4. **PUBLIC QUESTION TIME**

4.1 **RESPONSE TO QUESTIONS TAKEN ON NOTICE**

Prior to the meeting, David Rocke, Gail Pilmoor and Karry Lee-Anne Fisher, registered several written questions on behalf of the Paynes Find community to the CEO Silvio Brenzi.

4.1.1 Karry Lee-Anne Fisher, member of Paynes Find community, addressed the question to the CEO.

Q: Why was an Agenda not available prior to the meeting please?

A: The Agenda was emailed to the Councillors on Friday 21st April 2017 and were distributed in hard copy on the same day. This was well within the constitutional framework of 72 hours prior to the meeting. Copies of the Agenda were also available from the Shire office. The staff member whom normally does the Agendas was away until Wednesday 26th April; therefore, the Agenda was not posted on the website until a later date. Please do not hesitate to call the Shire in future for electronic copies of the Agenda or a hard copy if there is enough time to mail a copy out.

4.1.2 David Rocke, member of Paynes Find community, addressed the question to the CEO.

Q: Why has the Entry Statement for Paynes Find (the steel cutout of the aboriginal man looking out over Lake Moore with his family) ended up in Yalgoo?

A: The Yalgoo entry statements were erected approximately 12 years ago and no changes have been made since. The entry statement you are thinking of must be similar in design. The office will send you a copy of the Paynes Find designs for you to compare.

4.1.3 David Rocke, member of Paynes Find community, addressed the question to the CEO.

Q: What happened with the re-zoning of the Recreational Reserve? It still shows as “Recreational” not “Commercial”.

A: The re-zoning of the Recreational Reserve is in the hands of the Department of Lands. The CEO will check up on the re-zoning status and follow up by emailing Paynes Find any relevant documentation.

4.1.4 David Rocke, member of Paynes Find community, addressed the question to the CEO.

Q: At a past Shire meeting when we made a submission regarding the re-zoning of the Recreational Reserve, we were assured that nothing would happen or be approved regarding the use of the land without community consultation. It now appears that the Shire has endorsed the procurement of part of this land by “Outback Enterprises” - why was there no public consultation?

A: The land is owned by the Department of Lands. The Shire does not own the land and therefore cannot sell the land. The Shire only holds a “management order”. The Department of Lands has the right to do with the land what it wishes as long as there are no objections. The re-zoning as per Question 4.1.3 has not occurred as no sale has taken place. If the area is re-zoned by the Department of Lands then consultation would follow.
4.1.5 David Rocke, member of Paynes Find community, addressed the question to the CEO.

Q: Is the rear block, FNA/12734 being sold to the Paynes Find Roadhouse (“Outback Enterprises”)?

A: As mentioned earlier, the Shire only has “Management Orders” over the land in Paynes Find; the land is owned by the Department of Lands. The Department has not notified the Shire of any sale of land.

4.1.6 David Rocke, member of Paynes Find community, addressed the question to the CEO.

Q: The Paynes Find Roadhouse “Outback Enterprises” has already expanded its’ operations significantly over the last five years without upgrading its waste and effluent disposal. Will it be allowed to expand again and retain the same system?

A: All upgrades and changes to public facilities, such as kitchens, bathrooms etc are guided by the Department of Health requirements and guidelines. Building licences and approvals are initially assessed by the Shire Environmental Health Officer and Building Surveyor, Mr Bill Atyeo, whom liaises with the Department. All assessments are made on an individual basis. Therefore if the Roadhouse facilities are upgraded then a reassessment would be made by Mr Bill Atyeo and the Department of Health.

The CEO recommended David Rocke to email his specific questions so they can be formally addressed.

4.1.7 David Rocke, member of Paynes Find community, addressed the question to the CEO.

Q: If part of Lot 305 is to be sold, why is it not going under Tender?

A: As per question 4.1.4, the land is owned by the Department of Lands. The Shire does not own the land and therefore cannot sell the land. The Shire only holds a “management order”.

4.1.8 David Rocke, member of Paynes Find community, addressed the question to the CEO.

Q: If part of Lot 305 FNA/13127 gets handed over to private interests, where are the trucks going to park?

A: The area of land under consideration is ten (10) hectares (8.24 acres) of which only two point eight (2.8 h) will possibly be excised or removed from the Reserve. However, this area is not an exclusion zone – there will not be any fencing or separation of the area. If funding is approved then appropriate use of the area will be considered.

4.1.9 David Rocke, member of Paynes Find community, addressed the question to the CEO.

Q: The Shire applied for funding to improve the truck parking bay and dust suppression. What will happen to this funding if the land becomes private property?

A: As per question 4.1.8 the area of land under consideration is ten (10) hectares (8.24 acres) of which only two point eight (2.8h) will possibly be excised or removed from the Reserve. If the Department of Lands goes ahead with the sale, the Shire would be requested to approve the usage and applications for any commercial ventures. Safety would be a significant issue to be addressed.

4.1.10 David Rocke, member of Paynes Find community, addressed the question to the CEO.

Q: In the past Main Roads WA objected to the northern entrance lights because it was on a curve and there was no dedicated turning lane. Is there going to be a turning lane constructed or have Main Roads WA just changed their minds?

A: Discussion between the Shire and Main Roads WA only concerned the proposed sites for the lighting installations, not road construction or modifications. Main Roads WA will need to be consulted to answer this question.

**ATTENDANCE:** 11.30 am Cr J Kanny left the meeting.

**ATTENDANCE:** 11.32 am Cr J Kanny rejoined the meeting.
4.1.11 David Rocke, member of Paynes Find community, addressed the question to the CEO.

**Q:** At the Shire meeting on 30th September 2016, the CEO stated that he would investigate the option of varying the Shire funds at the 2016-17 Budget Review. Then Council will assess options with the Paynes Find community. When did the discussions take place about money being allocated from the “Beautification Fund” to pay for the entry lights?

**A:** At the Ordinary Council Meeting on 16 December 2016 (C2016-1227), Council approved a Budget amendment from the Paynes Find Beautification account for $60,000 to fund new solar lights at the Paynes Find entry intersection with the Great Northern Highway. The 2017-18 Budget Review conducted in April 2017, lists the “lighting, Beautification and fencing projects” in Paynes Find. These can be modified as per below question from Leah Bell.

4.2 **QUESTIONS WITHOUT NOTICE**

The President Neil Grinham and Silvio Brenzi (CEO) responded to the relevant operational areas concerned.

4.2.1 Leah Bell, member of Paynes Find community, addressed the question to the CEO.

**Q:** Is the fence around the airstrip going ahead?

**A:** There have been differing opinions from the Paynes Find community regarding the fencing of the airstrip. The funds are still “on hold” until a decision is made.

4.2.2 Leah Bell, member of Paynes Find community, addressed the question to the CEO.

**Q:** Does the Shire have any By-Laws regarding camping or prospecting on Stations or DPaW land? Local property owners are concerned about the safety aspect of people going onto private land without authorisation.

**A:** The Shire of Yalgoo does not currently have any Local Laws on camping or prospecting.

Matter for Consideration
Adoption of the Monthly Financial Statements.

Background
The Local Government Act and Regulations require local governments to prepare monthly reports containing the information that is prescribed.

Statutory Environment

Local Government Act 1995

Section 6.4–Specifies that a local government is to prepare such other financial reports as are prescribed.

Local Government (Financial Management) Regulations 1996

Regulation 34 states:

(1) A local government is to prepare each month a statement of financial activity reporting on the sources and applications of funds, as set out in the annual budget under regulation 22(1)(d) for that month in the following detail:

(a) annual budget estimates, taking into account any expenditure incurred for an additional purpose under section 6.8(1)(b) or (c);
(b) budget estimates to the end of month to which the statement relates;
(c) actual amounts of expenditure, revenue and income to the end of the month to which the statement relates;
(d) material variances between the comparable amounts referred to in paragraphs (b) and (c);
(e) the net current assets at the end of the month to which the statement relates.

Sub regulations 2, 3, 4, 5, and 6 prescribe further details of information to be included in the monthly statement of financial activity.
Strategic Implications
Provision of timely accounting information to inform Council of the financial status and financial affairs of the local government. Reports showing year to date financial performance allow monitoring of actual expenditure, revenue, and overall results against budget targets.

Policy Implications
2.1 Capitalisation of Assets
2.4 Material Variance

Financial Implications
Payments from Council’s Municipal Account as disclosed in the budget or subsequently approved.

**Matter for Consideration**

For Council to give consideration to allocating funds in the 2017-18 annual draft budget for the purpose of rezoning of Lot 65 and 66 from Public Purpose Reserve to Residential pursuant to the Shire’s Local Planning Scheme No. 2

**Background**

An amendment to the Shire’s Local Planning Scheme No. 2 (LPS 2) is required to correct an omission because of the Shire’s Scheme review process when preparing LPS 2, whereby an amendment to the Scheme was undertaken without notifying the landowner. Accordingly, the scope of the amendment will comprise rezoning the site back to Residential (its former zoning under the Shire’s Local Planning Scheme No. 1).

LPS 1 was gazetted in 1992 and LPS 2 (current) was gazetted in 2011. In No. 1 the land was zoned Residential and in No. 2 it is zoned Public Purpose Reserve.

On 16th November 2016 a letter was sent to Ms Susan Mathews, owner of Lot 65 and Lot 66, advising of the lengthy process involved before a new Scheme or an amendment to a scheme can be finalised, and for the land to be rezoned and that she would need to apply to Council to have the land rezoned.

The CEO on 6th February 2017 informed Ms Mathews of his discussions with representatives of the Ombudsman’s Office in relation to her query, which confirmed that the Lots in question are in fact, zoned “Public Purpose”.

**Financial Implications**

Megan Gammon, Associate Director – URBIS

**Comment**

The table below provides the scope of works and fees for the proposed rezoning of Lot 65 and Lot 66 from Public Purpose Reserve to Residential under the Shire’s Local Planning Scheme No. 2.
**Stage** | **Tasks** | **Fees**
--- | --- | ---
Preparation of Scheme Amendment Report and Rezoning Plan | • Liaison with the WAPC to confirm the classification of the amendment as ‘basic or ‘standard’.  
• Preparation of Scheme Amendment Report and Plan.  
• Preparation of Council Report and Resolution to initiate amendment.  
• Referral to the Environmental Protection Authority (EPA) for review. | Fixed fee of $6,000.00
Advertising (if required) | • If advertising is required (for a standard amendment), we will coordinate the advertising in accordance with the Planning Regulations, for a period of 42 days. This will include letters to adjoining landowners, Government agencies as well as a notice on-site and on the Shire’s website.  
• Following advertising, we will review and respond to all submissions received in the form of a schedule of submissions and update the amendment documentation. Our fee assumes review and response to up to 20 submissions. Should additional submissions be received, we will undertake the additional review at hourly rates.  
• We will then prepare a report to Council, advising whether to adopt (with or without modifications) or not proceed with the amendment, as well as present the schedule of submissions.  
• We will also prepare letters to all submitters, advising them of Council’s decision. | Hourly rates (fee estimate of $4,000.00)
WAPC Approval and Gazettal | • If Council supports the amendment, we will send to the Department of Planning to Minister has approved the amendment, we will arrange the endorsement of the documents with the Shire and submit to the WAPC.  
• In the unlikely event the Minister requires any modifications to be undertaken to the amendment, we will update the amendment text and map as required.  
• Once the Scheme Amendment has been gazetted, we will prepare a notice of the gazettal for circulation in the local newspaper and notify those who made a submission (if advertised). | Hourly rates (fee estimate of $2,000.00)

- The above fee assumes that the amendment will be classified as a ‘standard amendment’. If the Department is comfortable in progressing this as a basic amendment, some cost efficiencies will be achieved.
- Should major modifications to the amendment be required post-advertising (which would warrant re-advertising), this will be undertaken by Urbis at hourly rates.
- The fee assumes that the EPA requires no additional reporting and that no sub-consultant input is required.
- Disbursements such as printing, advertising, travel are not included within the proposed fee above.
- Claims for variations to the proposed scope and fee will be notified to the Client in writing for approval.

Council is requested to allocate funds in the 2017-18 Draft Annual Budget to undertake the scheme amendments.

No commercial activities are conducted by MRAC and is registered as a charity as a public benevolent institution. The Australian Taxation Office has granted MRAC Charity Tax Concession status for GST concession, FBT exemption, and income Tax exemption and Deductible Gift Recipient status.
Statutory Environment

Section 6.26 of the Local Government Act 1995, in part states the following:

Subsection 6.26 (2)
(g) Land used exclusively for charitable purpose.
(j) Land which is exempt from rates under other written laws.

Subsection 6.26 (5)
Notice of any declaration made under subsection (4) is to be published in the Gazette.

Subsection 6.26 (6)

Financial Implications

Total Rates Levied $2,611.81

All properties are currently leased.

In order to obtain rate exemption on the above-mentioned properties pursuant to section 6.26 (2) (g) of the Local Government Act 1995, the land must be used exclusively for charitable purpose.

The Local Government Act 1995 does not define ‘charitable purpose’. Section 5 of the Charitable Collections Act 1946 defines ‘Charitable purposes’ as follows:

(a) the affording of relief to diseased, sick, infirm, incurable, poor, destitute, helpless or unemployed person, or to the dependants of any persons;
(b) the relief of distress occasioned by war, weather occasioned in Western Australia or elsewhere;
(c) the supply of equipment to any of His Majesty’s naval, military, or air force, including the supply of ambulance, hospitals and hospital ships;
(d) the supply of comforts or conveniences to members of the said forces;
(e) the affording of relief, assistance or support to persons who are or have been members of the said forces or to the dependants of any such persons;
(f) the support of hospitals, infant health centres, kindergartens and other activities of social welfare or public character;
(g) any other benevolent, philanthropic or patriotic purpose.

The above definitions appear to have origins from the Charitable Uses Act 1601 and the House of Lords Case.

The Charitable Uses Act 1601 lists the purpose as:
- Relief of the aged, impotent and poor people;
- Maintenance of sick and maimed soldiers and mariners
• Support and aid for young tradesmen, handicraftsmen and persons decayed

One of the four categories of charitable purpose laid down by the House of Lords in the case of Income Tax Special Purposes Commissioners v Pemsel (1891). These categories are as follows:

• The relief of property;
• The advancement of education
• The advancement of religion; and
• Other purpose beneficial to the community not following within any of the preceding categories.

In relation to the relief of property, it may not be necessary for those benefiting to be an appreciable section of the community for the purpose to be charitable. However, it is otherwise accepted that the purpose must be for the benefit of the community or an appreciable important class of it and not for the benefit of particular private individuals (Williams Trustees v Inland Revenue Commissioners 1947).

The above-mentioned statute and judgement were relied upon by the Supreme Court in cases requiring a definition of charitable purpose.

The following factors need to be considered in order to determine whether the land is exempt from rating.

1. The mere ownership of the land by the charitable organisation does not in itself bring that land within the scope of section 6.26 (2) (g) of the Local Government Act 1995.
2. Community Housing is social housing and / or affordable housing owned or otherwise under the legal control of the Community Housing Organisation.
3. Community Housing Organisation is a not for profit organisation incorporated under the law of the Commonwealth of Australia or the State of Western Australia whose primary objective is to provide social housing or affordable housing to eligible persons.
4. Social housing is government subsidised rental housing for people with low to moderate income provided by a Community Housing Organisation, rent is set between 25-30% of household income.

From the above it is concluded that there is a distinction between, on one hand the use of the land for charitable purpose and, or it’s used for the purpose of making what is derived from the activities on the land available to be applied for charitable purpose.
