” on residential lots with the consent of Council, using their discreional powers, and they would require Building Licenses for this

3. Food Premises Registrations:
Under the new Food Act, all food premises are required to notify Council of their business, and there are a number of matters which we are compelled to keep in a register of food premises. I am in the process of recording these and will next week contact the mines in the Shire for their details.

I have now completed a register in the form of an Excel Spreadsheet in order to record these, and have drawn-up reporting forms which will need to be submitted to the Health Department on an annual basis in December each year.

4. Town Planning - Proposed Introduction of Development Assessment Panels (DAP)
I report to Council on the progress in relation to the introduction of Development Assessment Panels throughout the State, and the possible effect this would have on Local Government. In the past I have made comment on the introduction of such on behalf of the other Shires I service within the Region and feel that Yalgoo may wish to know the results of the consultation process.

In May 2010 the legislation was before Parliament with certain changes that had been brought about by the comments made by me on behalf of the Shires and other Shires throughout Western Australia.
In our situation it was felt that we were against the introduction of such a system, but we were informed that State Government was determined to push through the legislation, with the amendments that were stated by the Minister.

The Minister stated:

*Development Assessment Panels are being introduced for the benefit of the community, and as a direct response to the National Development Assessment Forum’s leading practice model. They will be independent decision-making bodies made up of a mix of elected local government members and independent professionals. This will ensure that decisions on development applications will benefit from the best of two very important pools of knowledge - the local member with their knowledge of the local community and detailed history of the local areas, as well as the independent technical expert with their technical knowledge and professional experience.*

The financial threshold prescribing which applications must be determined by a development assessment panel have been modified to ≥$15 million for the City of Perth and ≥$7 million for all other local governments across the state. This means that if the legislation reflects this, then all proposed development >$7 million within our Shire will be processed by a DAP for our region.

The legislation will be proclaimed in November 2010, but the DAPs will not be operating until July 2011. In the meantime the Department will be working hard to develop additional policy documents, and a manual will be developed which will assist local governments and the general public in understanding the new DAP process.

It is expected that the panels will be established in May 2011, with training of members on metropolitan panels to occur throughout May and June. Training of regional panels with a high volume of DAP applications will occur at the same time. Training of regional panels (like us) with a low volume of DAP applications will occur at a later date.

**11.2.2 Forward Capital Works Plan**

File:
Author: Sharon Daishe, CEO
Interest Declared: No interest to disclose
Date: 9 November 2010
Attachments: (yellow) P.4 Country Local Government Fund Guidelines (Individual)

**MATTER FOR CONSIDERATION**
To consider and prioritise projects for inclusion in the Shire’s five year Forward Capital Works Plan.

**BACKGROUND**
Before receiving the Shire’s Country Local Government Fund (CLGF) 2010-11 allocation the Shire must acquit (ie: spend the money and submit an audited report) their 2008-09 allocation, complete a forward capital works plan to the satisfaction of the Department of Regional Development and Lands (RDL) and enter into a Financial Assistance Agreement (FAG).

The Shire applied for funding to engage a consultant to prepare the forward capital works plan. The CEO selected three suppliers from the WALGA preferred list, each with demonstrated experience in rural and remote communities and in forward capital works planning. Two of the suppliers contacted submitted a proposal and RSM Bird Cameron of Geraldton was selected based on their competitive price and their proximity to Yalgoo. A summary of the suppliers is as follows:

- RSM Bird Cameron, Geraldton: submitted acceptable estimate of $8-10,000 plus travel and GST (engaged).
- Arup Pty Ltd, West Perth: submitted acceptable proposal of $16,250 plus travel and GST.
- ACIL Tasman, West Perth: after initial consideration, advised that they had just secured a project for a large rural Shire and would therefore not be available until 2011.

**STATUTORY ENVIRONMENT**
Local Government Act 1995 –
- s.3.1 – Provides that the general function of the local government is to provide for the good government of persons in its district.

**STRATEGIC IMPLICATIONS**
A consultation process is proposed to ensure that the Council and the community has opportunity to express their preferences for capital works over the next five years to benefit the community of the Shire of Yalgoo.

**POLICY IMPLICATIONS**
The Forward Capital Works Program will guide the activities of the CEO and staff in planning, budgeting and implementing infrastructure projects over the next five years.

**FINANCIAL IMPLICATIONS**
The Shire is allocated $479,522 in the 2010-11 round of CLGF, payable when the guidelines are met. This is likely to occur around mid 2011 after the airstrip and hall projects are completed as these are required to acquit 2008-09 funds.
CONSULTATION

- Community Survey released to Yalgoo Bulldust distribution list and all Councillors on 8 November for return on 17 November
- Community consultation to occur at community meeting to be held on 17 November
- Consultation with Council to occur prior to Council meeting on 18 November

COMMENT

The proposed process and timeline for development of the Forward Capital Works Plan is as follows:

- Mon 8 November: community survey distributed with reply by date of 17 November
- Wed 17 November: RSM and CEO attend community meeting in Yalgoo (6pm) to consult with community/workshop their ideas and priorities
- Thu 18 November: RSM attend Council meeting to workshop priorities and new works with Councillors and senior staff. Council to agree on items to include in plan and prioritise
- Fri 3 December: RSM submit prepared plan to CEO for inclusion in Council agenda
- Tue 14 December: Council to adopt final plan
- Wed 15 December: CEO submit final plan in accordance with CLGF requirements.

The Shire will not be ready to undertake new projects until the existing projects are finalised. Despite off site project management, the impact that this year’s major construction projects (hall, water playground, health centre, caravan park house) have had on Shire staff has been especially significant. The works crew have dedicated many hours to preparing pads and other related works and general assistance. Securing accommodation and providing general support to tradespersons has consumed many hours and days of SAO Heide Duffey’s time, particularly when the hotel has been fully booked with other contractors (Downer EDI, mining/drilling, persons involved in the MRAC housing renovations). There have been whole days when Heide has been unable to attend to her general duties as she has been kept on the run solving issues and answering queries.

Without Heide’s behind-the-scenes and tireless work on the intimate details of these projects, it is extremely unlikely that we would have been able to complete on time.

I express my gratitude and compliments to the Shire works crew and to SAO Heide Duffey for their exceptional efforts in achieving this year’s construction projects.

OFFICER RECOMMENDATION

Forward Capital Works Plan – Identification of Projects

That Council authorises development of the Shire’s five year forward capital works plan in the approved format including the following projects for adoption at the December meeting and submission by the due date of 31 December 2010. (*project list TBA):

(*NOTE: Councillors will finalise the list of projects at a workshop to be held before the Council meeting, based on Council’s existing identified projects and taking into consideration responses to the community survey and community consultation process)

Activities around Yalgoo
The past few months have been a very busy time for everyone. The behind the scenes work is starting to become visible. Driving around Yalgoo one cannot help but notice the activities being carried out. The water playground, renovation of staff housing, health centre, and flag pole; these projects have been talked about for a long time, now they are finally nearing completion and I believe this is only the beginning. Before the end of the year the caravan park house and stage one of the hall should also be completed, what a great note to finish the year of 2010.

As I will not be around for the December meeting and Christmas celebrations I would like to take this opportunity to thank everyone involved in these projects for the assistance and support given during this exciting time and wish each and every one a very happy and merry Christmas.

(a) annual budget estimates, taking into account any expenditure incurred for an additional purpose under section 6.8(1)(b) or (c);
(b) budget estimates to the end of month to which the statement relates;
(c) actual amounts of expenditure, revenue and income to the end of the month to which the statement relates;
(d) material variances between the comparable amounts referred to in paragraphs (b) and (c);
(e) the net current assets at the end of the month to which the statement relates.

Sub regulations 2, 3, 4, 5 and 6 prescribe further details of information to be included in the monthly statement of financial activity.

- s.5.3 – Council meeting not to be more than 3 months apart
- s.5.25 – Regulations may be made
Administration Regulations –
- r.12 – local public notice of date and time of Council and Committee meetings to be given at least once each year.

CONSULTATION
CEO Sharon Daishe

COMMENT
The Act does not require Council to meet on a particular day nor in a particular place. Council has generally met on a Thursday each month. In 2010, the meeting dates were based on the second last Thursday of a month to enable time for UHY Haynes Norton to return financial reports for inclusion in the agenda papers. In 2010, two meetings were held at Paynes Find.

In previous years (with the exception of 2010 due to senior staff changeover), Council has not held a January meeting. As Council closes for a period of time around Christmas and New Year and senior staff are on leave in January, there will be no staff available to prepare for a January meeting.

As Easter Friday falls the day after the second last Thursday in April it is suggested that the April Council meeting is held on the last Thursday of the month being Thursday 28 April 2011.

The proposed Council meeting dates/times/place are as follows:

11.4.3 End of Year Arrangements, Water Playground Opening and Christmas Shutdown 2010

MATTER FOR CONSIDERATION
To confirm date for the last Council Meeting of 2010, consider arrangements for the Christmas function and Christmas business closure and consider how to celebrate the commissioning of the Water Playground.

BACKGROUND
December Meeting: In previous years, Council has held the December ordinary meeting earlier than usual to accommodate the Christmas break and allow staff to travel in an off peak period. Council has usually also coincided the December meeting with a function for members and staff.

Christmas Function: Proposed to be held at Golden Grove (awaiting approval of Managing Director as Golden Grove apparently no longer cater for external functions. Quote to be provided if MD approves). Pindar is closed for the summer and alternative will need to be arranged if Golden Grove is unable to accommodate our request.

Christmas Shutdown: The Shire historically has a shut down period over the Christmas New Year break and staff use a combination of public holidays, rostered days off/time in lieu and annual leave to cover leave during this period.

Water Playground: Our playground will be ready to commission after staff attend training in the first week of December. It is proposed that an official grand opening celebration be held in 2011 in conjunction with the health centre and possibly other projects such as the airstrip and town hall depending on when these will be completed. The Minister for Health has already indicated interest in opening the health centre and Council may wish to invite Minister Grylls to open the Water Playground.

However, it is appropriate for the community and children of Yalgoo to have a celebration now for the ceremonious turning on and commissioning of the Water Playground for their use over summer.

STATUTORY ENVIRONMENT
None

STRATEGIC IMPLICATIONS
A Christmas closure allows for all staff to take a minimum two week break over the hot Christmas period. Most organisations are either closed or on skeleton staff during this period so there is no critical impact on operations.

POLICY IMPLICATIONS
None

FINANCIAL IMPLICATIONS
- Water Playground Opening – budget of $1,000 for afternoon tea and a commemorative gift for children.
- Christmas function budget of $2,500.

CONSULTATION
Sharon Daishe, CEO Shire of Yalgoo

COMMENT
In 2009 Council met on Tuesday 15 December followed at 6:30pm by a function at the Railway Complex at a cost of $1,200 catering and $800 refreshments. The Shire paid the social club to cater as a fund raiser for
the social club. Councillors, staff, members of committees, their spouse/partner and immediate family under the age of 12 were invited along with Councillors who had left since the previous function.

Unfortunately the previous CEO and Councillors have reported that anti social behaviour at the 2009 function reduced enjoyment and have asked the current CEO to make arrangements for 2010 that will facilitate maximum enjoyment for Councillors and staff and reduce the risk of disruptive or unpleasant behaviour.

Quotes/approval are currently being sought to hold the end of year function at Golden Grove. It is planned that buses (Shire bus and bus hired from Mt Magnet Shire) will leave at 5:45 for 6:00pm to arrive 6:30 at Golden Grove and depart for return to Yalgoo at approximately 10:00pm. An alternative will need to be discussed if Golden Grove is unable to accommodate our request.

The shutdown last year was from finish of work on Thursday 17 December 2009, being the last day of school, recommencing Monday 4 January 2010.

**OFFICER RECOMMENDATION**

End of Year Arrangements, Commissioning of Water Playground and Christmas Shutdown 2010

That:

a) the Ordinary meeting of Council be held on Tuesday 14 December 2010 as previously resolved; and

b) the Shire invites the community and children of Yalgoo to celebrate commissioning of the Yalgoo Water Playground at 3:30pm (finish 5:00pm), with afternoon tea provided at Community Park; and

c) the Shire invites staff, current Councillors and those retired or resigned in the past 12 months to attend an end of year function on Tuesday 14 December 2010, 6:30 – 10:00pm with their partner or one other person over 18 years of age; and

d) the Shire will shut down from close of business Friday 17 December 2010 (works crew will finish on 16 Dec as 17 Dec is a rostered day off) and re-open on Wednesday 5 January 2011 (Mon 3 January being the New Year public holiday and Tue 4 January being the Local Govt employees’ holiday).

**11.4.4 Erection of ‘No Shooting’ signs at Paynes Find**

File:
Author: Sharon Daishe, CEO
Interest Declared: No interest to disclose
Date: 1 November 2010

**MATTER FOR CONSIDERATION**

To consider erecting signs at the entrances to Paynes Find warning persons that they are entering a town common and that shooting is prohibited.

**BACKGROUND**

At a gathering at Paynes Find during the 2010 annual road inspection tour earlier this year, residents told Council that persons have been observed discharging firearms within the Paynes Find common area. Residents asked Council to erect ‘No Shooting’ signs. Mr Kim Cable of Paynes Find raised this matter again during public question time at the October 2010 meeting of Council.
STATUTORY ENVIRONMENT
Local Government Act 1995 –
- s.3.1 – Provides that the general function of the local government is to provide for the good government of persons in its district.

STRATEGIC IMPLICATIONS
The community of Paynes Find has indicated that the matter of shooting within the town common area is of concern to them and they believe that signs will have an effect by informing visitors that the area is a town.

POLICY IMPLICATIONS
Nil

FINANCIAL IMPLICATIONS
Council has sufficient funds in the signage budget to purchase such signs.

CONSULTATION
Mr Kim Cable, Mr Don Anderson and other residents of the Paynes Find community.

COMMENT
Paynes Find is a small locality and as persons entering the area may not realise that they are in a townsite, signage could be used to raise awareness.

VOTING REQUIREMENTS
Simple majority.

OFFICER RECOMMENDATION
Signs at Paynes Find to Include No Shooting
That signs containing the following minimum information are erected at entrances to Paynes Find:
- Shire of Yalgoo logo
- Welcome to the locality of Paynes Find
- Information that shooting is prohibited

11.4.5 Extraordinary Election 4 December 2010 – No Eligible Nomination Received
File: E3-8 Extraordinary Election 4 December 2010
Author: Sharon Daishe, CEO
Interest Declared: No interest to disclose
Date: 10 November 2010

MATTER FOR CONSIDERATION
To determine whether to appoint a willing and eligible person to fill the vacancy created by the resignation of Councillor Mick Forster LGA s4.57 (3), or to apply for approval to allow the vacancy to remain unfilled until the date of the next ordinary or extraordinary election (ie: October 2011 unless an extraordinary election is required before that date) LGA s4.17.
BACKGROUND

Following the resignation of Councillor Mick Forster, President Terry Iturbide called for an extraordinary election to be held on 16 October 2010 to fill the vacancy. At the close of nominations on 9 September 2010 no nominations were received.

President Terry Iturbide then called for an extraordinary election to be held on 4 December 2010 to fill the vacancy LGA s4.57 (1). At the close of nominations on 28 October 2010 no valid nominations were received (one ineligible nomination was received).

Council now has two options under the Act. Either option requires an absolute majority (ie: 4 votes).

1. Section 4.57 (3) – if Council is able to identify a person who would be eligible for nomination and is willing, Council may appoint that person.

2. Section 4.17 (3) – Council may apply to the electoral Commissioner to allow the position to remain unfilled until the next ordinary or extraordinary election (ie: October 2011 unless an extraordinary election is required before that date).

STATUTORY ENVIRONMENT

Local Government Act 1995 - Sect 4.57

4.57 . Less candidates than vacancies

(1) If, at the close of nominations, there are no candidates for the office or offices to be filled at the election, an extraordinary election is to be held to fill the office or offices as if it or they had become vacant on the day after the close of nominations.

(2) If, at the close of nominations, the number of candidates is less than the number of offices to be filled at the election —

(a) the candidate or candidates is or are elected; and

(b) an extraordinary election is to be held to fill the remaining office or offices as if it or they had become vacant on the day after the close of nominations.

(3) If, at the close of nominations for an extraordinary election required under subsection (1) or (2) there are no candidates or the number of candidates is less than the number of offices to be filled at the election, the council may appoint* to any unfilled office a person who would be eligible to be a candidate for election to the office and who is willing to accept the appointment.

* Absolute majority required.

(4) A person appointed under subsection (3) is to be regarded as having been elected.

Local Government Act 1995 - Sect 4.17

4.17 . Cases in which vacant offices can remain unfilled

(3) If a councillor’s office becomes vacant under section 2.32 and under subsection (4A) this subsection applies, the council may, with the approval of the Electoral Commissioner, allow* the vacancy to remain unfilled and, subject to subsection (4), in that case, the term of the member who held the office is to be regarded in section 4.6 as ending on the day on which it would have ended if the vacancy had not occurred.

* Absolute majority required.

(4A) Subsection (3) applies —

(a) if —

(i) the office is for a district that has no wards; and

(ii) at least 80% of the number of offices of member of the council in the district are still filled;
(4) If an ordinary or an extraordinary election is to be held in a district then an election to fill any vacancy in the office of councillor in that district that was allowed to remain unfilled under subsection (3) is to be held on the same election day and Division 9 applies to those elections as if they were one election to fill all the offices of councillor for the district or ward that need to be filled.

[Section 4.17 amended by No. 49 of 2004 s. 31; No. 66 of 2006 s. 8; No. 17 of 2009 s. 12.]

STRATEGIC IMPLICATIONS

It would be strategically prudent to appoint an eligible person rather than operate with only five councillors until October 2011.

POLICY IMPLICATIONS

CONSULTATION

Alex McColgan and Mat Hayes, Department of Local Government

COMMENT

If Council wishes to appoint an eligible and willing person, this person should preferably be determined before the Council meeting. Council will need to advise the CEO who will check whether the person is eligible. The President should then establish that the person is willing to accept the nomination.

If Council is unable to determine an eligible and willing person before the November meeting, Council may wish to resolve to leave this item on the table for the December meeting to allow time to canvass for the position. Alternatively Council will need to apply to the electoral Commissioner for approval to leave the vacancy unfilled.

VOTING REQUIREMENTS

Absolute majority

OFFICER RECOMMENDATION

Appointment of eligible person to fill Councillor vacancy

That in accordance with Section 4.57 (3) of the Local Government Act 1995, Council appoints (NAME – TO BE DETERMINED), being an eligible and willing candidate, to the position of Councillor.

ALTERNATIVE OFFICER RECOMMENDATION

Application to electoral Commissioner to allow Councillor vacancy to remain unfilled

That in accordance with Section 4.17 of the Local Government Act 1995, Council applies to the electoral Commissioner for approval to allow the vacancy created by the resignation of Councillor Mick Forster to remain unfilled until the next ordinary or extraordinary election.

File: A10
Author: Sharon Daishe, CEO
Interest Declared: No interest to disclose
Date: 11 November 2010
Attachments: Draft Annual Report for the Year ended 30 June 2010 – to be forwarded separately

MATTER FOR CONSIDERATION
To accept the annual report of the Shire of Yalgoo for the year ending 30 June 2010.

BACKGROUND
A local government must prepare an annual report each financial year that includes:
- President’s report
- Chief executive officer’s report
- Compliance statements/reports relating to the Plan for the Future, National Competition Policy, Disability Services Plan and Records Keeping Plan
- Audited financial statements
- Auditor’s report

STATUTORY ENVIRONMENT
Local Government Act 1995 –
- s.5.27 – annual electors meeting to be held within 56 days of acceptance of the annual report on a day selected by Council
- s.5.53 – an annual report must be prepared and details the items that should be included.
- s.5.54 – the annual report must be accepted by the local government not later than 31 December after the financial year or if the auditor’s report is not available by this date, not later than 2 months after the auditor’s report becomes available.
- s.5.55 – CEO to give local public notice of the availability of the annual report as soon as practicable after the report has been accepted.

Administration Regulations –
- r.15 – Annual report approved by Council to be presented.

STRATEGIC IMPLICATIONS
NA

POLICY IMPLICATIONS
NA

FINANCIAL IMPLICATIONS
The annual financial report presents the financial performance for the past financial year and is scrutinised by an independent audit to ensure compliance with legislation and accounting standards. The financial impact upon the current financial year is that the audited net current assets position becomes the actual brought forward surplus (deficit) for the rate setting standard.

CONSULTATION
Auditor
President, DCEO, SAO
COMMENT
The independent audit report was received on 11 November 2010 and the audit management report is expected to be available for presentation to the Council Meeting. The audit report did not make any audit qualification.

The audited annual financial report will be submitted to the next meeting of the Audit Committee, which will be held on Tuesday 14 December 2010.

In summary the Shire recorded a net operating surplus of $1,771,615 and the balance sheet continues to improve with total equity increasing from $21,283,298 to $23,054,913. The Shire’s cash position increased from $3,022,107 to $3,162,001 although cash backed reserves decreased from $2,046,423 to $1,789,804 primarily as a result of drawings against the plant reserve and Yalgoo Ninghan Road reserve.

The Act requires that the adopted annual report be available to the public for a minimum of 14 days before the annual electors meeting, which must be held within 56 days of Council adopting the annual report.

It is proposed that the electors meeting be held at 1pm on Tuesday 14 December 2010, immediately following the December meeting of Council and preceding the proposed opening of the Yalgoo Water Park.
